

DIVIDEND REINVESTMENT PLAN PRICE DETERMINED

Auckland, 29 September 2016 – The share price used to calculate entitlements under the Fletcher Building Limited Dividend Reinvestment Plan has been set at NZ\$10.5550

This is average of the individual daily volume weighted average sale prices of all price-setting trades of Fletcher Building shares sold on the NZSX on each of the five business days from and including the ex-dividend date of 22 September 2016 pursuant to the terms of the Dividend Reinvestment Plan Offer Document.

Shareholders who have elected to participate in the Dividend Reinvestment Plan reinvest their dividends to receive additional shares, rather than cash. The new shares will be allocated on the dividend date, 12 October 2016. The number of Fletcher Building shares to which participants are entitled is the total of the net dividend remittance which would otherwise have been payable to participants, divided by 10.5550.

Australian residents are paid in Australian dollars which have been converted using an exchange rate of NZ\$1.00 = A\$0.949527.

An illustration of the calculation of the net dividend remittance is available on the Company's website (fbu.com/investor-centre/dividend-information/).
