1 +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2 We warrant the following to ASX.

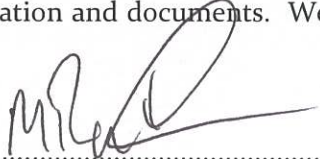

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.

- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.

CHORUS LIMITED
(incorporated with limited liability in New Zealand)
Guaranteed by
Chorus New Zealand Limited
(incorporated with limited liability in New Zealand)
U.S.\$2,000,000,000
Euro Medium Term Note Programme

Under the Euro Medium Term Note Programme described in this Information Memorandum (the "**Programme**"), Chorus Limited (the "**Issuer**" or "**Chorus**") may from time to time issue notes (the "**Notes**") unconditionally and irrevocably guaranteed by Chorus New Zealand Limited (the "**Original Guarantor**") and any other Guarantors (as defined below) from time to time.

For the listing of any Notes which are agreed at the time of issue thereof to be listed on the Australian Securities Exchange ("**ASX**") operated by ASX Limited (ABN 98 008 624 691) ("**ASX Limited**"), application will be made by the Issuer to ASX Limited. There is no assurance that the application to ASX Limited for listing of the Notes will be approved. Any Notes which are listed on the ASX will not be transferred through, or registered on, the Clearing House Electronic Sub-Register System ("**CHES**") operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be "Approved Financial Products" for the purposes of that system. Interests in the Notes will instead be held in, and transferred through, Euroclear and/or Clearstream, Luxembourg, and/or in relation to any Tranche (as defined below) of Notes, any other clearing system as may be agreed with the Issuer. The Programme also permits Notes to be issued on the basis that they will not be admitted to listing, trading, and/or quotation by any competent authority, stock exchange and/or quotation system or to be admitted to listing, trading and/or quotation by such other or further competent authorities, stock exchanges and/or quotation systems as may be agreed with the Issuer. The relevant Pricing Supplement (as defined below) in respect of any Tranche of Notes will specify whether or not such Notes will be listed or quoted.

The ASX assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Information Memorandum, or the merits of the investments to which this Information Memorandum relates. Listing of any Notes on the ASX is not to be taken as an indication of the merits of the Issuer, the subsidiaries and associated companies of the Issuer, the Programme or the Notes.

Tranches of Notes may be rated or unrated. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Pricing Supplement. Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies (the "**CRA Regulation**") will be disclosed in the relevant Pricing Supplement. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration has not been refused. A rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

Credit ratings are for distribution in Australia only to a person (a) who is not a "retail client" within the meaning of section 761G of the Corporations Act 2001 (Cth) of Australia (the "**Australian Corporations Act**") and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Part 6D.2 or 7.9 of the Corporations Act 2001 of Australia, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives this Information Memorandum must not distribute it to any person who is not entitled to receive it.

Investing in Notes issued under the Programme involves certain risks. The principal risk factors that may affect the abilities of the Issuer and the Original Guarantor to fulfil their respective obligations under the Notes are discussed under "Risk Factors" below.

IMPORTANT NOTICES

Each of the Issuer and the Original Guarantor (together, the "**Responsible Persons**") accepts responsibility for the information contained in this Information Memorandum and declares that, having taken all reasonable care to ensure that such is the case, the information contained in this Information Memorandum is, to the best of its knowledge, in accordance with the facts and contains no omission likely to affect its import.

Each Tranche (as defined herein) of Notes will be issued on the terms set out herein under "*Terms and Conditions of the Notes*" (the "**Conditions**") and any other terms and conditions not contained herein will be set out in a document specific to such Tranche called a pricing supplement (the "**Pricing Supplement**"). This Information Memorandum must be read and construed together with any supplements hereto and, in relation to any Tranche of Notes which is the subject of Pricing Supplement, must be read and construed together with the relevant Pricing Supplement.

The Issuer and the Original Guarantor have confirmed to the Dealers named under "*Subscription and Sale*" below that this Information Memorandum contains all information which is (in the context of the Programme, the issue, offering and sale of the Notes and the guarantee of the Notes) material; that such information is true and accurate in all material respects and is not misleading in any material respect; that any opinions, predictions or intentions expressed herein are honestly held or made and are not misleading in any material respect; that this Information Memorandum does not omit to state any material fact necessary to make such information, opinions, predictions or intentions (in the context of the Programme, the issue, offering and sale of the Notes and the guarantee of the Notes) not misleading in any material respect; and that all proper enquiries have been made to verify the foregoing.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Information Memorandum or any other document entered into in relation to the Programme or any information supplied by the Issuer or the Original Guarantor or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by the Issuer, the Original Guarantor or any Dealer.

None of the Dealers, the Trustee nor any of their respective affiliates have authorised the whole or any part of this Information Memorandum and none of them makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained in this Information Memorandum. Neither the delivery of this Information Memorandum or any Pricing Supplement nor the offering, sale or delivery of any Note shall, in any circumstances, create any implication that the information contained in this Information Memorandum is true subsequent to the date hereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the prospects or financial or trading position of the Issuer or the Original Guarantor since the date thereof or, if later, the date upon which this Information Memorandum has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Information Memorandum and any Pricing Supplement and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Information Memorandum or any Pricing Supplement comes are required by the Issuer, the Original Guarantor and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Information Memorandum or any Pricing Supplement and other offering material relating to the Notes, see "*Subscription and Sale*". In particular, the Notes and the guarantees thereof have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the "**Securities Act**") and are subject to

U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons.

Neither this Information Memorandum nor any Pricing Supplement constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuer, the Original Guarantor, the Dealers, the Trustee or any of them that any recipient of this Information Memorandum or any Pricing Supplement should subscribe for or purchase any Notes. Each recipient of this Information Memorandum or any Pricing Supplement shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer and the Original Guarantor.

The maximum aggregate principal amount of Notes outstanding and guaranteed at any one time under the Programme will not exceed U.S.\$2,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into U.S. dollars at the date of the agreement to issue such Notes (calculated in accordance with the provisions of the amended and restated programme agreement dated 28 September 2016 ("**Programme Agreement**"))). The maximum aggregate principal amount of Notes which may be outstanding and guaranteed at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Programme Agreement.

In this Information Memorandum, unless otherwise specified, references to a "**Member State**" are references to a Member State of the European Economic Area, references to "**U.S.\$**" or "**U.S. dollars**" are to the lawful currency of the United States of America from time to time, references to "**EUR**" or "**euro**" are to the currency introduced at the start of the third stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No 974/98 of 3 May 1998 on the introduction of the euro, as amended, references to "**£**" or "**GBP**" are to the lawful currency of the United Kingdom from time to time, and references to "**NZD**", "**NZ\$**" and "**New Zealand dollars**" are to New Zealand dollars. The expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

References to the "**Chorus Group**" are to the Issuer and its wholly-owned subsidiaries, including the Original Guarantor, and references to the "**Crown**" are to Her Majesty the Queen acting in right of New Zealand. References to "**premises**" in connection with the Chorus Group's network are to a single building or structure located on a defined geographical site (such as may be evidenced by a certificate of title), which has a unique physical address recognised by New Zealand Post Limited ("**NZ Post**"), and is occupied by or could readily be occupied by a potential end-consumer.

The Issuer has prepared audited consolidated financial statements as at and for the years ended 30 June 2016 and 30 June 2015. The Original Guarantor has not published, and does not propose to publish, any separate financial statements.

Certain figures and percentages included in this Information Memorandum have been subject to rounding adjustments; accordingly, figures and percentages shown for the same category presented in different tables may vary slightly and figures and percentages shown as totals in certain tables may not be an arithmetic aggregation of the figures or percentages which precede them.

This Information Memorandum has been prepared on the basis that, except to the extent subparagraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (2003/71/EC) (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Information Memorandum as completed by a Pricing Supplement in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer, the Original Guarantor or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus

Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, **provided that** any such prospectus has subsequently been completed by a Pricing Supplement which specifies that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or pricing supplement, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer, the Original Guarantor nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer, the Original Guarantor or any Dealer to publish or supplement a prospectus for such offer.

This Information Memorandum is not, and is not intended to be, a disclosure document within the meaning of section 9 of the Australian Corporations Act, or a Product Disclosure Statement for the purposes of Chapter 7 of the Australian Corporations Act. No action has been taken by the Issuer or any Guarantor that would permit a public offering of Notes in Australia. In particular, this Information Memorandum has not been lodged with the Australian Securities and Investments Commission. It is not intended to be used in connection with any offer for which such disclosure is required and does not contain all the information that would be required by those provisions if they applied. It is not to be provided in Australia to any "retail client" as defined in section 761G of the Australian Corporations Act. None of the Issuer or the Guarantors are licensed to provide financial product advice in respect of the Notes or the Guarantee. Cooling-off rights do not apply to the acquisition of the Notes.

Certain statements contained in this Information Memorandum, including those set out under "*Risk Factors*" and "*Description of the Chorus Group's Business*", and those incorporated by reference, constitute "forward-looking statements". These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believe", "estimate", "anticipate", "intend", "may", "will" or "should" or in each case their negative, or other variations or comparable terminology. Such forward-looking statements involve risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Chorus Group, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such risks, uncertainties and other factors include, among others, general economic and business conditions, industry trends, competition, changes in government regulation, currency fluctuations, changes in operating strategy or development, political and economic uncertainty and other risks described in "*Risk Factors*". There can be no assurance that the results and events contemplated by the forward-looking statements contained in this Information Memorandum will, in fact, occur. These forward-looking statements speak only as at the date of this Information Memorandum. The Issuer and the Original Guarantor will not undertake any obligation to release publicly any revisions to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this Information Memorandum except as required by law or by any appropriate regulatory authority.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Pricing Supplement may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

Stabilising activities are not permitted in Australia in circumstances where such action could reasonably be expected to affect the price of Notes or other securities traded in Australia or on a financial market (as defined in the Australian Corporations Act) operated in Australia.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, the Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. A summary of the terms and conditions of the Programme and the Notes appears below. The applicable terms of any Notes will be agreed between the Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or endorsed on, such Notes, as more fully described under "*Form of the Notes*" below.

The aggregate principal amount of Notes outstanding and guaranteed at any time will not exceed U.S.\$2,000,000,000 or its equivalent in other currencies, subject to increase as described below. RISK FACTORS

Prospective investors should read and carefully consider the entire Information Memorandum, including the risks and uncertainties described below. Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Information Memorandum have the same meanings in this section.

The Issuer and the Original Guarantor believe that the following factors may affect their ability to fulfil their obligations under Notes issued under the Programme and the Guarantee. All of these factors are contingencies which may or may not occur and the Issuer and the Original Guarantor are not in a position to express a view on the likelihood of any such contingency occurring. Factors which the Issuer or the Original Guarantor believe may be material for the purpose of assessing the market risks associated with Notes issued under the Programme and the Guarantee are also described below. Additional risks not currently known to the Issuer or the Original Guarantor or that they now deem immaterial may also adversely affect the Issuer or the Original Guarantor or affect an investment in the Notes.

