Each applicant for Bonds must pay to the Company, upon application, the Issue Price for the Bonds set out in his or her application for Bonds.

(b) **Issue of Bonds**

Subject to acceptance of that application by the Company in full or in part, the Company must issue that Bondholder with the appropriate Principal Amount of Bonds for which the application is accepted on, or as soon as practicable after, the Closing Date, subject to the Company having received payment of the Issue Price and all other conditions of the issue having been satisfied.

(c) **Cleared Funds**

The Company is not obliged to pay Accrued Interest to a Bondholder (or the Supervisor on its behalf) under this Deed unless and until the Bondholder has paid in full and in cleared funds the Issue Price for the Bonds issued to him or her. The Company may also (but need not) forfeit any Bonds issued to a Bondholder if that Bondholder does not pay the Issue Price in full and cleared funds for the relevant Bonds. Any Bonds forfeited under this clause shall be cancelled or transferred by the Company to any person or persons selected by the Company.

(d) **Allotment**

The Bonds will be allotted at the end of the offer period as specified in the Offer Document. The Bonds will accrue interest in accordance with the Conditions.

2.6 Covenant to observe this Deed and Conditions

(a) Indebtedness

The Company acknowledges its indebtedness to each Bondholder, and to the Supervisor on behalf of the Bondholders, in relation to the payment or repayment of the Principal Amount of, and interest and any other amount payable under, each Bond upon and subject to this Deed.

(b) Payment

The Company covenants with the Supervisor that it will:

- (i) pay all amounts payable in relation to the Bonds to, or as directed by, the Supervisor and in the absence of any direction will make such payments direct to the Bondholders; and
- (ii) comply with, perform and observe all the provisions of this Deed and the Conditions.

(c) Payment in satisfaction of obligations

Each payment in respect of the Bonds duly made to the Bondholders or the Supervisor in accordance with the Conditions will be in satisfaction, to the extent of the amount paid, of the relevant obligation of the Company to the Bondholders and the Supervisor under this Deed.

(d) Benefit of covenants

The Supervisor is to take and hold the benefit of the covenants given to it by the Company under this Deed in respect of the Bonds (other than those covenants intended to be for the benefit of the Supervisor for its own account) for the Bondholders generally.

2.7 Bondholder absolute owner

Subject to clause 4.5, each of the Company and the Supervisor is, notwithstanding any notice to the contrary, entitled to treat the registered holder of any Bond as its absolute and beneficial owner and is not required to recognise any trust or equity or security interest affecting such ownership (except as required by law or order of any competent court).

2.8 Purchase, cancellation, re-issue

Subject to any provisions to the contrary in the Conditions, the Company may purchase Bonds from any person at any time on the market or by private treaty at any price. Upon purchase by the Company, such Bonds so purchased will be deemed to be immediately cancelled but the Company may, at any time, re-issue any such Bonds previously purchased by the Company to a third party, but shall not be obliged to do so. In relation to each Bond which is cancelled (and not re-issued), neither the Company nor the Supervisor will have any further liabilities or obligations in respect of that Bond or the relevant Bondholder. In relation to each Bond which is re-issued, each such Bond shall be issued subject to the

Conditions, except in respect of the Issue Date which shall be adjusted accordingly and, for the avoidance of doubt, any Bonds re-issued shall rank equally with each other and with any Bonds already on issue.

2.9 Validity of issued Bonds

Neither the Supervisor nor any person named as a Bondholder in the Register in relation to any Bond need be concerned or obliged to enquire whether any Bond purporting to be evidenced by the Register has been issued in accordance with this Deed or the Listing Rules. Each Bond issued for valuable consideration will be deemed to be validly issued and constituted by this Deed notwithstanding that the issue of such Bond was in breach of any provision of this Deed, but without prejudice to the Supervisor's rights under or in accordance with this Deed against the Company in respect of any such breach.

2.10 Payment of brokerage or commission – issue at discount or premium

The Company may pay a commission, procuration, application or issue fee or brokerage to any person or company in respect of subscribing for, or obtaining issues for the Bonds, and may issue any Bond or further Bonds at a discount or premium to its Principal Amount.

2.11 Unclaimed payments

Any payment made by the Company or the Supervisor to any Bondholder at its address last entered in the Register which is returned unclaimed and remains unclaimed by the person entitled to it during the 12 month period thereafter, must (unless the Company has in the interim received notice of a change of address to be entered in the Register and made payment to the Bondholder at this changed address) be held by the Company in a separate bank account (such bank account to be held with a bank, and on terms, as the Supervisor shall, until the Maturity Date, reasonably require) for the Bondholder concerned without any liability to invest or pay interest on that amount. Unless otherwise required by law, any money not so claimed within a period of six years from the original date of payment may be retained by the Company together with accrued interest (if any), but less any deductions required by law and the Company and the Supervisor will have no further liability in respect of the amount concerned provided always that the Company must at any time thereafter pay the relevant amount to any person producing evidence of entitlement.

2.12 Reinstatement

If any payment made to the Supervisor or to any Bondholder by or on behalf of the Company is avoided by law, such payment will be deemed not to have discharged or affected the liability of the Company in respect of which that payment was made. In this circumstance, the Supervisor, the Bondholder and the Company will each be restored to the position in which it would have been, and will be entitled to exercise all the rights which each would have had, if such payment had not been made.

3. Status of Bonds

3.1 Status

Each Bond is a direct, unsecured and unconditional obligation of the Company. The Bonds will constitute direct, unsecured, unsubordinated obligations of the Company and will rank equally with each other. The Bonds will also rank at least equally with all other outstanding unsecured and unsubordinated indebtedness of the Company.

3.2 Enforcement by Supervisor

(a) Enforcement by Supervisor

Subject to the express provisions of this Deed, and in addition to the Bondholders' rights pursuant to section 104(2) of the FMCA, the Supervisor holds its rights and benefits under this Deed (including the right to enforce the Issuer Obligations) in trust for the Bondholders and the Supervisor may enforce the provisions of the Bonds or this Deed.

(b) **Claims by Bondholders**

No Bondholder may claim against the Company for any amount owing to him or her under any Bond or this Deed to the extent that the Supervisor has claimed, or has determined to claim for, such amount on behalf of such Bondholder, and any claim made contrary to this clause must be withdrawn by such Bondholder.

(c) **Enforcement by Bondholders**

No Bondholder may proceed against the Company or the Supervisor for the enforcement or performance of any provision of this Deed or the Conditions that is solely for the benefit of the Supervisor.

