Appointment of Chief Financial Officer

Sigma Pharmaceuticals Limited (Sigma) is pleased to announce that Ms. Iona MacPherson has been appointed to the position of Chief Financial Officer, effective 2 November 2016.

Iona is an ASX listed Executive with experience across a range of industries. Her most recent position was CFO and Company Secretary for UXC Limited and prior to that she spent over 7 years as CFO and Company Secretary of Boom Logistics Limited.

Chief Executive Officer, Mark Hooper, said "We are delighted to have secured the talents of such an accomplished CFO. Iona's financial and risk management expertise is well complemented by her detailed knowledge of logistics and contract negotiations, which will be of great value in helping to further drive Sigma's performance."

Iona holds a Bachelor of Administration (Accounting & Law) from the University of Dundee in Scotland, is a qualified Chartered Accountant, and a graduate of the Australian Institute of Company Directors.

This appointment facilitates the smooth transition of Mr. Jeff Sells into the newly created position of Executive General Manager Strategy and Business Development which will more effectively support Sigma's business development and strategy activities.