Risks relating to the Issuer

The Issuer is a holding company, and accordingly substantially all of its assets consist of its shareholding in subsidiary companies within the Chorus Group. As such, a further activity of the Issuer is to provide financing to subsidiary companies within the Chorus Group and to refinance these obligations. The ability of the Issuer to satisfy its obligations under the Notes will depend upon dividend payments and/or other payments to the Issuer by the subsidiary companies within the Chorus Group and/or financial support it may obtain from the Original Guarantor. The assets of the Issuer should not therefore be primarily relied upon by prospective investors in making an investment decision to purchase the Notes. Rather, any investment decision to purchase the Notes should be based primarily on the strength of the Original Guarantor.

Risks relating to the regulatory environment in which the Chorus Group operates

Regulation of services may adversely affect the Chorus Group's business

At the date of this Information Memorandum, the majority of the Chorus Group's revenue comes from services that are controlled by regulation (in the case of many copper services) or contract (in the case of many fibre services), as discussed below.

For the year ended 30 June 2016, approximately 70% of the Chorus Group's revenue came from regulated copper services under terms (price and non-price) set in determinations made from time to time by the New Zealand Commerce Commission (the "**Commerce Commission**") under the Telecommunications Act 2001 of New Zealand (the "**Telco Act**").

The Commerce Commission can amend the terms of these, and the Chorus Group's other, services. For example, in December 2015 the Commerce Commission reset the Chorus Group's regulated copper prices for a five year period after a two phased, four year process. The first phase resulted in a significant reduction in the Chorus Group's revenue, necessitating a major reshaping of the Chorus Group's business (including amendment of some of its financing arrangements and suspension of dividends). While the second phase resulted in prices that were higher than the 'phase one' prices, they remain lower than the prices at the time the process commenced.

The price and non-price regulatory terms currently applying to these services apply for five years from December 2015. Accordingly, there is no certainty as to the price and non-price terms which may apply to these services after that date (although the New Zealand Government has commenced a review of the Telco Act under which these terms are expected to be set – see "*The regulatory regime applicable to the Chorus Group is under review and may fundamentally change in the future*" below).

The Commerce Commission can also recommend to the Minister for Communications that services not currently regulated be regulated and vice versa. For example, the Commerce Commission has commenced a review of the terms of the UBA Standard Terms Determination ("**UBA STD**") that relate to whether the service is 'fit for purpose'. It is not possible to predict the outcome of this review. However, the Commerce Commission may decide changes to the service non-price terms or prices.

Outcomes from the above, or further, reviews could adversely impact the Chorus Group's operations, market share, competitiveness, financial performance and financial position as could future government policies, ministerial decisions, regulator decisions or other regulatory outcomes.

For the year ended 30 June 2016, approximately 13% of the Chorus Group's revenue came from fibre services with terms set under the UFB Agreement (as defined below) until the end of 2019 ("**UFB services**"). Although UFB services are not currently regulated, the Commerce Commission could seek to regulate those, and the Chorus Group's other fibre, services, including before 2020.

The UFB Agreement includes a mechanism for the Chorus Group to seek compensation from Crown Fibre Holdings Limited ("**CFH**") if regulatory determinations have an adverse impact before 2020. This compensation mechanism is limited to NZ\$350 million of economic compensation from adjusting arrangements under the existing contracts and will not involve CFH paying the Chorus Group any amounts above the agreed approximately NZ\$929 million investment. As a result, the compensation mechanism may not result in the Chorus Group being adequately compensated.

The regulatory regime applicable to the Chorus Group is under review and may fundamentally change in the future

As part of its regulatory review programme, in September 2015 the New Zealand Government commenced a review of the Telco Act. Further publicly released documents in April and July 2016 proposed that a building block regulatory framework be put in place for copper and fibre services. The proposed form of regulatory control is a revenue cap with some price capped services set by the regulator as well as information disclosure. It is also proposed that there is asymmetric downside risk on the revenue cap for Chorus and regulatory approval for capital expenditure.

The review is expected to establish the framework in which regulated service specifications, prices and non-price terms will be set for copper-based and fibre-based services from 2020 onwards and the New Zealand Government has indicated that it anticipates passing legislation in 2017 with Commerce Commission implementation thereafter.

Any regulatory framework resulting from the review may cover all, or only some, of the Chorus Group's existing and/or future services. Accordingly, there is no certainty regarding the regulated terms of the Chorus Group's services from 2020. The prices set under any new regulatory framework may be lower than current prices and/or the quality requirements may differ.

Changes in regulation may require significant further investment without substantial return and have other consequences

Any regulation affecting the relative prices between copper and fibre services may impact demand for those services or an unbundled form of such services. For instance, fibre uptake may be negatively affected by regulation setting copper-based products and services at a price significantly lower than comparable fibre-based services.

Changes to service specifications and/or non-price terms under any regulatory regime may also require the Chorus Group to invest in its network or do other things without price increases, other compensation, or in ways which do not provide it with appropriate cost recovery or an adequate return on investment.

Any such changes may adversely affect the Chorus Group's revenue and profitability.

Future government policies, ministerial decisions, regulator decisions or other regulatory outcomes could adversely impact the Chorus Group's operations, market share, competitiveness, financial performance and financial position.

The Chorus Group is subject to other material regulation

The Chorus Group is subject to other regulatory determinations of the Commerce Commission including annual fibre information disclosure requirements, a contribution towards the Telecommunications Development Levy ("TDL") imposed under the Telco Act and Commerce Commission costs. In addition to enforceable regulatory determinations of the Commerce Commission, the Chorus Group is subject to other obligations including open access obligations and telecommunications service obligations under deeds with the Crown. Non-compliance with these requirements could result in inquiries, investigations, litigation and fines. Such circumstances, and or future changes to requirements, may adversely impact revenue and costs.

Furthermore, certain regulatory and legislative rules limit the Chorus Group's ability to pursue certain business opportunities and activities and consequently, may affect the returns it can generate on its assets. There can be no assurances gained by the Chorus Group as to future policies, ministerial decisions or regulatory outcomes it may face which could adversely impact the Chorus Group's operations, market share, competitiveness and financial performance.

Further information on regulation applicable to the Chorus Group is set out under the heading "*Description of the Chorus Group's Business – Regulation of the Chorus Group*" below.

Regulatory proceedings and investigations

Regulatory proceedings and investigations in relation to the Chorus Group may in the future require considerable resources and management attention to be diverted to them, which may adversely affect the Chorus Group's business and results of operations.

Further information on the Chorus Group's regulatory environment is set out under "*Description of the Chorus Group's Business – Regulatory reviews and litigation*" and under "*Description of the Chorus Group's Business – Regulation of the Chorus Group*" below.

Risks relating to the Chorus Group's services and business

The Chorus Group faces risks associated with undertaking large projects

The Chorus Group maintains, builds and operates a nationwide fixed line communications network including copper and fibre optic lines and related infrastructure and technologies connecting homes, schools, hospitals and business throughout New Zealand. The Chorus Group sells wholesale services to its retail service provider customers who then sell broadband and voice services to end-consumers.

Under the UFB Agreement, Chorus is contracted to build, operate and connect a new fibre optic network for approximately 70% of the first stage of the New Zealand Government's ultrafast broadband ("UFB") programme (which is expected to pass approximately 75% of New Zealand's population).

Chorus faces the risks typical to large scale, long duration infrastructure and construction projects, including:

- underestimating costs or required timeframes;
- unanticipated delays in obtaining materials and equipment;

- shortages of labour or materials and equipment;
- increases in the cost of materials or labour that exceed inflation assumptions;
- increases in the cost of materials or equipment resulting from foreign exchange movements;
- engineering problems;
- work stoppages, particularly labour disputes at third party contractors;
- difficulties or delays in obtaining permits and approvals; and
- interruptions from adverse weather conditions.

Any of these factors could result in the Chorus Group failing to meet its timetable and budget estimates.

There are also potentially significant consequences (including financial) for Chorus under the UFB Agreement if it breaches its UFB design, build, delivery or operation obligations, including:

- potentially significant default payments if Chorus fails to meet performance milestones or service levels;
- potentially significant damages claims or specific performance for other breaches;
- for prolonged or significant performance failure, CFH may be able to exercise management step-in rights, require payment of liquidated damages (up to NZ\$50,000 per day for up to 6 months) and/or terminate the UFB Agreement. CFH and the Issuer have agreed, for the benefit of the Chorus Group's senior financiers, the obligation to pay these liquidated damages will be subordinated to senior indebtedness of the Issuer.

Timetable delays may also delay the revenues that the Chorus Group would otherwise earn from delivering UFB services. Substantial increases in the cost of the project could adversely affect the Chorus Group's return on investment, future profitability and its ability to raise capital on acceptable terms.

Demand for fibre services may be volatile

At the date of this Information Memorandum, the number of end-consumers choosing the Chorus Group's fibre network continues to grow and the Chorus Group is continuing to increase its capability to meet this demand. However, failure by the Chorus Group to manage demand may result in reputational damage or lead to breaches of the UFB Agreement. Increasing demand may also result in the acceleration of operating and capital expenditure and funding requirements for the Chorus Group. Rapid growth in network traffic could also constrain parts of the Chorus Group's network necessitating further significant investment.

The demand for fibre provided by the Chorus Group may be affected by fibre networks built by other "local fibre companies" ("**LFCs**") in the approximately 30% of UFB candidate areas not awarded to the Chorus Group in the first stage of the New Zealand Government's UFB programme, and competing services built by third parties under the second UFB programme ("**UFB2**") and/or the second rural broadband programme ("**RBI2**") in areas in which the Chorus Group does not participate or which are not awarded to the Chorus Group. See further under "*Demand for the Chorus Group's services may decrease as a result of market factors*" below.

The Chorus Group's future revenues and profitability will be affected by both the level of fibre uptake and the mix of fibre services sold between basic plans and higher-priced premium services. Because an end-consumer's uptake of fibre will often be accompanied by an offsetting loss of revenue as the end-consumer disconnects from the copper network, the

Chorus Group bears the cost of initially connecting premises to the fibre network and the profitability of fibre services depends on the mix between lower priced basic plans and higher priced premium services, the Chorus Group's profitability may be adversely affected by uptake that is either too low, too high or that is overly weighted to basic services.

The Chorus Group is dependent on third party contractors and suppliers

The Chorus Group engages a number of external suppliers to build, operate and maintain its network and to supply services, equipment and materials. Significant failure by these parties could impact the Chorus Group's ability to meet its other obligations. For example, failure of a service provider could result in Chorus breaching the UFB Agreement and could affect the Chorus Group's financial position and performance.