(d) **Contracts (Privity) Act 1982**

For the purposes of the Contracts Privity Act 1982, the Company acknowledges that this Deed is made for the benefit of and is intended to be enforceable by any person who is from time to time a Bondholder, and the Supervisor.

3.3 Permitted proceedings

Nothing in this Deed excludes, limits, defers or otherwise affects:

(a) **Proceedings seeking directions from court**

the right of the Supervisor to seek directions from a court in accordance with the FMCA or the FMC Regulations or to take any other proceedings seeking the directions of, or guidance by, any court or other authority as to the performance of its functions and duties hereunder or otherwise in relation to this Deed; or

(b) without limiting sub-paragraph (a) above, make available for inspection, and provide copies of, or extracts from, the Register to the extent required by, and in accordance with, the FMCA, FMC Regulations and any other applicable law (which includes, but is not limited to, providing to a person who so requests, a copy of, or an extract from, the Register in accordance with the procedures set out in sections 223 and 224 of the FMCA),

- (i) consult with the Supervisor on such appointment or re-appointment and the nature and scope of any assurance engagement in relation to the Company's compliance with this Deed;
- (ii) ensure that any comments of the Supervisor concerning the proposed Auditor are brought to the attention of the persons appointing or re-appointing the Auditor;

The Company must not attempt to prevent any person who has resigned its appointment as an auditor, or declined to accept an appointment or re-appointment as an auditor, from offering an explanation, or disclosing to the Supervisor the reason for resigning or declining appointment or re-appointment.

7. Supervisor's power to enforce, remedy and waive

7.1 Enforcement of Bondholders' rights

The Supervisor shall hold in trust for the benefit of all Bondholders:

- (a) the right to enforce any obligations or duties that the Company has under this Deed and the FMCA, (including the right to enforce the Company's obligation to repay to a Bondholder the Principal Amount of the Bonds held by that Bondholder, together with interest thereon, in accordance with the terms of this Deed and any Offer Document);
- (b) if applicable, any charge or security for repayment of the Bonds; and
- (c) the right to enforce any other duties that any other person may have under this Deed (including the Conditions) or the FMCA in relation to the Bonds.

7.2 Supervisor's power to accelerate and enforce

If at any time an Event of Default occurs and subsists, the Supervisor may, and shall if directed to do so by the Bondholders by an Extraordinary Resolution, exercise any or all of the following rights:

- (a) by notice to the Company declare that all or part of the Outstanding Money is immediately due and payable, whereupon the Company shall immediately pay to the Supervisor all relevant Outstanding Money together with all other fees and expenses payable under this Deed; or

If the Company fails to pay any moneys due and payable under this Deed then, without prejudice to any other rights and remedies of the Supervisor, the Supervisor may (at its sole discretion) pay any such moneys. All moneys so paid by the Supervisor will be payable by the Company to the Supervisor upon demand in writing, together with all costs, charges or expenses properly incurred by the Supervisor in that payment.

7.4 Waiver by Supervisor

Subject to clause 8.5 (to the extent any waiver operates as a temporary amendment), any applicable law and any direction or request given by the Bondholders to the Supervisor by way of Extraordinary Resolution, the Supervisor may from time to time by notice in writing to the Company waive, in part or in whole, for a specified period or completely, and on such terms and conditions (if any) as it deems expedient, any breach or anticipated breach by the Company of any of the provisions of this Deed or the Conditions, provided the Supervisor is satisfied that the interests of the Bondholders will not be materially prejudiced as a result. Any such waiver will be binding on all Bondholders but will not affect the rights of the Supervisor and the Bondholders in respect of any other breach. Notwithstanding anything in this Deed or otherwise contained or implied or any rule of law to the contrary, the Supervisor will not be deemed to have given any such waiver unless the waiver is given by the Supervisor in writing.

7.5 Statutory Exemption

If the Company is granted an exemption, or an exemption is applicable to the Company, in relation to any obligation imposed upon the Company by or pursuant to the Financial Reporting Act 2013, the FMCA, the FMC Regulations or the Listing Rules which is materially the same or analogous to any obligation of the Company under this Deed, the Conditions or any Bonds then provided two Authorised Officers of the Company certify that such amendment, temporary variation or waiver will not have a material adverse effect on the Company or be materially and adversely prejudicial to the general interests of Bondholders, the Supervisor may:

- (a) agree to amend or temporarily vary this Deed (including the Conditions), provided that the Supervisor complies with clause 8.5 and any other applicable law; or
- (b) waive any breach or anticipated breach of such obligation in a manner which is consistent with the relevant exemption.

8. Appointment of and powers and discretions of Supervisor

8.1 Appointment

The Company hereby appoints the Supervisor, and the Supervisor accepts appointment, as **Supervisor** for the Bondholders in respect of the Bonds, with the rights, powers, duties and obligations set out in this Deed (including in the Conditions).

8.2 Powers

In addition to, and subject to, the powers, authorities and discretions which may be vested in the Supervisor by law, and to facilitate the discharge of its duties under this Deed, it is expressly declared that:

(a) **General responsibilities and duties**

the Supervisor:

- (i) is responsible for acting on behalf of the Bondholders in relation to the Company, any matter connected with this Deed, the Conditions or the Offer Document and any contravention or alleged contravention of Issuer Obligations;
- (ii) is responsible for supervising the Company's performance:
 - (A) of its Issuer Obligations; and

- (B) in order to ascertain whether or not the assets of the Company that are or may be available, whether by way of security or otherwise, are sufficient or likely to be sufficient to discharge the payment obligations of the Company in respect of the Bonds as they become due;
 - (iii) is responsible for performing and exercising any other functions, duties and powers conferred or imposed on the Supervisor by this Deed, the FMCA and the FMSA;
 - (iv) must:
 - (A) act honestly in acting as a supervisor;
 - (B) in exercising its powers and performing its duties as a supervisor, act in the best interests of the Bondholders;
 - (C) exercise reasonable diligence in carrying out its functions as a supervisor;
 - (v) must do all the things it has the power to do to cause any contravention of the Issuer Obligations to be remedied unless it is satisfied that the contravention will not have a material adverse effect on the Bondholders;
 - (vi) subject to any court order made under section 210 of the FMCA, must act in accordance with any direction given by an Extraordinary Resolution of the Bondholders or an affected Class of Bondholders that is not inconsistent with any enactment, rule of law or this Deed in relation to:
 - (A) seeking a remedy to a contravention of the Issuer Obligations; and
 - (B) any other matter connected with the Supervisor's functions; and
 - (vii) in exercising its powers and performing its duties as a Supervisor, must exercise the care, diligence, and skill that a prudent person engaged in the business of acting as a licensed supervisor (as those terms are defined in the FMCA) would exercise in the same circumstances;
- (b) **Applications to court**

having regard to any other powers or remedies available to it under this Deed or at law for the protection of the interests of Bondholders and to all other circumstances relevant to the general interests of such Bondholders, the Supervisor may apply to the court for an order:

