

ASX ANNOUNCEMENT

Share Placement of \$250,000 to Cornerstone Investor

5th October 2016: Analytica Ltd (ASX: ALT), manufacturer of the PeriCoach® System, is pleased to announce the allotment of 35,714,286 shares (\$250,000) to cornerstone investor INOV8 LLC. The shares were issued at \$0.007. An Appendix 3B is attached.

This is the second of two tranches, totalling \$500,000 that was announced to the market on the 27th July 2016.

These funds, together with anticipated R & D tax incentive for 2016 and the expenditure reduction program, strengthens Analytica's cash position. Analytica continues to execute its development strategy of:

- Building best in class,
- Gathering evidence to show the product works,
- Proving market acceptance, and
- Negotiating a partnership with a corporation with the resources to commercialise across the world.

"INOV8 LLC increasing their investment expresses confidence in the potential of the PeriCoach system and our strategic development program" said Dr Monsour, Analytica Chairman. "This investment increases INOV8's holding to 12.24%, together with the strong support from major shareholder placements earlier this year adds to the stability of Analytica's capital base."

About Analytica Limited

Analytica's lead product is the PeriCoach® System – an e-health treatment system for women who suffer Stress Urinary Incontinence. This affects 1 in 3 women worldwide and is mostly caused by trauma to the pelvic floor muscles as a result of pregnancy, childbirth and menopause.

PeriCoach comprises a device, web portal and smartphone app. The device evaluates activity in pelvic floor muscles. This information is transmitted to a smartphone app and can be loaded to a cloud database where physicians can monitor patient progress via web portal. This novel system enables physicians to remotely determine if a woman is performing her pelvic floor exercises and if these are improving her condition. Strengthening of the pelvic floor muscles can also potentially improve sexual sensation or satisfaction and orgasm potential in some women.

PeriCoach has regulatory clearance in Australia, and has CE mark and USFDA 510(k) clearance. The product is available for sale from pericoach.com in Australia and New Zealand, UK and Ireland, and in the USA.