The Chorus Group is dependent upon its skilled employees

The Chorus Group is dependent upon skilled and experienced employees to provide its services. Employee exposure to significant work related pressures over recent years from the implementation of regulatory and transformational initiatives (including from the UFB process), the extended uncertainty about the Chorus Group's future structure in a UFB environment and increasing international employment opportunities pose a risk to the Chorus Group's ability to retain experienced and skilled people and institutional knowledge. If the Chorus Group is unable to attract and retain employees with key technical, service or institutional knowledge, this may impact the Chorus Group's ability to deliver its future plans and materially affect its financial performance.

Health and safety

Keeping people healthy and safe is a priority of the Chorus Group. No business objective will be prioritised over the health and safety of any person in the Chorus Group's work environments. Key risks in the field include working at heights and in confined spaces, driving, asbestos, and striking other networks and electrocution. The Chorus Group is committed to taking all reasonably practicable steps to ensure a safe and secure environment (including employees and contractors) and anyone who is in, or in the vicinity of, its workplaces. The Chorus Group has a significant programme of work focused on continued improvement to health and safety practices, and it continues to work closely with contractors on reducing the risk of work related injuries.

The Chorus Group's network may be constrained, damaged or interrupted

Rapid growth in network traffic could constrain parts of the Chorus Group's network necessitating further investment to provide additional capacity. For instance, during the year ended 30 June 2016 monthly fibre order volumes grew by 60%. This has necessitated a rapid increase in the workforce of the Chorus Group and its service company partners, which saw the quality of some installations fall below expected standards. At the date of this Information Memorandum, the Chorus Group is continuing to address this issue.

The Chorus Group's network infrastructure is vulnerable to damage or interruption from a range of risks, including equipment failure, cable cuts, power failures, weather, earthquake, fire and intentional damage.

Interruption to the operations of the Group's network could also result in lost revenue, capital expenditure, higher operating costs, reputational damage and liability to customers.

The Chorus Group relies on IT systems

The Chorus Group's own information technology ("IT") systems, and those third party systems on which it relies (including shared legacy systems with Spark New Zealand Limited ("**Spark**")), sit within a complex technical and operating environment. This environment continues to grow in complexity as systems are progressively transitioned from third parties and as copper to fibre migration continues. These systems also face risks of failure.

The Chorus Group has incident, continuity and emergency management capability in order to address business disruption events and mitigate associated risks, including those relating to operation of the Chorus Group's network and IT systems and those of third parties on which it relies. However, no assurance can be provided that a major failure will not occur requiring significant and additional unexpected expenditure. Any interruption to the operations of the Chorus Group's network could result in lost revenue, additional capital expenditure requirements, higher operating costs, damage to the Chorus Group's reputation and liability to customers. If failures occur in the new UFB network, it may significantly affect end-consumer perceptions of the reliability of the network and result in lower fibre uptake.

The Chorus Group may require significant capital resources to fund its business

The Chorus Group has large funding requirements related to the construction of its new fibre network. The Chorus Group's ability to maintain an appropriate capital structure for its financial profile, either by refinancing debt on favourable terms or by raising new debt, may be adversely affected if it experiences a decline in its operating performance or revenues, there is a material and unexpected increase in capital expenditure, if financial market conditions are volatile or if it is unable to maintain its credit rating.

This could limit the Chorus Group's access to funding and/or increase its funding costs.

Risks relating to the Chorus Group's customer base and the market for its products and services

Demand for the Chorus Group's services may decrease as a result of market factors

The Chorus Group's revenue may reduce from any one or more factors, including customers and/or end-consumers:

- using lines provided by third parties instead of those provided by the Chorus Group, including the lines of other LFCs in the approximately 30% of UFB candidate areas not awarded to the Chorus Group in the first stage of the New Zealand Government's UFB programme. This exposes the Chorus Group to increased fixed line competition in those areas, as the LFCs look to take market share within the fixed line access market by entering into contracts with retail service providers ("**RSPs**") to migrate end-consumers over time from the Chorus Group's copper based products and services to the LFC fibre based products and services. As the LFCs complete their networks and attract customers, the Chorus Group is likely to lose market share and revenue in those areas as end-consumers disconnect from the copper network. This is likely to have an adverse impact on the Chorus Group's earnings and profitability;
- using mobile or other technologies instead of the Chorus Group's lines, or shifting to lower cost services provided by the Chorus Group. If such substitution increases within the New Zealand market, the Chorus Group could experience a decline in the total number of fixed access lines across both the copper and fibre access network. This in turn would have an adverse impact on the Chorus Group's revenue and profitability; and/or
- using other alternative infrastructure and services instead of those provided by the Chorus Group. For example, the New Zealand Government has released a tender process for a second UFB programme (UFB2) to extend the build of fibre from 75% to around 80% of New Zealand and has indicated a second rural broadband tender programme (RBI2) yet to be released. The timing, outcomes and impacts of these programmes are uncertain. If Chorus participates in these programmes material additional capital investment may be required. Third parties may build competing services in areas in which the Chorus Group does not participate.

The above risk factors either individually or in combination may reduce the Chorus Group's revenues, increase its costs or otherwise adversely impact its financial position and

performance. These risks could be increased if the Chorus Group fails to deliver adequate performance and an appropriate experience to its customers and end-consumers.

Concentration of the customer base

The Chorus Group has a concentrated customer base consisting predominantly of a small number of RSPs. The concentration of the Chorus Group's customer base heightens the risk that a dispute with a customer, or a customer's failure to pay for services (whether as a result of a dispute or a customer experiencing financial difficulty), will have a material adverse effect on the Chorus Group's cash flow and financial position.

Future carrying value of assets

Assessing the appropriateness of useful life and residual value estimates of network assets requires a number of factors to be considered such as the physical condition of the asset, expected period of use of the asset by the Chorus Group, technological advances, regulation and expected disposal proceeds from the future sale of the asset.

At the date of this Information Memorandum, the regulatory environment continues to have a significant impact on the operating environment of the Chorus Group, including its future cash flows. Changes in regulation, as well as volatility in uptake of fibre and demand for the Chorus Group's services, may result in impairments or write downs of the carrying value of the Chorus Group's assets. If realised, these outcomes may reduce the Chorus Group's earnings performance over time and weaken its balance sheet.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Prior to their maturity, the secondary market value of Notes may also be influenced by many factors including, without limitation, the operating performance of the Chorus Group, prevailing interest rates, market sentiment or risk aversion generally.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes and the Original Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease:

- (i) the Investor's Currency-equivalent yield on the Notes;
- (ii) the Investor's Currency-equivalent value of the principal payable on the Notes; and

(iii) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Inflation risk

Noteholders may suffer erosion on the return of their investments due to inflation. Noteholders would have an anticipated rate of return based on expected inflation rates on the purchase of the Notes. An unexpected increase in inflation could reduce the actual returns.

Global financial turmoil has in the past led to volatility in international capital markets which may adversely affect the market price of the Notes

Global financial turmoil has in the past resulted in substantial and continuing volatility in international capital markets. Any future deterioration in global financial conditions could have a material adverse effect on worldwide financial markets, which may adversely affect the market price of the Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The rating(s) (if any) of the Notes will be specified in the applicable Pricing Supplement. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of registered and certified rating agencies published by ESMA on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Certain information with respect to the credit rating agencies and ratings will be disclosed in the applicable Pricing Supplement.

A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

An issue may not proceed

The Issuer may decide not to proceed with an issue of Notes under the Programme. Where this is the case, the investor will have no rights against the Issuer or the Guarantors in relation to any expense incurred or loss suffered.

Risks related to Notes generally

Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each investor should have (either alone or with the help of a financial adviser):

- (i) sufficient knowledge and experience in financial and business matters to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes, and the information contained in this Information Memorandum and any applicable supplement or Pricing Supplement;
- (ii) access to, and knowledge of, appropriate analytical tools to evaluate the merits and risks an investment in the Notes and the impact the Notes will have on its overall investment portfolio in the context of its particular circumstances;
- (iii) sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) a thorough understanding of the terms and conditions of the Notes and be familiar with the behaviour of any relevant indices and financial markets;
- (v) the ability to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect an investment in the relevant Notes and its ability to bear the applicable risks; and
- (vi) the expertise to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact on the investor's overall investment portfolio.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios.

Particular issues of Notes may not be an appropriate investment for investors who are inexperienced with respect to:

- (i) the applicable interest rate indices, currencies, other indices or formulas, or redemption or other rights or options; and
- (ii) investments where the amount of principal and/or interest payable (if any) is based on the price, value, performance or some other factor and/or the creditworthiness of one or more entities; or investments where a currency of payment and the investor's currency are different.

Events of Default

Before the Trustee can accelerate the Notes following the occurrence of certain Events of Default, it must certify that the occurrence of such event is materially prejudicial to the interests of the Noteholders.

Modification, waivers and substitution

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all

Noteholders, including Noteholders who did not attend and vote at the relevant meeting and investors who voted in a manner contrary to the majority.

The conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, Receiptholders or Couponholders, agree to:

- (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes, the Conditions, the Agency Agreement or the Trust Deed, or determine that any Event of Default or Potential Event of Default shall not be treated as such; or
- (ii) any modification which is of a formal or minor or technical nature or is made to correct a manifest error; or
- (iii) the substitution of the Original Guarantor or any other Subsidiary as principal debtor under the Trust Deed and in relation to the Notes, Receipts and Coupons of any Series in place of the Issuer, in the circumstances described in Condition 18(c).

Change of law

The conditions of the Notes are based on English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the Issue Date of the relevant Notes.

Changes in law, including a change to the Issuer's legal status, control or tax residence and changes to the law governing the Notes, may alter the rights of investors from those at the time of the issue and may impact on the ability of an investor to enforce its rights as they existed at the Issue Date.

Further, changes in governmental policy and regulation may also have an impact on the Issuer and/or the Guarantors. In addition to changes in laws and regulations, the policies and practices of government regulators may change and political and diplomatic developments may have an unexpected or adverse impact on the terms and conditions of the Notes.

Notes where denominations involve integral multiples: Definitive Notes

In relation to Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such case an investor who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a Definitive Note in respect of such holding (should Definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If Definitive Notes are issued, holders should be aware that Definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

The Guarantees provided by the Guarantors may be limited by applicable laws or subject to certain defences that may limit their validity and enforceability

The Guarantees given by the Guarantors provide holders of Notes with a direct claim against the relevant Guarantor in respect of the Issuer's payment obligations under the Notes. Enforcement of each Guarantee would be subject to certain generally available defences. Local laws and defences may vary, and may include those that relate to corporate benefit (*ultra vires*), fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, liability in tort, subordination and capital maintenance or similar laws and concepts. They may also include regulations or defences which affect the rights of creditors generally.