- (i) under section 208 of the FMCA, if the Supervisor is satisfied that:
 - (A) the Company is unlikely to be able to pay all money owing in respect of Bondholders as and when due;
 - (B) the Company is insolvent (as defined in the FMCA) or the financial position or management of the Company is otherwise inadequate;
 - (C) there is a significant risk that the interests of Bondholders will be materially prejudiced for any other reason; or
 - (D) the provisions of this Deed are no longer adequate to give proper protection to the interests of Bondholders;

- (ii) under section 210 of the FMCA and within 20 Business Days (or, with leave of the court, within any longer period) after the passing of an Extraordinary Resolution of Bondholders, directing it not to comply with an Extraordinary Resolution of Bondholders,

and it may support or oppose any such application to the court made by or at the instance of the FMA or any Bondholder (where applicable). The Supervisor shall, in accordance with clause 10, be indemnified by the Company against all expenses incurred in relation to any such application or proceedings. Without in any way limiting its right to apply to the court under this clause, the Supervisor agrees that if it makes an application prior to the Commencement of Liquidation, it will use reasonable endeavours to notify the Company prior to making any such application and, to the extent practicable, will consult with the Company in relation to such application;

(c) Act on advice

the Supervisor may, subject to the provisions of this Deed, without liability for loss, obtain, accept and act on, or decline and elect not to accept and act on:

- (i) the opinion or advice of, or any information obtained from, any barrister, solicitor, valuer, stockbroker, financial adviser, auditor, chartered accountant or other expert (in each case in any relevant jurisdiction and whether obtained by the Company, the Supervisor or otherwise), even though it may subsequently be found to contain some error or not be authentic;
- (ii) (other than as set out in this Deed) a certificate or report signed by any two directors or one director and one Authorised Officer, of the Company as to any fact or matter prima facie within their knowledge as sufficient evidence of that fact or matter; and
- (iii) the statements contained in any certificate or report given in accordance with this Deed as conclusive evidence of the facts stated in that certificate or report;

(d) Resolution of Bondholders

the Supervisor will not be liable to the Company or any Bondholder for anything done or omitted to be done, in good faith, in giving effect to a direction to it by the Bondholders, including the giving effect to any resolution purporting to have been passed at any meeting of the Bondholders in respect of which a proper record has been made and which the Supervisor believes to have been properly passed, even though it afterwards appears that such resolution is not binding or valid by reason of a defect in the convening of the meeting or in the proceedings conducted at the meeting or for any other reason;

(e) Proceeds of Bonds

the Supervisor will not be liable to the Company or any Bondholder for the receipt or application by the Company of the Issue Price or be bound to see to the application of those proceeds or letters of allotment to the persons entitled to them;

(f) Breach of Deed or Bonds

except to the extent it is obligated to do so by law, the Supervisor will not be bound to take steps to ascertain whether or not the Company has committed any breach of the provisions of this Deed or any of the Bonds (and shall be entitled to assume without enquiry that no such breach is occurring or has occurred) unless:

- (i) the Supervisor has become aware that, has received specific advice that, a breach has, or appears to have, occurred or threatens to occur, from the directors of the Company or the Auditors; or
- (ii) the Supervisor has received notice of the occurrence of an Event of Default;

(g) Duty of care

the Supervisor will not be liable to the Company or the Bondholders or any other person unless the Supervisor has acted fraudulently, in gross negligence, in wilful breach of trust or law or the Supervisor or any of its officers, employees, attorneys or agents has acted contrary to the duty set out in clause 8.2(a)(vii);

(h) Exercise of trusts, powers, authorities, discretions and responsibilities

- (i) except as otherwise expressly provided in this Deed, the Supervisor as regards all trusts, powers, authorities, discretions and responsibilities vested in it by this Deed, will have absolute discretion as to their exercise or non-exercise and as to the commencement, modification, discontinuance, compromise or conduct of any action, proceeding or claim and, provided it acts with reasonable care and diligence, it will not be responsible for any loss, damage, cost or expense that may result from the exercise or non-exercise of such; and
- (ii) the Supervisor may refrain from exercising any discretion, power or authority vested in it by this Deed (except those discretions, powers or authorities it is required to exercise by law) until it has a direction to act from the Bondholders given by Extraordinary Resolution and the Supervisor shall not be responsible for any loss or cost that may result from the non-exercise of the relevant discretion;

(i) Power to delegate

the Supervisor must not delegate any of its functions under clauses 8.2(a)(i) to (iii) unless such delegation is expressly permitted by the FMCA or permitted by, and then subject to conditions imposed under, the FMSA but may, for the avoidance of doubt, delegate its other functions. Where the Supervisor may delegate its functions, it may, whenever it thinks it expedient in the interests of the Bondholders to do so:

- (i) delegate at any time to any person any of the trusts, powers, authorities, discretions or responsibilities vested in the Supervisor by this Deed which cannot conveniently be exercised by it or through its employees upon such terms and conditions (including the power to sub-delegate) as the Supervisor may reasonably think fit (provided that the Supervisor shall remain liable for the actions of any delegate);
- (ii) authorise such person as it thinks fit to act as its representative at any meeting; and
- (iii) apply to any court at any time for directions in relation to any matter or for an order that the powers and trusts contained in this Deed be exercised under the direction of the court, or, subject to clause 8.4, consent to, approve or oppose any application to court by the Company or by or at the instance of any Bondholder;

(j) Consents

any consent given by the Supervisor for the purposes of this Deed may be given on such terms and conditions (if any) as the Supervisor reasonably thinks fit;

(k) Power to remedy breach

the Supervisor's powers to remedy any breach of this Deed are subject to any other provision of this Deed which is inconsistent with the exercise of such powers;

(l) Duties to Company

the Supervisor has no duties and responsibilities under this Deed to any Bondholder which is the Company or any of its subsidiaries;

(m) Power to invest

any moneys held by the Supervisor and subject to the trusts constituted or to be constituted under this Deed may, at the discretion of the Supervisor, be invested in the name of the Supervisor or its nominee in any investments and in any currency it considers fit with power to vary or transpose such investments for others of a like nature and deal with or dispose of such investments (less any customary fees and expenses incurred in connection with such investments), and for these purposes to buy and sell currencies, and all income from such investments will belong to the person in respect of whom such moneys are held by the Supervisor;

(n) Attend general meetings

any representative of the Supervisor is entitled to attend any general meeting of the Company or meeting of Bondholders and to be heard at any such meeting which he or she attends on any part of the business of the meeting which concerns the Supervisor as such or the Bondholders;

(o) Listing Rules

subject to compliance by the Supervisor with its obligations under the FMCA and the FMC Regulations, the Supervisor shall not be required to monitor compliance by the Company or any other party with the Listing Rules and, in the absence of notice to the contrary from the Company or NZX, shall be entitled to assume that the Company is so complying. In the event of non-compliance with any Listing Rule the Supervisor, in determining the action to be taken or not taken by it, shall be entitled to have regard to the actions of NZX in relation to that non-compliance;

(p) Materiality

the Supervisor may determine whether or not a failure by the Company to perform any obligation under the provisions of the Conditions or this Deed is in its opinion capable of remedy or will have a material adverse effect on the Bondholders and any such determination shall be conclusive and binding upon the Bondholders; and

(q) Engage expert

the Supervisor may engage an expert (for example, an auditor, investigating accountant, valuer or actuary) if the Supervisor considers, on reasonable grounds, that it requires the assistance of the expert:

- (i) to determine the financial position of the Company; or
- (ii) to review the business, operation, management systems or the governance of the Company.

Where the Supervisor engages an expert pursuant to this clause 8.2(q), the Company shall provide reasonable assistance to the expert to allow the expert to provide the

assistance and the fees and expenses of the expert, which must be reasonable in the circumstances, shall be paid by the Company.

8.3 Discretion to consult Bondholders

Subject to clause 13, following any breach of this Deed by the Company or the occurrence of any circumstances which may result in such a breach which the Supervisor reasonably considers may have a material adverse effect on the Bondholders, the Supervisor may, in its absolute discretion:

- (a) require the Company to report to the Bondholders, or any of them, the circumstances and nature of such breach and any other information concerning the Company or any other person which the Supervisor has received under or in relation to this Deed or the Bonds and which it reasonably considers to be material to the Bondholders or any of them; and
- (b) invite the Bondholders or any of them to indicate to the Supervisor their preferences as to any exercise or non-exercise of the Supervisor's powers under this Deed or relating to the Bonds or as to any action or omission to act by the Supervisor in relation to the breach or any matter or thing,

and if the Company fails to so report, the Supervisor may, subject to clause 13, itself do so.

Any such report may be given in such manner as is considered by the Supervisor to be the most practicable and expedient in all the circumstances.

8.4 Supervisor's right to be indemnified

Subject always to section 105 of the FMCA, the Supervisor may decline to take any action or exercise any power or discretion or comply with or implement any direction or request given in accordance with this Deed whether or not it is otherwise bound to so act unless and until the Supervisor and each of its officers, employees or agents are first indemnified by the Bondholders to its satisfaction against all actions, proceedings, claims and demands to which any of them may be rendered liable and all costs, charges, losses, damages and expenses which it or they may incur by so doing.

8.5 Amendments

(a) Right to amend

The provisions of this Deed may not be amended or replaced unless the amendment or replacement is made:

- (i) with the consent of the Supervisor in accordance with clause 8.5(b); or
- (ii) (despite anything contrary in this Deed or in any enactment, rule of law or agreement, including anything relating to the consent of any person to the making of amendments to this Deed) under section 109 of the FMCA, sections 22(7) or 37(6) of the FMSA or any other power to amend or replace this Deed under an enactment.

(b) Supervisor's consent to amendments

Subject to section 112(2)(b) of the FMCA, the Supervisor must not consent to an amendment to or replacement of, this Deed (including the Conditions) under clause 8.5(a)(i) unless either:

(i) *Authorised by Extraordinary Resolution*

the amendment or replacement is approved by, or is contingent on approval of the Bondholders by way of an Extraordinary Resolution of the Bondholders or each class of Bondholders that is or may be adversely affected by the amendment or replacement (as applicable); or

(ii) *No material adverse effect to Bondholders*

the Supervisor is satisfied that amendment or replacement does not materially adversely affect the Bondholders,

and the Supervisor certifies to that effect and certifies, or obtains a certificate from a lawyer, that this Deed, as amended or replaced, will comply with sections 104 to 106 of the FMCA on the basis set out in the certificate.

(c) **Other provisions relating to modifications to the Deed**

- (i) Within 5 Business Days after an amendment to, or replacement of, this Deed, the Company, must ensure that notice of the amendment or replacement and a copy of the certificate relating to such amendment or replacement (if any), is lodged with the Registrar of Financial Service Providers.
- (ii) Any such modification or addition will be binding on all Bondholders. No such modification or addition will be effective unless it is in writing signed by both the Company and the Supervisor.
- (iii) The Supervisor may act under clause 8.5(b)(ii) without obtaining the consent of the Bondholders.
- (iv) The Company must, within 10 working days after a deed is executed under clause 8.5(b)(ii), send a notice that contains a description of the amendment to every Bondholder at the Bondholder's last known address.
- (v) The requirements for clause 8.5(c)(iv) do not apply if the Supervisor notifies the Company that clause 8.5(c)(iv) does not need to be complied with (if, for example, the Supervisor considers that notification is not required or that it would be appropriate to give notice of amendment in some other manner).

8.6 **Fiduciary relationship**

The Supervisor may not be a Bondholder on its own account. However, nothing in this Deed prohibits the Supervisor or its holding company or any of their subsidiaries or their officers or shareholders (all for the purposes of this clause, where the context permits, being included in the expression the Supervisor) from being a Bondholder in any trustee, agency, nominee or other representative capacity, or from being a creditor or shareholder of, or having any other interest in, the Company, or of any of its subsidiaries or from acting in any other fiduciary, contractual, agency or representative capacity for a Bondholder or the Company or any of its subsidiaries. The Supervisor may enter into any transaction with any such person in the ordinary course of business and will not be accountable to the Bondholders or any other person for any profits arising from such transactions.

9. **Meetings of Bondholders**

9.1 **Regulations of meetings**

Each meeting of Bondholders is to be convened and held in accordance with Schedule 2.

9.2 Represent Bondholders

The Supervisor may, of its own volition or in accordance with any directions or in accordance with an Extraordinary Resolution, represent Bondholders in any investigation, negotiation, action, transaction, matter or proceedings affecting the interests of Bondholders.