If a court were to find a Guarantee given by a Guarantor, or a portion thereof, void or unenforceable as a result of such local laws or defences, holders would cease to have any claim in respect of that Guarantor and would be creditors solely of the Issuer and any remaining Guarantors and, if payment had already been made under the relevant Guarantee, the court could require that the recipient return the payment to the relevant Guarantor.

Risks related to a particular issue of Notes

The risks of a particular Note will depend on the terms of the relevant Note, but may include, without limitation, the possibility of significant changes in:

- (i) the values of the applicable currencies, commodities, interest rates or other indices or formulae; or
- (ii) the price, value, performance or any other applicable factor relating to one or more securities, assets or other property; or
- (iii) the creditworthiness of entities other than the Issuer or the Guarantors.

Such risks generally depend on factors over which the Issuer and the Guarantors have no control and which cannot readily be foreseen, such as economic and political events and the supply of and demand for the relevant currencies, commodities, securities, assets or other property. Neither the current nor the historical price, value or performance of:

- (i) the relevant currencies, commodities, interest rates or other indices or formulae; or
- (ii) the relevant classes of securities, assets or other property; or
- (iii) the relevant entities,

should be taken as an indication of future price, value or performance during the term of any Note.

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value and the secondary market of the Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Dual Currency Notes

The Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated.

Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;

- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected; and
- (iv) the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero, so they may lose all or a substantial portion of their principal.

Partly Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

An investment in fixed rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of such fixed rate notes. Increases in relevant interest rates may adversely affect the market value of the Notes.

Notes issued at a substantial discount or premium

The market values of Notes issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Legal considerations relating to an investment in Notes

The investment activities of certain investors are or may be subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult their legal advisers to determine whether and to what extent:

- (i) Notes are legal investments for it;
- (ii) Notes can be used as collateral for various types of borrowing; and
- (iii) other restrictions apply to its purchase or pledge of any Notes.

Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

*The proposed financial transaction tax ("**FTT**")*

The European Commission has published a proposal for a Directive for a common FTT in certain participating Member States.

The proposed FTT has very broad scope and could apply to certain dealings in financial instruments (including secondary market transactions).

The FTT could apply to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in financial instruments where at least one party is a financial institution, and either (i) at least one party is established or deemed to be established in a participating Member State or (ii) the financial instruments are issued in a participating Member State.

The proposed Directive remains subject to negotiation between the participating Member States and is the subject of legal challenge. It may therefore be altered prior to any implementation, the timing of which remains unclear.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

FORMS OF THE NOTES

Bearer Notes

Each Tranche of Bearer Notes will initially be in the form of either a temporary bearer global note (the "**Temporary Global Note**"), without interest coupons, or a permanent bearer global note (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the relevant Pricing Supplement. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Bearer Note**") which is not intended to be issued in new global note ("**NGN**") form, as specified in the relevant Pricing Supplement, will be deposited on or around the issue date of the relevant Tranche of the Notes with a depository or a common depository for Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream, Luxembourg**") and/or any other relevant clearing system, and each Global Bearer Note which is intended to be issued in NGN form, as specified in the relevant Pricing Supplement, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), **provided that** certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The relevant Pricing Supplement will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or, if the Notes do not have a maturity of more than 365 days, that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Notes

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the delivery of a Permanent Global Note to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) presentation and surrender of the Temporary Global Note to or to the order of the Principal Paying Agent; and
- (ii) receipt by the Principal Paying Agent of a certificate or certificates of non-U.S. beneficial ownership.

The principal amount of Notes represented by the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership provided, however, that in no circumstances shall the principal amount of Notes represented by

the Permanent Global Note exceed the initial principal amount of Notes represented by the Temporary Global Note.

If:

- (a) the Permanent Global Note has not been delivered or the principal amount thereof increased by 5.00 p.m. (London time) on the seventh day after the bearer of the Temporary Global Note has requested exchange of an interest in the Temporary Global Note for an interest in a Permanent Global Note; or
- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Note in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver a Permanent Global Note) will become void at 5.00 p.m. (London time) on such seventh day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Trust Deed).

The Permanent Global Note will become exchangeable, in whole but not in part only and at the request of the bearer of the Permanent Global Note, for Bearer Notes in definitive form ("**Definitive Notes**"):

- (a) on the expiry of such period of notice as may be specified in the Pricing Supplement; or
- (b) at any time, if so specified in the Pricing Supplement; or
- (c) if the Pricing Supplement specifies "in the limited circumstances described in the Permanent Global Note", then if either of the following events occurs:
 - (i) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or
 - (ii) any of the circumstances described in Condition 14 (*Events of Default and Enforcement*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Bearer Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Bearer Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Pricing Supplement), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Bearer Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Bearer Notes; or
- (b) the Permanent Global Note was originally issued in exchange for part only of a Temporary Global Note representing the Notes and such Temporary Global Note becomes void in accordance with its terms; or

- (c) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Bearer Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on the date on which such Temporary Global Note becomes void (in the case of (b) above) or at 5.00 p.m. (London time) on such due date ((c) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Trust Deed).

Temporary Global Note exchangeable for Definitive Bearer Notes

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Bearer Notes" and also specify that the TEFRA C Rules are applicable or that neither the TEFRA C Rules or the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Definitive Bearer Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Bearer Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Bearer Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Bearer Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Bearer Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Bearer Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Temporary Global Note for Definitive Bearer Notes; or
- (b) the Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver Definitive Bearer Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under the Trust Deed).

Permanent Global Note exchangeable for Definitive Bearer Notes

If the relevant Pricing Supplement specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Bearer Notes", then the Notes will initially be in the form of a Permanent Global Note which will be exchangeable in whole, but not in part, for Definitive Bearer Notes:

- (a) on the expiry of such period of notice as may be specified in the relevant Pricing Supplement; or
- (b) at any time, if so specified in the relevant Pricing Supplement; or
- (c) if the relevant Pricing Supplement specifies "in the limited circumstances described in the Permanent Global Note", then if either of the following events occurs:
 - (i) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or
 - (ii) any of the circumstances described in Condition 14 (*Events of Default and Enforcement*) occurs.

Whenever the Permanent Global Note is to be exchanged for Definitive Bearer Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Bearer Notes, duly authenticated and with Coupons and Talons attached (if so specified in the Pricing Supplement), in an aggregate principal amount equal to the principal amount of Notes represented by the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Bearer Notes have not been duly delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer has requested exchange of the Permanent Global Note for Definitive Bearer Notes; or
- (b) the Permanent Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Permanent Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Bearer Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date ((b) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Trust Deed).

Registered Notes

The Registered Notes of each Tranche will initially be represented by a global note in registered form, without Receipts or Coupons, (a "**Registered Global Note**") which will be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg.

Payments of principal, interest and any other amount in respect of a Registered Global Note will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 12(C)) as the registered holder of the Registered Global Note. None of the Issuer, the Trustee, the Guarantors, any Paying Agent or the Registrar will have any

responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in any Registered Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred, (ii) the Issuer has been notified that Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system acceptable to the Trustee is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered or required were the Notes represented by the Registered Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 16 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Registered Global Note) or the Trustee may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar and the Trustee requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Bearer Note will be endorsed on that Note and will consist of the terms and conditions set out under "*Terms and Conditions of the Notes*" below and the provisions of the relevant Pricing Supplement which supplements, amends and/or replaces those terms and conditions.

Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.
- (c) *Costs of registration:* Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.
- (d) *Closed Periods:* The Issuer shall not be required:
- (i) in the event of a partial redemption of Notes under Condition 11(d):
- (A) to register the transfer of Registered Notes (or parts of Registered Notes) during the period beginning on the 65th day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of Notes called (in whole or in part) for redemption (both inclusive); or

- (B) to register the transfer of any Registered Note, or part of a Registered Note, called for redemption; or
- (ii) to register the transfer of Registered Notes (or parts of Registered Notes) (A) during the period of 10 Business Days in London immediately prior to any Record Date in respect of that Note or (B) during the period commencing on the Record Date in respect of the final Interest Payment Date in respect of that Note and ending on such Interest Payment Date.

5. Status and Guarantee

- (a) *Status of the Notes:* The Notes constitute direct and unconditional obligations of the Issuer which will at all times rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.
- (b) *Guarantee of the Notes:* The Guarantors have in the Trust Deed unconditionally and irrevocably guaranteed the due and punctual payment of all sums expressed to be payable by the Issuer under the Trust Deed in respect of the Notes, Receipts or Coupons. This Guarantee of the Notes constitutes direct and unconditional obligations of each Guarantor which will at all times rank at least *pari passu* with all other present and future unsecured obligations of the Guarantor, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

6. Negative Pledge

- (a) Save as provided herein and in paragraph (b) below, so long as any of the Notes remain outstanding (as defined in the Trust Deed) the Issuer and the Guarantors will not create or permit to exist any Security Interest over any of their respective Assets to secure any indebtedness or liabilities (direct or contingent) for Borrowed Moneys Indebtedness unless the Issuer or the relevant Guarantor, as the case may be, shall simultaneously with or prior to the creation of such Security Interest, take or procure to be taken any and all action necessary to procure that the benefit of the Security Interest is extended equally and rateably to the Notes, provided that this covenant shall not apply to, and accordingly the Issuer and any of the Guarantors shall be at liberty to create or permit to exist without breach hereof, any Security Interest:
 - (i) arising by operation of law or statute in the ordinary course of business, or securing taxes or other governmental or regulatory levies, duties or imposts, or any Security Interest in the nature of a contractor's, supplier's or vendor's lien, so long as (in each of the foregoing cases) the payment of the money secured thereby is not in default or the liability therefor of the Issuer or the relevant Guarantor is being contested by appropriate proceedings; or
 - (ii) created over any Asset acquired, constructed, repaired, maintained or improved, for the sole purpose of financing or refinancing the cost of such acquisition, construction, repair, maintenance or improvement, or over the land upon which such Asset is situated, provided that any Security Interest created pursuant to this paragraph:
 - (A) secures no more than the fair value of the Asset (as acquired, constructed, maintained or improved) as at the time such Security Interest is created; and
 - (B) does not secure Borrowed Money Indebtedness owed to Crown Fibre Holdings Limited; or
 - (iii) over any Assets of the Subsidiary which becomes a Guaranteeing Subsidiary after the date of the Trust Deed, which existed, or which such Subsidiary was

contractually bound to enter into, at the date it became a Guaranteeing Subsidiary and which was not created in anticipation of such Subsidiary becoming a Guaranteeing Subsidiary; or