10. Indemnity of Supervisor

10.1 Indemnity

The Supervisor and each of its officers, employees, attorneys or agents are entitled to be indemnified by the Company and out of any moneys it holds upon the trusts of this Deed in respect of all liabilities and expenses incurred by it or any of them in the performance or exercise or attempted or purported performance or exercise of any of the trusts, powers, authorities or discretions conferred on the Supervisor or any of them by this Deed and against all actions, proceedings, costs, losses, claims and demands in respect of any matter or thing done or omitted in any way relating to this Deed other than liabilities, expenses, actions, proceedings, costs, losses, claims or demands arising out of:

any failure by the Supervisor to show the degree of care, diligence and skill required under clause 8.2(a)(vii),

and the Supervisor may retain and pay out of any moneys it holds upon the trusts of this Deed all sums necessary to effect and satisfy that indemnity and the Company shall so indemnify the Supervisor, in each case, together with the remuneration and reimbursements of the Supervisor as provided for in this Deed in the absence of any such moneys.

10.2 Limitation on Indemnity

Notwithstanding anything else in this Deed, the Supervisor's rights to be indemnified in relation to the performance of the Supervisor's licensee obligations (as that term is defined under section 4 of the FMSA) under this Deed shall not apply to any liability which arises from a failure by the Supervisor to properly perform its duties under clauses 8.2(a)(iv) and (vii) and no other provision of this Deed that is contrary to the foregoing shall have any effect.

Upon the Supervisor notifying the Company that it wishes to resign, or upon the Company wishing to appoint a new supervisor, the Company must promptly call a meeting of the Bondholders for the purposes of approving an appointment of a new supervisor and, if such approval is given, the Company may exercise its power of appointment.

(b) Appointment by Bondholders

If the Company, within 60 days of receiving notice of the Supervisor's intention to resign, fails to call a meeting of the Bondholders in accordance with clause 11.2(a) or to exercise the power vested in it under that clause to appoint a new supervisor or new supervisors, in either case, the Bondholders may by Extraordinary Resolution exercise such power to the exclusion of the Company.

- (c) in the Company's reasonable opinion, the information is commercially sensitive,

but may be required, in accordance with this Deed, to provide such information to the Supervisor. The Company may require that the Supervisor undertakes to keep such information confidential (including as against Bondholders) and the Supervisor shall be entitled to, and shall, give and honour that undertaking unless the Supervisor has legal advice that to do so would prevent the Supervisor fulfilling its duty to Bondholders.

Schedule 1: Conditions of the Bonds

1. Deed

1.1 Deed binding

The statements in these Conditions are subject to the detailed provisions of the amended and restated trust deed dated 24 August 2011 (the **Deed**) between Air New Zealand Limited and The New Zealand Guardian Trust Company Limited as supervisor.

1.2 Notice of Deed

Bondholders are entitled to the benefit of, are bound by, and are deemed to have notice of, the Deed.

1.3 Definitions

In these Conditions, terms and expressions defined in the Deed and not otherwise defined in these Conditions have the same meanings where used in these Conditions. In addition:

Accrued Interest means all interest on the Principal Amount of the Bonds which has accrued and is payable in accordance with these Conditions;

Closing Date means 23 September 2011 or the date on which subscriptions are received and accepted for the minimum aggregate Principal Amount of the Bonds or such other date as the Company determines in accordance with the terms of the Offer;

Date of Enforcement means the date on which the Supervisor declares the Bonds immediately due and payable following the occurrence of an Event of Default;

Interest Payment Date means 15 November 2011 and each 15 November and 15 May thereafter (or if such date is not a Business Day, the immediately following Business Day) until the date on which the relevant Bond is redeemed or purchased for cash by the Company or any subsidiary of the Company (which date shall be the final Interest Payment Date);

Interest Period means the period from and including one Interest Payment Date to, but excluding, the next Interest Payment Date, provided that the first Interest Period will be deemed to be the period from and including the Issue Date to, but excluding, the first Interest Payment Date occurring after the Issue Date;

Interest Rate means the rate notified by the Company to NZX on the Rate Set Date;

Issue Date means 28 September 2011, or such other date as the Company determines in accordance with the terms of the Offer;

Maturity Date means 15 November 2016;

Minimum Holding has the meaning given to it in Condition 4.1;

Opening Date means 2 September 2011, or such other date as the Company determines in accordance with the terms of the Offer;

Rate Set Date means the date following the Opening Date on which the Interest Rate is determined by the Company in consultation with the Joint Lead Managers;

Record Date means a day 10 days prior to the relevant Interest Payment Date (whether or not such date is a Business Day), or within such lesser period as is approved by NZX; and

Relevant Interest has the meaning set out in the FMCA.

2. Status of the Bonds

2.1 Status

The Bonds constitute direct, unsecured, unsubordinated obligations of the Company and rank pari passu and without priority or preference among themselves and with all other unsecured, unsubordinated obligations of the Company, except indebtedness preferred by law. None of the Company's directors, the directors of the Company's subsidiaries, the Supervisor, the Joint Lead Managers or any other person guarantees the Company's obligations under the Deed or the Bonds in any way.

2.2 Repayment

The Bonds shall be repayable in full (together with any Accrued Interest which remains outstanding) on the earlier of:

- (a) the Maturity Date (without the need for the Bondholder to give notice that repayment is required); and
- (b) the Date of Enforcement.

3. Interest

3.1 Interest Rate and calculation of interest

- (a) Each Bond bears interest on the Principal Amount at the Interest Rate. On the Rate Set Date, the Company will advise NZX by general announcement of the Interest Rate.
- (b) Interest for each Interest Period shall be calculated in accordance with clause 3.2.
- (c) Interest will cease to accrue on the date on which each Bond is repaid.

3.2 Accrued Interest

Accrued Interest accrued during each Interest Period is payable on the Interest Payment Date falling at the end of that Interest Period. The amount of interest payable on a Bond on each Interest Payment Date shall be determined as follows:

$$\text{Interest Payment} = \frac{\text{Principal Amount of Bond} \times \text{Interest Rate}}{2}$$

Provided that, if the applicable Interest Period is not a full six-month Interest Period (for example if an Event of Default occurs (and subsists) and the Supervisor declares the bonds immediately due and payable), the interest payable on a Bond for such period will be calculated based on the number of days in that period and a 365-day year as follows:

$$\text{Interest payment} = \frac{\text{days in relevant Interest Period}}{365} \times \text{Principal Amount of Bond} \times \text{Interest Rate}$$

3.3 Payments

All payments in relation to a Bond may be satisfied by:

(a) **Post**

mailing cheques to the address of; or

(b) **Direct credit**

direct credit to any bank account nominated in writing (prior to the Record Date) by,

the Bondholder entered in the Register on the Record Date. Such mailing or direct credit will occur prior to 5 p.m. on the relevant Interest Payment Date (or, if that date is not a Business Day, the next Business Day after that date) or other date on which payment is required to be made.

3.4 Withholding tax

(a) **Deduction for withholding**

Subject to Condition 3.4(b), all payments or credits to, or to the account of, Bondholders (including payments of, and credits in respect of, interest) will be made net of any tax in respect thereof required by law to be withheld, deducted or paid by the Company, except to the extent that the Company is satisfied that the Bondholder is exempt from any such tax or is a person in respect of whom any such withholding, deduction or payment is not required to be made. Any Bondholder claiming any such exemption or to be such a person must provide the Company with such evidence as the Company may from time to time require to satisfy itself in respect of the validity of that claim.

(b) **Taxation indemnity from Bondholder**

If, in relation to any Bond, the Supervisor or the Company becomes liable to make any payment of or on account of tax payable by the Bondholder or in relation to any Bonds, the Supervisor and the Company shall each be indemnified by the Bondholder and the personal representatives or successor of that Bondholder (and, as concerns the Supervisor, also by the Company) in respect of any such liability, and any moneys paid by the Supervisor and the Company in respect of any such liability may be recovered by action from such Bondholder and the personal representatives or successor of such Bondholder (as the case may be) as a debt due to the Supervisor or the Company. Nothing in this Condition prejudices or affects any other right or remedy of the Supervisor or the Company.

4. Transfers and replacements of Bonds

4.1 Transfers

Bonds may be transferred in minimum Principal Amounts of \$1,000 or such lesser amount as the Company may from time to time permit subject to this Condition 4, provided that, following any such transfer each of the transferor (if it holds any Bonds following such transfer) and, the transferee holds Bonds, with a minimum Principal Amount of \$5,000 (or in the case of amounts held by NZX registered brokers and registered banks \$1,000) (the **Minimum Holding**).

4.2 Form of Transfer

Subject to these Conditions and the Deed, a Bondholder may transfer any Bond held by him or her by:

(a) **Written instrument**

a written instrument of transfer in the usual or common form signed by the transferor and the transferee; or

(b) **TCS Bancs system**

means of the settlement and registration system operated by NZX; or

(c) **Other method**

any other method of transfer of marketable securities which is not contrary to any law and which may be operated in accordance with any Listing Rules, and which is approved by the Company.

4.3 **Registration process**

(a) **Transfers other than through TCS Bancs**

The following provisions apply to instruments of transfer other than any transfer under Condition 4.2(b) the instrument of transfer must be left at the Registry accompanied by such evidence as the Registrar requires to prove the transferor's title to, or right to transfer, the Bonds including the relevant holder number, together with evidence that any applicable duties and taxes required to be paid by any relevant legislation in order for the Bonds to be transferred have been paid; and

(b) **Fees**

The Company will direct the Registrar not to charge a fee to any Bondholder for:

- (i) registering transfers of Bonds; or
- (ii) issuing transmission receipts in relation to Bonds; or
- (iii) using holder or secure identification numbers (FINs) in relation to Bondholders; or
- (iv) effecting conversions between sub-registers (if any) of the Register; or
- (v) noting transfer forms in relation to Bonds.

4.4 **Transfers must be registered**

Subject to this Condition 4, the Company must direct the Registrar not to refuse to register or fail to register or give effect to, a transfer of Bonds.

4.5 **Refusal to register transfers**

The Company may direct the Registrar to refuse to register any transfer of Bonds where these Conditions, the Deed, any Listing Rules or any applicable legislation permits, or requires the Company to do so.

4.6 Notice of refusal to register

Where registration of a transfer of Bonds is refused under Condition 4.5, the Company must direct the Registrar to give written notice of the refusal and the precise reasons for the refusal to the party lodging the transfer, if any, within five Business Days after the date on which the transfer was lodged. The failure to give such a notice will not invalidate the decision not to register.

4.7 Retention of transfers

The Company is to direct the Registrar to retain all instruments of transfer of Bonds which are registered, but any instrument of transfer of Bonds the registration of which was declined or refused (except on the ground of suspected fraud) is to be returned to the party lodging the transfer.

4.8 Powers of attorney

Any power of attorney granted by a Bondholder empowering the donee to deal with, or transfer Bonds, which is lodged, produced or exhibited to the Registrar will be deemed to continue and remain in full force and effect as between the Company, the Supervisor, the Registrar and the grantor of that power, and may be acted on, until express notice in writing that it has been revoked or notice of the death of the grantor has been received at the Registry.

4.9 Transmission by operation of law

Any person becoming entitled to any Bond by operation of law (including the death or bankruptcy of any Bondholder) may, upon producing such evidence of entitlement as is acceptable to the Company, obtain registration as the Bondholder of such Bond or execute a transfer of such Bond. This provision includes any case where a person becomes entitled as a survivor or persons registered as joint Bondholder.

4.10 Notices

All notices given to Bondholders in accordance with these Conditions will be irrevocable.

4.11 Sale of less than Minimum Holding

The Company may at any time give notice to any Bondholder holding less than a Minimum Holding of Bonds that if at the expiration of three months after the date the notice is given the Bondholder still holds Bonds which are less than a Minimum Holding, the Company may exercise the power of sale of those Bonds set out in this Condition 4.11. If that power of sale becomes exercisable:

- (a) the Company may arrange for the sale of those Bonds through NZX or in some other manner approved by NZX;
- (b) the Bondholder shall be deemed to have authorised the Company to act on the Bondholder's behalf and to execute all necessary documents for the purposes of that sale;
- (c) the Company shall account to the Bondholder for the net proceeds of sale of the Bonds (after deduction of reasonable sale expenses), which shall be held on trust for the Bondholder by the Company and paid to the Bondholder promptly following receipt; and

- (d) the title of a purchaser of any Bonds sold pursuant to this Condition 4.11 shall not be affected by any irregularity or invalidity in the exercise of the power of sale or the sale itself.

Schedule 2: Meeting of Bondholders

Pursuant to Regulation 77 of the FMC Regulations, this Schedule 2 shall govern proceedings at meetings of Bondholders other than to the extent prohibited under Regulation 77(2) of the FMC Regulations.

1. Convening meetings

(a) **Meeting required by law**

The Company shall, whenever required to do so pursuant to the Companies Act 1993, the FMCA, the FMC Regulations or any other applicable law, convene a meeting of the Bondholders.