- (iv) over any Assets acquired by the Issuer or the relevant Guarantor after the date of the Trust Deed, which existed at the date of, and was not created in anticipation of, the acquisition thereof by the Issuer or the relevant Guarantor concerned; or
 - (v) created or permitted to exist over the whole or any part of its right, title or interest (whether by way of shareholding, partnership share or otherwise) in, or in the Assets of, any joint venture, partnership or similar venture (whether or not incorporated) the sole purpose of which is the development or exploitation of a project (a "**Project Venture**"), to secure Borrowed Moneys Indebtedness incurred by the Issuer or the relevant Guarantor in connection with its interest in such Project Venture and created or permitted to exist only in favour of a participant or participants therein, provided no such participant is Crown Fibre Holdings Limited; or
 - (vi) over Assets of the Issuer or the relevant Guarantor comprising cash, deposits, financial instruments or other monetary Assets, where such Security Interest does not extend to other Assets of the Issuer or the relevant Guarantor and is created to secure new borrowings or indebtedness undertaken or incurred to raise or acquire such cash, deposits, instruments or other monetary Assets and the giving of such Security Interest is consistent with ordinary banking or business principles or practices then current and applicable in the relevant market and/or jurisdiction in relation to indebtedness of that nature; or
 - (vii) created in substitution for any Security Interest otherwise permitted hereunder; or
 - (viii) in favour of the Issuer or the relevant Guarantor provided that the Issuer or the relevant Guarantor, as the case may be, in whose favour it is created retains at all times the sole beneficial ownership of and all rights, powers and benefits in relation to such Security Interest; or
 - (ix) created with the prior written consent of the Trustee after, if the Trustee so requires, approval by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.
- (b) Notwithstanding the provisions of paragraph (a) above, the Issuer/Guarantor(s) may, in addition to and separately from the Security Interests permitted under paragraph (a) above, create or permit to exist any Security Interest of any nature over any of its or their Assets to secure any Borrowed Moneys Indebtedness if and to the extent that the aggregate principal amount of the Borrowed Moneys Indebtedness so secured by all such Security Interests created or permitted to subsist by this paragraph (b) (but other than any Security Interests attaching only to Assets which are not included in the Total Tangible Assets of the Group) does not exceed five per cent of the Total Tangible Assets of the Group.

7. **Fixed Rate Note Provisions**

- (a) *Application:* This Condition 7 (*Fixed Rate Note Provisions*) is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Initial Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, payment of the Redemption Amount is improperly

withheld or refused, in which case it will continue to bear interest in accordance with this Condition 7 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

- (c) *Fixed Coupon Amount:* The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (e) *Step-up rate of interest:* If this Condition 7(e) is specified as applicable in the applicable Pricing Supplement, the Rate of Interest will be the Initial Rate of Interest specified in the applicable Pricing Supplement. The Initial Rate of Interest shall be subject to adjustment (each such adjustment, a "**Rate Adjustment**") in the event of a Step-up Rating Change (if any) or a subsequent Step-down Rating Change (if any), as the case may be, in accordance with the following provisions. Any Rate Adjustment shall apply in respect of the Interest Period commencing on the Interest Payment Date falling on or immediately following the date of the relevant Step-up Rating Change or Step-down Rating Change, as the case may be, until either a further Rate Adjustment becomes effective or the date of redemption, as the case may be.

For any Interest Period commencing on or after the first Interest Payment Date immediately following the date of a Step-up Rating Change, if any, the Rate of Interest shall be increased by the Ratings Downgrade Step-up Margin specified in the applicable Pricing Supplement.

In the event that a Step-down Rating Change occurs after the date of a Step-up Rating Change (or on the same date but subsequent thereto), then for any Interest Period commencing on the first Interest Payment Date following the date of such Step-down Rating Change, the Rate of Interest shall be the Initial Rate of Interest.

The Issuer shall use all reasonable efforts to maintain credit ratings for Notes issued, or to be issued, by it from both Rating Agencies (as defined below). In the event that either Rating Agency fails to or ceases to assign a rating to Notes issued, or to be issued, by the Issuer, the Issuer shall use all reasonable efforts to obtain a rating of Notes issued, or to be issued, by it from a Substitute Rating Agency (as defined below), and references in this Condition 7(e) to Moody's or S&P Global (each as defined below), as the case may be, or the ratings thereof, shall be to such Substitute Rating Agency or, as the case may be, the equivalent ratings thereof. In the event that such a rating is not obtained from a Substitute Rating Agency, then, for the purposes of the foregoing adjustments to the Rate of Interest, the ratings assigned by the remaining Rating Agency shall be deemed also to be the ratings assigned by the other Rating Agency.

In the event that both Rating Agencies fail to or cease to assign a rating to Notes issued, or to be issued, by the Issuer and the Issuer fails to obtain a rating of Notes issued, or to be issued, by it from a Substitute Rating Agency, a Step-up Rating Change will be deemed to have occurred on the date of such failure but not otherwise. If a rating of

Notes issued, or to be issued, by the Issuer is subsequently assigned by one or more Rating Agencies or a Substitute Rating Agency, then if such rating (or ratings if more than one) is at least *Baa3*, in the case of Moody's, or at least *BBB-*, in the case of S&P Global, or the equivalent ratings in the case of a Substitute Rating Agency, a Step-down Rating Change will be deemed to have occurred on the date of such assignment.

The Rate of Interest will only be subject to adjustment due to a Step-up Rating Change or a deemed Step-up Rating Change as provided above upon the first occurrence on or after the Interest Commencement Date of a Step-up Rating Change and may occur only once. An adjustment to the Rate of Interest following the occurrence of a Step-down Rating Change or a deemed Step-down Rating Change as provided above may only occur once and, in any event, only after the occurrence of the Step-up Rating Change.

The Issuer shall cause each Rating Change (if any) and the applicable Rate of Interest to be notified to the Principal Paying Agent, the Trustee, any stock exchange on which the relevant Notes are for the time being listed and the Noteholders (in accordance with Condition 20) as soon as practicable after such Rating Change.

In this Condition:

"Rating Agencies" means Moody's Investor Service Limited ("**Moody's**") and S&P Global Ratings, a division of S&P Global Inc. ("**S&P Global**"), any of their successors and any Substitute Rating Agency;

"Rating Change" means a Step-up Rating Change and/or a Step-down Rating Change;

"Step-down Rating Change" means, subject as provided above in relation to a deemed Step-down Rating Change, the first public announcement after a Step-up Rating Change by both Rating Agencies of an increase in, or confirmation of, the rating of Notes issued, or to be issued, by the Issuer to at least *Baa3*, in the case of Moody's, and to at least *BBB-*, in the case of S&P Global. For the avoidance of doubt, any further increases in the credit rating of Notes issued, or to be issued, by the Issuer above *Baa3*, in the case of Moody's, or above *BBB-*, in the case of S&P Global, shall not constitute a Step-down Rating Change;

"Step-up Rating Change" means, subject as provided above in relation to a deemed Step-up Rating Change, the first public announcement by either or both Rating Agencies of a decrease in the rating of Notes issued, or to be issued, by the Issuer to below *Baa3*, in the case of Moody's, or below *BBB-*, in the case of S&P Global. For the avoidance of doubt, any further decrease in the credit rating of Notes issued, or to be issued, by the Issuer below *Baa3*, in the case of Moody's, or below *BBB-*, in the case of S&P Global, shall not constitute a Step-up Rating Change;

"Substitute Rating Agency" means a rating agency of equivalent international standing by the Issuer;

- (f) *Minimum Volume/Coupon Step-up:* If this Condition 7(f) is specified as applicable in the applicable Pricing Supplement the Rate of Interest applicable to the Notes shall be subject to adjustment in accordance with the applicable Pricing Supplement.

8. **Floating Rate Note Provisions**

- (a) *Application:* This Condition 8 (*Floating Rate Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Initial Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless payment of the Redemption Amount is improperly

withheld or refused, in which case it will continue to bear interest in accordance with this Condition 8 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

(d) *ISDA Determination:* If ISDA Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap

transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Pricing Supplement;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Pricing Supplement; and
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Pricing Supplement.
- (e) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (f) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (g) *Calculation of other amounts:* If the relevant Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Pricing Supplement.
- (h) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.
- (i) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Guarantors, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

9. Zero Coupon Note Provisions

- (a) *Application:* This Condition 9 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Late payment on Zero Coupon Notes:* If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

10. Dual Currency Note Provisions

- (a) *Application:* This Condition 10 (*Dual Currency Note Provisions*) is applicable to the Notes only if the Dual Currency Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Rate of Interest:* If the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the relevant Pricing Supplement.

11. Redemption and Purchase

- (a) *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 12 (*Payments*).
- (b) *Redemption for tax reasons:* The Notes may be redeemed at the option of the Issuer in whole, but not in part:
 - (i) at any time (if the Floating Rate Note Provisions are not specified in the relevant Pricing Supplement as being applicable); or
 - (i) on any Interest Payment Date (if the Floating Rate Note Provisions are not specified in the relevant Pricing Supplement as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if, immediately before giving such notice, the Issuer satisfies the Trustee that:

- (A) (1) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of New Zealand or any political subdivision or any authority thereof or therein having power to tax (including, without limitation, any increase in the rate of Approved Issuer Levy payable pursuant to the Stamp and Cheque Duties Act 1971 (NZ)), or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes;

and (2) such obligation cannot be avoided by the Issuer taking reasonable measures available to it (but not including paying the increased amount of Approved Issuer Levy); or

- (B) (1) a Guarantor has or (if a demand was made under the Guarantee of the Notes) would become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of New Zealand or any political subdivision or any authority thereof or therein having power to tax (including, without limitation, any increase in the rate of Approved Issuer Levy payable pursuant to the Stamp and Cheque Duties Act 1971 (NZ)), or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes and (2) such obligation cannot be avoided by the Guarantor taking reasonable measures available to it (but not including paying the increased amount of Approved Issuer Levy),

provided, however, that no such notice of redemption shall be given earlier than:

- (1) where the Notes may be redeemed at any time, 90 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obliged to pay such additional amounts if a payment in respect of the Notes were then due or (as the case may be) a demand under the Guarantee of the Notes were then made; or
- (2) where the Notes may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer or the relevant Guarantor would be obliged to pay such additional amounts if a payment in respect of the Notes were then due or (as the case may be) a demand under the Guarantee of the Notes were then made.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver or procure that there is delivered to the Trustee a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred. The Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above, in which event it shall be conclusive and binding on the Noteholders. Upon the expiry of any such notice as is referred to in this Condition 11(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 11.

- (c) *Redemption at the option of the Issuer:* If the Call Option is specified in the relevant Pricing Supplement as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Pricing Supplement, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer's giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).
- (d) *Partial redemption:* If the Notes are to be redeemed in part only on any date in accordance with Condition 11(c) (*Redemption at the option of the Issuer*), in the case of Bearer Notes the Notes to be redeemed shall be selected by the drawing of lots in such place as the Principal Paying Agent approves and in such manner as the Principal Paying Agent considers appropriate, subject to compliance with applicable law, the rules of each competent authority, stock exchange and/or quotation system (if any) by which

the Notes have then been admitted to listing, trading and/or quotation and the notice to Noteholders referred to in Condition 11(c) (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed, and, in the case of Registered Notes, each shall be redeemed in part in the proportion which the aggregate principal amount of the outstanding Notes to be redeemed on the relevant Optional Redemption Date (Call) bears to the aggregate principal amount of outstanding Notes on such date. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Pricing Supplement, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.