(b) **Request for meeting**

The Company:

(i) at any time, may; and

(ii) upon a request in writing by:

(A) the Supervisor; or

(B) Bondholders holding together not less than 5 per cent of the aggregate Principal Amount of the Bonds then on issue and outstanding in that class;

must,

convene a meeting of the Bondholders. Whenever the Company convenes any such meeting it must give notice of such meeting in accordance with clauses 2 and 3 of this Schedule and the Company shall give notice to NZX (at any time while the Bonds are quoted) and to the Bondholders.

(c) **Place for meetings**

Meetings will be held in Auckland, or such other place as the Supervisor approves.

(d) **Nature of business**

Without limiting clause 3(b) below, any request by Bondholders holding together not less than 5 per cent of the aggregate Principal Amount of the Bonds then on issue and outstanding to convene a meeting must state the nature of the business proposed to be dealt with at the meeting.

(e) **Methods of holding meetings**

A meeting of Bondholders may be held by a quorum of Bondholders or their Representatives:

(i) being assembled together at the time and place appointed for the meeting;

(ii) participating in the meeting by means of audio, audio and visual, or electronic communication provided that the Supervisor approves such means and each

Bondholder or its Representative complies with any conditions imposed by the Supervisor in relation to the use of such means; or

- (iii) by a combination of both of the methods described in clause 1(e)(i) and (ii) of this Schedule above.

2. Notice to Bondholders

Notice of any meeting must be given to every Bondholder entered in the Register at the close of business 14 days prior to the date of despatch of the notice. Each notice shall be delivered either electronically (if so requested by the Bondholder or as otherwise provided for under law) to the email address provided by the Bondholder or by ordinary post to the address last entered in the Register in respect of a Bondholder.

3. Notice of meeting

(a) Notice period

At least 15 Business Days' notice (excluding the day on which the notice is given and including the day on which the meeting is held) specifying the day, time and place of meeting (the **Notice of Meeting**) must be given by the Company to:

- (i) every Bondholder entitled to receive notice of the meeting;
- (ii) the Supervisor;
- (iii) every director and the Auditor of the Company; and
- (iv) the NZX

(b) Contents of notice

A Notice of Meeting need not contain the agenda of the meeting, nor specify the terms of the resolutions to be proposed (except in the case of a resolution to be passed as an Extraordinary Resolution where the text of the proposed resolution must be set out), but must state:

- (i) the nature of the business to be transacted at the meeting in sufficient detail to enable a Bondholder to form a reasoned judgement in relation to it; and
- (ii) the right of a Bondholder to appoint a Representative.

(c) Additional requirements for notice if Extraordinary Resolution to be voted on

If an Extraordinary Resolution is to be submitted to the meeting:

- (i) a draft of the proposed Notice of Meeting must be given to the Supervisor at least 10 Business Days before such Notice of Meeting is given under clause 3(a) of this Schedule (or any lesser period approved by the Supervisor); and
- (ii) the Notice of Meeting, when given under clause 3(a) of this Schedule, must be accompanied by a document containing the Supervisor's comments on the proposed Extraordinary Resolution, provided that the Supervisor has provided those comments in writing to the Company at least 5 Business Days before the Notice of Meeting is given, or any lesser period approved by the Company.

(d) Waiver of irregularity in notice of meeting

An irregularity in a Notice of Meeting (including, for the avoidance of doubt a shorter notice period than that specified in clause 3.1(a) of this Schedule) is waived (and a meeting will be deemed to have been duly called) if:

- (i) all the Bondholders entitled to attend and vote at the meeting attend the meeting without protest as to the irregularity or if all such Bondholders agree to the waiver; or
- (ii) the Supervisor indicates at the meeting that the Supervisor is satisfied that the irregularity has not resulted in and is unlikely to result in any material prejudice to the Bondholders.

(e) Accidental omission

The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to notice (including NZX, but not the Company or the Supervisor) will not invalidate the proceedings of any meeting.

4. Chairperson

A person (who may, but need not, be a Bondholder) nominated in writing by the Supervisor will be entitled to chair every such meeting, but if no such nomination is made, or if at any meeting the person nominated is not present within 15 minutes after the time appointed for the holding of such meeting, the Bondholders present must choose one of their number to chair the meeting.

5. Quorum

Quorum requirements

A quorum for a meeting of Bondholders is present if:

(a) Meeting at which Extraordinary Resolution is to be submitted

at a meeting of Bondholders at which an Extraordinary Resolution is to be submitted, Bondholders or their proxies who hold (or represent) Bonds with a Principal Amount of no less than 25% of the nominal value of the Bonds held by those persons who are entitled to vote are present or have cast votes under clause 13 of this Schedule are present;

(b) Meeting at which other business to be considered

at any meeting of Bondholders other than a meeting of Bondholders of the kind described in clause 5(a) of this Schedule, two or more Bondholders holding or representing not less than 10 per cent of the aggregate Principal Amount of the Bonds then on issue and outstanding are present in person or by proxy.

No business may be transacted at any meeting unless the requisite quorum is present at the commencement of business. A Bondholder is present at a meeting for the purposes of this Schedule (and is part of the quorum) if that Bondholder is present in person or by Representative or is participating in that meeting by means of audio, audio and visual or electronic communication.

6. Lack of quorum and adjournment

(a) Adjournment for lack of quorum

If, within 30 minutes after the time appointed for any meeting of Bondholders, a quorum is not present:

- (i) in relation to a meeting called by the Company on receiving a request under clause 1(b)(ii)(B) of this Schedule, the meeting is dissolved; and
- (ii) in the case of any other meeting, the meeting will stand adjourned to the day that is 10 Business Days after the date appointed for the meeting at the same time and place, or to such other date, time and place as the Supervisor may appoint.

(b) Quorum at adjourned meeting

At an adjourned meeting, if a quorum is not present within 30 minutes after the time appointed for the meeting, two or more persons present in person or by proxy holding Bonds (whatever the number of Bonds so held or represented) will form a quorum and have the power to pass any resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place (including the passing of an Extraordinary Resolution) had a quorum been present at such meeting.

(c) Business at adjourned meeting

In addition to paragraph (a) above, the chairperson may with the consent of (and will if directed by) any meeting by way of ordinary resolution adjourn the same from time to time and from place to place, but no business may be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

(d) Notice of adjourned meeting

If a meeting of Bondholders is adjourned for less than 30 days, it is not necessary to give notice of the time and place of the adjourned meeting other than by announcement at the meeting that is adjourned.