- (e) *Redemption at the option of Noteholders:* If the Put Option is specified in the relevant Pricing Supplement as being applicable, the Issuer shall, at the option of the holder of any Note redeem such Note on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 11(e), the holder of a Note must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put), deposit a duly completed Put Option Notice in the form obtainable from the Paying Agent and, in the case of a Put Option Notice relating to Definitive Notes, such Definitive Notes with any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Noteholder. No Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 11(e), may be withdrawn; **provided, however, that** if, prior to the relevant Optional Redemption Date (Put), any such Note becomes immediately due and payable or, upon due presentation of such Definitive Note, the payment of such redemption moneys is improperly withheld or refused, the relevant Paying Agent shall mail notification thereof to the depositing Noteholder at such address as may have been given by such Noteholder in the relevant Put Option Notice and shall hold such Note at its Specified Office for collection by the depositing Noteholder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note is held by a Paying Agent in accordance with this Condition 11(e), the depositor of such Note and not such Paying Agent shall be deemed to be the holder of such Note for all purposes.
- (f) *No other redemption:* The Issuer shall not be entitled to redeem the Notes otherwise than as provided in paragraphs (a) to (e) above.
- (g) *Early redemption of Zero Coupon Notes:* Unless otherwise specified in the relevant Pricing Supplement, the Redemption Amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount equal to the sum of:
- (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Pricing Supplement for the purposes of this Condition 11(g) or, if none is so specified, a Day Count Fraction of 30E/360.

- (h) *Purchase:* The Issuer, a Guarantor or any of their respective Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price, **provided that** (in the case of Bearer Notes) all unmatured Coupons are purchased therewith.

- (i) *Cancellation:* All Notes so redeemed or purchased by the Issuer, a Guarantor or any of their respective Subsidiaries and any unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or sold.

12. **Payments**

(A) Payments Generally

- (a) *Payments in New York City:* Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in the currency in which the payment is due when due, (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.
- (b) *Payments subject to fiscal laws:* Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 13 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 13 (*Taxation*)) any law implementing an intergovernmental approach thereto.
- (c) *Payments on business days:* If the due date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (d) *Partial payments:* If a Paying Agent makes a partial payment in respect of any Note or Coupon presented to it for payment, such Paying Agent will endorse thereon or, in the case of Registered Notes, record upon the Register a statement indicating the amount and date of such payment.

(B) Payments in respect of Bearer Notes

- (a) *Principal:* Payments of principal shall be made only against presentation and (**provided that** payment is made in full) surrender of Bearer Notes at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency.
- (b) *Interest:* Payments of interest shall, subject to paragraph (f) below, be made only against presentation and (**provided that** payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in paragraph (a) above.
- (c) *Deductions for unmatured Coupons:* If the relevant Pricing Supplement specifies that the Fixed Rate Note Provisions are applicable and a Bearer Note is presented without all unmatured Coupons relating thereto:
 - (i) if the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; **provided, however, that** if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that

proportion of the aggregate amount of such missing Coupons which the gross amount actually available for payment bears to the amount of principal due for payment; and

- (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; **provided, however, that** where this subparagraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
 - (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; **provided, however, that**, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (**provided that** payment is made in full) surrender of the relevant missing Coupons.

- (d) *Unmatured Coupons void:* If the relevant Pricing Supplement specifies that this Condition 12(B)(d) is applicable or that the Floating Rate Note Provisions are applicable, on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 11(b) (*Redemption for tax reasons*), Condition 11(e) (*Redemption at the option of Noteholders*), Condition 11(c) (*Redemption at the option of the Issuer*) or Condition 14 (*Events of Default and Enforcement*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.
- (e) *Payments on business days:* If the due date for payment of any amount in respect of any Bearer Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (f) *Payments other than in respect of matured Coupons:* Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Bearer Notes at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by paragraph (c) above).
- (g) *Partial payments:* If a Paying Agent makes a partial payment in respect of any Bearer Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.
- (h) *Exchange of Talons:* On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Bearer Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Principal Paying Agent for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 15 (*Prescription*)). Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.

(C) Payments in respect of Registered Notes

- (a) *Principal:* Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the Specified Office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the "**Register**") at the close of business on the fifteenth day (being for the purpose of this paragraph (a) a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the "**Record Date**"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the nominal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Wellington respectively) and (in the case of a payment in euro) any bank which processes payments in euro.
- (b) *Interest:* Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the Record Date at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Note.

13. Taxation

- (a) *Gross up:* All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer or a Guarantor shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of New Zealand or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer or (as the case may be) the relevant Guarantor shall pay such additional amounts as will result in receipt by the Noteholders and the Couponholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required,

except that no such additional amounts shall be payable in respect of any Note or Coupon:

- (i) held by or on behalf of a holder in respect of which the liability to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon arises by reason of its having some connection with the jurisdiction by which such taxes, duties, assessments or charges have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note or Coupon; or
 - (ii) presented for payment in New Zealand if such withholding or deduction would not have been required if the Note or Coupon was presented for payment outside New Zealand; or
 - (iii) where such withholding or deduction is for or on account of New Zealand resident withholding tax; or
 - (iv) held by or on behalf of a holder which is associated with the Issuer or the relevant Guarantor for the purposes of the Approved Issuer Levy or non-resident withholding tax rules in the Income Tax Act 2007 of New Zealand or which holds the Note or Coupon or derives the interest jointly with a New Zealand resident; or
 - (v) where the relevant Note or Coupon is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of such Note or Coupon would have been entitled to such additional amounts on presenting such Note or Coupon for payment on the last day of such period of 30 days.
- (b) *Resident Withholding Tax:* The Issuer or the Guarantors (as applicable) are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, if:
- (i) the holder is a resident of New Zealand for income tax purposes or otherwise receives payments of principal or interest from the Issuer or a Guarantor subject to the New Zealand resident withholding tax rules (a "**New Zealand Holder**"); and
 - (ii) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption for New Zealand resident withholding tax purposes.

Prior to any Interest Payment Date or Maturity Date any New Zealand Holder:

- (i) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent that the New Zealand Holder is the holder of a Note; and
- (ii) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent of any circumstances, and provide the Issuer or the Guarantors (as applicable) or the relevant Paying Agent with any information, that may enable the Issuer or the Guarantors (as applicable) to make the payment of interest to the New Zealand Holder without deduction on account of a New Zealand resident withholding tax.

A New Zealand Holder must notify the Issuer and the Guarantors (as applicable), prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the Issuer's or a Guarantor's payment or withholding obligations in respect of any Note. By accepting payment of the full face amount of a Note or any interest thereon on any Interest Payment Date or Maturity Date, a New Zealand Holder will be deemed to have indemnified the Issuer or the Guarantors (as applicable) for all purposes in respect of any liability which the Issuer or the Guarantors (as applicable) may incur for not

deducting any amount from such payment on account of New Zealand resident withholding tax.

- (c) *Taxing jurisdiction:* If the Issuer or the Guarantor becomes subject at any time to any taxing jurisdiction other than New Zealand, references in these Conditions to New Zealand shall be construed as references to New Zealand and/or such other jurisdiction.

14. **Events of Default and Enforcement**

If any of the following events occurs, then the Trustee at its discretion may and, if so requested in writing by holders of at least one quarter of the aggregate principal amount of the outstanding Notes or if so directed by an Extraordinary Resolution, shall (subject to the Trustee in each case, being indemnified and/or secured and/or prefunded to its satisfaction having certified in writing that the happening of any of the events described in paragraphs (c), (d), (f) and (in the case of any event having an analogous effect to any of the foregoing) (g) below, is in its opinion materially prejudicial to the interests of the Noteholders) give written notice to the Issuer declaring the Notes to be immediately due and payable, whereupon they shall become immediately due and payable at their Early Termination Amount together with accrued interest (if any) without further action or formality:

- (a) default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 14 days; or
- (b) the Issuer or any Guarantor fails to perform or observe any of its other obligations under these Conditions or the Trust Deed and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by the Trustee on the Issuer or the relevant Guarantor (as the case may be) of notice requiring the same to be remedied; or
- (c) any Borrowed Moneys Indebtedness of the Issuer or any Guarantor exceeding NZ\$10,000,000 (in aggregate) or its equivalent in any other currency is not repaid on its original maturity date (or within any applicable grace periods), or becomes due and payable by reason of default before its original maturity date, other than where contested in good faith by appropriate proceedings; or
- (d) the Issuer or any Guarantor is unable to pay its debts as they fall due, commences negotiations with any one or more of its creditors with a view to the readjustment or rescheduling of its indebtedness generally, or makes a general assignment for the benefit of or an arrangement or composition with or for the benefit of its creditors; or
- (e) any order is made by any competent court or an effective resolution is passed or legislation is enacted for the liquidation, winding up or dissolution of the Issuer or any Guarantor, or a statutory manager is appointed in respect of the Issuer or any Guarantor under the Corporations (Investigations and Management) Act 1989 of New Zealand or any analogous or replacement legislation, or any analogous proceedings are taken in respect of the Issuer or any Guarantor, or the Issuer or any Guarantor ceases or threatens in writing to cease to carry on the whole or substantially the whole of its business, other than for the purposes of a reconstruction, amalgamation or reorganisation where the Issuer or the relevant Guarantor, as the case may be, is solvent and which (except in the case of an amalgamation with, or the distribution of Assets to, another Guarantor or Guarantors) has been approved by the Trustee; or
- (f) an encumbrancer takes possession or a receiver is appointed of the whole or any material part of the Assets or undertaking of the Issuer or any Guarantor, or a distress or execution in an amount exceeding NZ\$10,000,000 (or its equivalent in any other currency) is levied or enforced upon or sued out against

all or any material part of the Assets or undertaking of the Issuer or any Guarantor, except where the same is discharged or stayed within 30 days of commencement or is contested by the Issuer or such Guarantor in good faith by appropriate proceedings; or

- (g) any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in the foregoing paragraphs.

The Trustee may at any time, at its discretion and without further notice, institute such proceedings against the Issuer and/or a Guarantor as it may think fit to recover any amounts due in respect of the Notes which are unpaid or to enforce any of its rights under this Trust Deed or the Conditions but it shall not be bound to do so unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by the holders of at least one-quarter in principal amount of the outstanding Notes, and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantors unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

15. Prescription

Claims for principal in respect of Bearer Notes shall become void unless the relevant Bearer Notes are presented for payment within ten years of the appropriate Relevant Date. Claims for interest (whether in respect of Bearer Notes or Registered Notes) shall become void unless the relevant Notes, Receipts, or Coupons are presented for payment within, in the case of Bearer Notes, five years or, in the case of Registered Notes ten years, of the appropriate Relevant Date.

16. Replacement of Notes and Coupons

If any Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Replacement Agent (in the case of Bearer Notes, Receipts, Talons or Coupons) or the Registrar (in the case of Registered Notes) (and, in each case, if the Notes are then admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent or Transfer Agent in any particular place, the Paying Agent or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system), subject to all applicable laws and competent authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Talons or Coupons must be surrendered before replacements will be issued.

17. Trustee and Agents

Under the Trust Deed, the Trustee is entitled to be indemnified and relieved from responsibility in certain circumstances and to be paid its costs and expenses in priority to the claims of the Noteholders. In addition, the Trustee is entitled to enter into business transactions with the Issuer, a Guarantor and any entity relating to the Issuer or a Guarantor without accounting for any profit.

In the exercise of its powers and discretions under these Conditions and the Trust Deed, the Trustee will have regard to the interests of the Noteholders as a class and will not be responsible for any consequence for individual Holders of Notes as a result of such Holders being connected in any way with a particular territory or taxing jurisdiction.

In acting under the Paying Agency Agreement and in connection with the Notes and the Coupons, the Agents act solely as agents of the Issuer and the Guarantors and (to the

extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Paying Agents, Transfer Agents and Registrars and their initial Specified Offices are listed below. The initial Calculation Agent (if differing from the Calculation Agent appointed pursuant to clause 13 of the Paying Agency Agreement) is specified in the relevant Pricing Supplement. The Issuer and the Guarantors (acting together) reserve the right (with the prior approval of the Trustee) at any time to vary or terminate the appointment of any Agent and to appoint a successor principal paying agent, other paying agent, registrar or calculation agent and additional or successor paying agents or registrars; **provided, however, that:**

- (a) the Issuer and the Guarantors shall at all times maintain a principal paying agent and a registrar;
- (b) if a Calculation Agent is specified in the relevant Pricing Supplement, the Issuer and the Guarantors shall at all times maintain a Calculation Agent; and
- (c) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) in any particular place, the Issuer and the Guarantors shall maintain a Paying Agent and/or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Agents or in their Specified Offices shall promptly be given to the Noteholders.

18. **Meetings of Noteholders; Modification and Waiver**

- (a) *Meetings of Noteholders:* The Trust Deed contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer and the Guarantors (acting together) or by the Trustee, and shall be convened by the Trustee subject to its being indemnified and/or secured and/or pre-funded to its satisfaction upon the request in writing of Noteholders holding not less than one-twentieth of the aggregate principal amount of the outstanding Notes. The quorum at any Meeting convened to vote on an Extraordinary Resolution will be two or more Voters holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, two or more Voters being or representing Noteholders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which two or more Persons holding or representing not less than two-thirds or, at any adjourned meeting, one-third of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

The Trust Deed provides that (i) a written resolution signed by or on behalf of all holders of Notes who for the time being are entitled to receive notice of a Meeting (a "**Written Resolution**") or (ii) where Notes are held by or on behalf of a clearing system or clearing systems, approval of a resolution proposed by the Issuer, a Guarantor or the Trustee given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of all holders of Notes who for the time being are entitled to receive notice of a Meeting (an "**Electronic Consent**") shall, in each case for all purposes, be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held.

A Written Resolution and/or Electronic Consent will be binding on all Noteholders whether or not they participated in such Written Resolution and/or Electronic Consent, as the case may be.

- (b) *Modification and waiver:* The Trustee may, without the consent of the Noteholders, Receiptholders or Couponholders, concur with the Issuer and the Guarantors in making any modification of these Conditions, the Paying Agency Agreement, the Notes or the Trust Deed (other than in respect of Reserved Matters or any provision of the Trust Deed referred to in such specification) which is, in the opinion of the Trustee, proper to make if, in the opinion of the Trustee, such modification will not be materially prejudicial to the interests of Noteholders and to any modification of these Conditions, the Paying Agency Agreement, the Notes or the Trust Deed which is of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the Noteholders, Receiptholders or Couponholders on such terms and conditions (if any) as shall seem expedient to it, authorise or waive any proposed breach or breach of any of the covenants or provisions contained in the Receipts, Coupons or Notes or the Trust Deed (other than a proposed breach or breach relating to the subject of a Reserved Matter) or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of the Trust Deed if, in the opinion of the Trustee, the interests of the Noteholders will not be materially prejudiced thereby.

If the Trustee so requires, the Issuer shall cause such authorisation, waiver or determination to be notified to the Noteholders as soon as practicable thereafter.

- (c) *Substitution:* The Trust Deed contains provisions under which the Trustee may, without the consent of the Noteholders, the Receiptholders or the Couponholders, agree to the substitution in place of the Issuer of a Guarantor or any other Subsidiary as principal debtor under the Trust Deed and in relation to the Notes, Receipts or Coupons of any Series **provided that** certain conditions specified in the Trust Deed are fulfilled.

No Noteholder or Couponholder shall, in connection with any substitution, be entitled to claim any indemnification or payment in respect of any tax consequence thereof for such Noteholder or Couponholder, except to the extent provided for in Condition 13 (*Taxation*) (or any undertaking given in addition to or substitution for it pursuant to the provisions of the Trust Deed).

19. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue other series of notes having the benefit of the Trust Deed.

20. **Notices**

All notices regarding the Bearer Notes will be valid if published in a leading English language daily newspaper of general circulation in London. It is expected that any such newspaper publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any Stock Exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers or where published in such newspapers. If publication as provided above is not practicable, a notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding Registered Notes will be deemed to be validly given if sent by first class mail (or its equivalent) or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are admitted to trading on a Stock Exchange and the rules of that Stock Exchange (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any Definitive Notes are issued, there may, so long as the notes are represented in their entirety by any Global Note held on behalf of Euroclear or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or such mailing the delivery of the relevant notice to Euroclear or Clearstream, Luxembourg for communication by them to the Noteholders and, in addition, for so long as any Notes are listed on a Stock Exchange or admitted to trading by any other relevant authority and the rules of that Stock Exchange, or as the case may be, other relevant authority so require, such notice or notices will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the Noteholders on the day on which the said notice was given to Euroclear or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent (in the case of the Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the relevant Principal Paying Agent or the Registrar through Euroclear or Clearstream, Luxembourg as the case may be, in such manner as the relevant Principal Paying Agent, the Registrar and Euroclear or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

21. **Currency Indemnity**

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Principal Paying Agent or Registrar (as applicable), against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

22. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Pricing Supplement), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts

denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. **Governing Law and Jurisdiction**

- (a) *Governing law:* The Notes and the Trust Deed and all non-contractual obligations arising out of or in connection with the Notes and the Trust Deed are governed by English law.
- (b) *English courts:* Each of the Issuer and the Guarantors has in the Trust Deed agreed for the benefit of the Trustee and the Noteholders that the courts of England shall have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes (including any non-contractual obligation arising out of or in connection with the Notes).
- (c) *Appropriate forum:* Each of the Issuer and the Guarantors agrees that the courts referred to in Condition 23(b) (*English courts*) are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue that any other courts are more appropriate or convenient.
- (d) *Rights of Noteholders to take proceedings outside England:* Nothing in this Condition 23 (*Governing Law and jurisdiction*) or the Trust Deed prevents the Trustee or any Noteholder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, the Trustee or any Noteholders may take concurrent Proceedings in any number of jurisdictions.

24. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Clearing System Accountholders

Global Notes may be in bearer form. Consequently, in relation to any Tranche of Bearer Notes represented by a Bearer Global Note, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Bearer Global Note which, for so long as the Global Note is held by a depositary or a common depositary, in the case of a CGN, or a common safekeeper, in the case of an NGN for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or, as the case may be, common safekeeper.

Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Bearer Global Note (each an "**Accountholder**") must look solely to Euroclear and/or Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer or the Guarantor to the bearer of such Bearer Global Note and in relation to all other rights arising under the Bearer Global Note. The extent to which, and the manner in which, Accountholders may exercise any rights arising under the Global Note will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by the Bearer Global Note, Accountholders shall have no claim directly against the Issuer or the Guarantor in respect of payments due under the Bearer Notes and such obligations of the Issuer and the Guarantor will be discharged by payment to the bearer of the Bearer Global Note.

Conditions applicable to Global Notes

Each Global Note will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note. The following is a summary of certain of those provisions:

Payments in relation to the Bearer Notes: All payments in respect of the Bearer Global Note will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Bearer Global Note to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Bearer Global Note, the Issuer shall procure that in respect of a CGN the payment is noted in a schedule thereto and in respect of an NGN the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg.

Payments in relation to Registered Notes: All payments in respect of a Registered Global Note will be made against presentation and endorsement or (in the case of payment of principal in full with all interest accrued thereon) presentation and surrender of the Registered Global Note to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Registered Global Note, the Issuer shall procure that in respect of a CGN the payment is noted in a schedule thereto and in respect of an NGN the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg.

Exercise of put option: In order to exercise the option contained in Condition 11(e) (*Redemption at the option of Noteholders*) the holder of the Permanent Global Note must, within the period specified in the Conditions for the deposit of the relevant Note and put notice, give written notice of such exercise to the Principal Paying Agent or Transfer Agent (as applicable) specifying the

principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 11(c) (*Redemption at the option of the Issuer*) in relation to some only of the Notes, the Permanent Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

DESCRIPTION OF THE CHORUS GROUP'S BUSINESS

Overview

The Chorus Group is New Zealand's largest fixed line communications infrastructure services provider, operating and building a fixed communications network including copper and fibre optic lines and related infrastructure and technologies connecting homes, schools, hospitals and business throughout New Zealand.

The core of the Chorus Group's business is the nationwide network of fibre optic cables (approximately 42,000 kilometres) and copper cables (approximately 130,000 kilometres) that connect New Zealand homes and businesses to each other. At the date of this Information Memorandum, the Chorus Group has a market share of approximately 82% of the fixed access line market in New Zealand, and of approximately 80% of New Zealand's broadband connections.

The Chorus Group is prohibited from selling services direct to end-consumers and provides open access wholesale services to approximately 100 RSPs at the date of this Information Memorandum. RSPs use the Chorus Group's network to deliver phone and internet services to New Zealanders and rely on the Chorus Group's copper and fibre network capability and expertise to build and maintain their communications services.

The Chorus Group is a cornerstone participant in the first stage of the New Zealand Government's UFB programme, and was also responsible for the deployment of the Rural Broadband Initiative, alongside Vodafone New Zealand Limited ("**Vodafone**").