7. Attendance and voting at meetings

(a) Attendance at meetings

Other than the Supervisor, the Company and their representatives (who may attend but may not vote (except in the case of the Supervisor where it is acting on behalf of a Bondholder)), no person will be entitled to attend and vote at any meeting of the Bondholders or to join with others in requesting the convening of any such meeting unless he or she is a person registered as Bondholder on the Register or is a Representative of such person.

(b) Voting at meetings

At a meeting, the persons registered as Bondholders in the Register at the Proxy Closing Time will be exclusively entitled to vote in respect of Bonds recorded in their name, in person or by Representative. For the purpose of establishing voting entitlements at a meeting, the Register will be closed as of close of business on the

Business Day on which the Proxy Closing Time falls and will remain closed until after the relevant meeting has been closed or adjourned.

(c) **Bondholder's representations**

The Supervisor, or any of its officers or employees, may be appointed as a Representative of a Bondholder.

(d) **Attendance of Supervisor**

The Company must ensure that the Supervisor:

- (i) is permitted to attend any meetings of Bondholders; and
- (ii) receives the notices and communications that any Bondholder is entitled to receive in relation to a meeting of Bondholders; and
- (iii) may be heard at any meetings of Bondholders on any part of the business of the meeting that concerns the Supervisor's functions or the Bondholders for whom the Supervisor is acting; and
- (iv) may appoint the chairperson of any meeting of Bondholders.

8. Proxies

(a) **In writing**

The instrument appointing a proxy must be in writing signed by the appointor or the appointor's attorney, or if the appointor is a corporation either under seal or signed on its behalf by an officer, attorney, director or other person who has actual authority to appoint a proxy on behalf of such corporation.

(b) **Right to speak**

A person appointed to act as a proxy need not be a Bondholder and a proxy of a Bondholder has the right to speak at the meeting.

(c) **Instrument of appointment**

The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a certified copy of such power or authority must be deposited at such place as (or a facsimile or scanned copy of such proxy and power of attorney must be received at such facsimile number or email address as) the Company may in the notice convening the meeting direct or (if no such place, facsimile number or email address is appointed) at the registered office of the Company not later than the Proxy Closing Time.

A proxy form shall be sent with each notice of meeting of Bondholders and:

- (i) shall, so far as the subject matter and form of the resolutions reasonably result, provide for 2-way voting on all resolutions, enabling the Bondholders to instruct the proxy as to the casting of the vote; and
- (ii) shall not be sent with any name or office (e.g. chairperson or directors of the Company) filled in as proxy holders.

So far as is practicable, resolutions shall be formed in a manner which facilitates 2-way voting instructions for proxy holders.

(d) **Form of instrument of appointment**

An instrument of proxy may be in any usual common form or in such other form as the Supervisor approves and may make provision for directions to be given by the appointor to vote in favour of or against any proposed resolution. In the absence of any such direction the proxy may vote as he or she sees fit.

(e) **Validity of proxy**

A proxy will, unless it states otherwise, be valid for any adjournment of the meeting as well as for the meeting to which it relates and need not be witnessed. Notwithstanding any provision contained in an instrument of proxy, no instrument of proxy will be valid after the expiration of 12 months from the date of its execution, although this provision does not apply to the appointment of an attorney or Representative otherwise than by an instrument of proxy.

(f) **Appointment of chairperson**

An instrument of proxy in favour of:

- (i) the chairperson of the Company; or
- (ii) the chairperson of the meeting, or “the Chairperson”,

(however expressed) will be valid and effectual as though it were in favour of a named person and will in the case of paragraph (i) above constitute the person holding the office of the chairperson of the Company and in the case of paragraph (ii) above the person who chairs the meeting for which the proxy is used (whether an adjournment or not) the lawful proxy of the appointor.

9. Rights of Representatives

A Representative of a Bondholder will have the right to speak at the meeting and to demand or join in demanding a poll and will (except and to the extent to which the Representative is specifically directed to vote for or against any proposal) have power generally to act at the meeting for the Bondholder concerned.

10. Voting procedure and polls

(a) **Voting on resolutions**

A resolution put to the vote of a meeting will be decided on a show of hands unless:

- (i) a poll is (before or on the declaration of the result of the show of hands) demanded by the chairperson or the Supervisor or by one or more Bondholders holding or representing not less than five per cent of the aggregate Principal Amount of the Bonds then on issue and outstanding; or
- (ii) the resolution to be voted on is an Extraordinary Resolution in which case a poll must be taken when voting on such Extraordinary Resolution.

Unless a poll is so demanded or required a declaration by the chairperson that a resolution has been carried or carried unanimously or by a particular majority or lost

will be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

(b) **Bondholders' entitlement to votes**

On a show of hands each person present at the meeting and entitled to vote (whether personally, by proxy or as a Representative) will have one vote only. On a poll every Bondholder who is present in person, by proxy or by a Representative will have one vote for each dollar of the Principal Amount of every Bond held by the Bondholder.

(c) **Conduct of poll**

If a poll is required, it will be taken in such manner as the chairperson may direct and the result of such poll will be deemed to be the resolution of the meeting at which the poll was required.

(d) **Timing of poll**

A poll demanded on the election of a chairperson or on a question of adjournment must be taken forthwith. A poll demanded on any other question must be taken either immediately or at such time (not being more than 30 days from the date of the meeting) and place as the chairperson may direct. The result of such poll will be deemed to be the resolution of the meeting at which the poll was demanded. No notice need be given of a poll.

(e) **Continuance of meeting following poll**

The demand for a poll will not prevent the continuance of a meeting for the transaction of business other than the question on which the poll has been demanded.

(f) **Voting on poll**

On a poll, votes may be given either personally or by Representative, and a person entitled to more than one vote need not use all such votes or cast all such votes in the same way.

(g) **Joint Bondholders**

In the case of joint Bondholders, the vote of the senior who tenders a vote, whether in person or by Representative, will be accepted to the exclusion of the votes of the other joint Bondholders, and for this purpose seniority will be determined by the order in which the names stand in the Register in respect of the joint holding.

(h) **Validity of votes cast**

A vote given in accordance with the terms of an instrument of proxy or power of attorney or other form will be valid notwithstanding the previous death, insanity or (in the case of a corporation) liquidation of the principal or revocation of the proxy or power of attorney or other form of appointment or the authority under which the proxy was executed or the transfer of the Bonds in respect of which the vote is given provided that no intimation in writing of such death, insanity, liquidation, revocation or transfer is received by the Supervisor or the Company at its registered office before the commencement of the meeting or adjourned meeting at which the proxy is used.

(i) **Resolution binding on Bondholders**