For the years ended 30 June 2016 and 2015, the Chorus Group generated operating revenue of NZ\$1,008 million and NZ\$1,006 million, respectively, and net profit after tax of NZ\$91 million and NZ\$91 million, respectively.

The Chorus Group's financial results for the years ended 30 June 2016 and 2015 were impacted substantially because of lower regulated copper prices charged from 1 December 2014, with revised regulatory pricing only becoming effective on 16 December 2015 (see "*Risk Factors - Regulation of services may adversely affect the Chorus Group's business*" above).

Chorus is listed on the NZX Main Board and on the ASX, with a market capitalisation at the date of this Information Memorandum of approximately NZ\$1.6 billion.

History

Chorus was initially established in March 2008 as a business unit within Telecom New Zealand Limited.

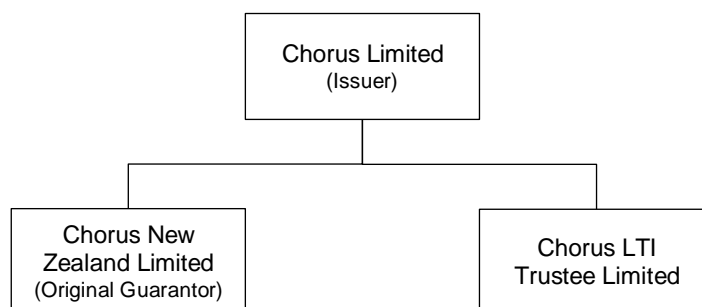

In March 2008, in accordance with undertakings finalised under the Telco Act, Telecom Corporation of New Zealand Limited ("**Telecom**"), as it was then known, implemented the operational separation of its business into three separate business units, comprising a fixed network unit renamed "Chorus", a wholesale unit and a retail business.

In March 2009, the New Zealand Government released the first stage of its UFB programme. The essence of the UFB programme is to create partnerships between the New Zealand Government and private investors to deploy fibre network infrastructure. On 24 May 2011, the New Zealand Government announced that it had reached agreement with Telecom for Chorus to take a cornerstone role in the first stage of the UFB programme.

Chorus subsequently demerged from Telecom, becoming a standalone listed entity in late 2011. Telecom is now known as Spark New Zealand Limited.

Structure of the Chorus Group

At the date of this Information Memorandum, the Chorus Group's structure is as follows:

Chorus New Zealand Limited, the Original Guarantor, is the operating company of the Chorus Group. Chorus LTI Trustee Limited is the trustee company for the Chorus Group's employee long term incentive scheme.

Network assets

Overview

At 30 June 2016, the Chorus Group's local access network consisted of approximately 42,000 kilometres of fibre optic cables and approximately 130,000 kilometres of copper cables that connect homes and businesses to each other. These cables typically connect back to local exchanges, of which the Chorus Group has approximately 600 nationwide at the date of this Information Memorandum. The Chorus Group's fibre also connects many mobile phone towers owned by mobile service providers.

The New Zealand telecommunications network, including the Chorus Group's network assets, is described further below under "*Overview of the New Zealand telecommunications industry*".

The number of fixed line connections on the Chorus Group's network at 30 June 2016 was approximately 1.73 million. This reflected a decrease of approximately 67,000 total fixed line connections from 30 June 2015 as movement to other fibre and wireless networks increased.

UFB network

In May 2011, following the conclusion of a competitive process, Chorus (which at that time was a business unit within Telecom) was selected as a cornerstone participant in the first stage of the UFB programme to develop, in partnership with the New Zealand Government, the fibre network in 24 of the 33 UFB candidate areas within the first stage of the New Zealand Government's UFB programme.

Under this programme of work, the Chorus Group is deploying fibre to homes, businesses, schools, hospitals and health service providers within the allocated UFB candidate areas, which cover approximately 70% of the footprint of the first stage of the UFB programme. The New Zealand Government's investment of up to approximately NZ\$929 million in the Chorus Group in connection with the UFB network build is made through CFH, at the election of Chorus, on a progressive basis as the UFB rollout is completed.

At 30 June 2016, the Chorus Group's network included approximately 180,000 fibre lines, up from approximately 88,000 lines at 30 June 2015. This was driven by the growing demand for fibre services and the expansion of the UFB footprint.

The fibre build is expected to continue through to 2019. At 30 June 2016, the Chorus Group was 57% through the UFB rollout. Build work had been finished for approximately 474,000 premises across the Chorus Group's UFB network at 30 June 2016, with the result that approximately 640,000 end-consumers could connect to the Chorus Group's UFB network. Ten of the Chorus Group's 24 rollout areas had been completed, and fibre had passed all schools within the Chorus Group's rollout areas.

The UFB fibre build comprises two components:

1. **Communal network to deliver fibre past premises.** The communal network deployed by the Chorus Group must pass all premises in the UFB candidate area awarded to the Chorus Group, built according to annual build milestones and to be completed by no later than 31 December 2019. In total it is estimated that the communal infrastructure will pass an estimated 830,900 premises. Chorus has estimated that it will cost between NZ\$1.75 billion and NZ\$1.8 billion to build the communal UFB network by the end of 2019.
2. **Connection of fibre to premises.** The connection of individual premises to the communal infrastructure as dictated by demand, including installing equipment in the end-consumers' premises to enable service delivery. Residential connections includes fibre from the communal network to the optical network terminal located inside the end-consumers' premises. The optical network terminal provides ethernet ports and phone jacks allowing end-consumers to plug in most existing phones, personal computers and wireless routers to receive service.

Rural Broadband Initiative

In April 2011, Telecom, alongside Vodafone, was selected by the New Zealand Government to deliver the rural broadband initiative ("**RBI**") to bring broadband to rural New Zealanders. Since Telecom's demerger, Chorus has been responsible for the RBI alongside Vodafone. It is expected that the RBI will provide a minimum 5 megabits per second ("**Mbps**") broadband service to over 90% of homes and businesses outside UFB areas. Approximately 25% of New Zealand's population is considered rural for these purposes.

All RBI funded fibre and wireless components are available on an equivalent basis to access seekers and wholesale customers, so any party can offer services over the new infrastructure.

Chorus completed the RBI rollout in June 2016. At 30 June 2016, the Chorus Group had deployed 3,500 kilometres of fibre to rural schools and hospitals and enhanced its broadband coverage to approximately 110,000 rural homes and businesses.

The Chorus Group's customer base

The Chorus Group customer base mainly comprises approximately 100 RSPs who buy both Layer 1 and Layer 2 services on a non-discriminatory or equivalence of inputs basis, as well as other telecommunications services. Other customers of the Chorus Group include other access network providers including LFCs.

Under the Telco Act, the Chorus Group is prohibited from providing services to retail end-consumers, including small and medium sized entities ("**SMEs**") and corporates. The Commerce Commission maintains a register of non end-consumers to whom the Chorus Group can supply services. The New Zealand Commerce Commission assesses the eligibility of new non end-consumers and only once a company is on the register is the Chorus Group able to supply products and services to that company.

The Chorus Group's products and services

Broadly, the Chorus Group offers customers point to point Layer 1 (physical) copper and fibre services to the local exchange as well as copper and fibre based Layer 2 (bitstream) services to the relevant point of interconnect.

Under the Open Systems Interconnection model ("**OSI model**"), 'layers' subdivide the telecommunications system from the physical assets in the ground right through to the application on a computer being used by an end-consumer. The model is composed of seven individual layers and each layer builds on the next to enable the transfer of data and information between two or more points in a network. Within the New Zealand telecommunications industry the concept of OSI model layers are used as a basis on which services and products are regulated by the New Zealand Commerce Commission.

Under the current regulatory framework, the Chorus Group provides Layer 1 and Layer 2 copper and fibre products. In the residential market Layer 2 fibre services and Layer 1 Point-to-Point ("**P2P**") services are available prior to 2020, with the New Zealand Commerce Commission not allowed to request fibre Layer 1 unbundling before this date. In the corporate market, Layer 1 Gigabit Passive Optical Network ("**GPON**") fibre services are also available.

1. **Layer 1** within the OSI model is classified as the physical layer and within a telecommunications fixed access network this can be considered to comprise copper and fibre cables and co-location space inside exchanges or cabinets. At the physical layer, data is transmitted using electric voltages through copper and pulses of infrared or ordinary light through optic fibre. In the situation where an RSP purchases access to physical assets, for example UCLL co-location or direct fibre access, this is referred to as a Layer 1 product within the OSI model.
2. **Layer 2** within the OSI model is classified as the data link layer and provides the functional and procedural means to transfer data between network entities. Within the telecommunications fixed access network this can be considered to comprise of the bitstream equipment and services which transmits basic data from one point in the network to another over the Layer 1 physical assets. In the situation where an RSP purchases data transfer products, for example copper UBA services and fibre Bitstream products, this is referred to as a Layer 2 product.

The below table shows the proportion of operating revenues provided by each of the Chorus Group's product categories for the year ended 30 June 2016:

	Year ended 30 June 2016 (audited)

Basic copper

Basic copper incorporates core regulated products that, while an important part of the Chorus Group's portfolio, are founded on earlier technology and product variants that are being superseded by enhanced copper and fibre services. Basic copper includes most of Chorus' Layer 1 network products such as the copper voice input Unbundled Copper Low Frequency Service ("**UCLFS**"), Unbundled Copper Local Loop ("**UCLL**"), Sub Loop Unbundling ("**SLU**"), Sub Loop Extension Service ("**SLES**") and Basic Unbundled Bitstream Access ("**Basic UBA**") (including broadband only 'naked' Basic UBA connections). At the date of this Information

Memorandum, basic copper revenues are declining as customers migrate these alternative product types.

UCLFS is a technology neutral voice input service offered over the copper access network. It is a service that enables access to, and interconnection with, the low frequency band (being the frequency between 300 and 3400 Herz) in the Chorus Group's copper network. UCFLS is a subset of a technology neutral voice input service, baseband, which the Chorus Group has made available on a commercial basis to meet TSO requirements.

UCLL services are a group of services that enable RSPs to directly access a copper access line to deliver phone and internet services via their own equipment. This includes the UCLL access (a service that enables RSPs access to, and interconnection with, the copper local loop network, including any relevant end-consumer line in the exchange) and UCLL co-location services (which allow RSPs to rent space in or on premises owned by the Chorus Group).

SLU services allow RSPs to connect directly to the roadside cabinet (as opposed to the exchange in UCLL co-location) owned by the Chorus Group to connect and utilise the final local access connection to an end-consumer premises.

SLES allows RSPs to connect a sub-loop UCLL line from a cabinet to the telephone exchange to enable them to continue to offer phone and broadband service from the exchange in areas that have been cabinetised.

Basic UBA is a "best efforts" UBA service suitable for internet access. UBA services allow RSPs direct access to the high speed access links between the exchange and an end-consumer premises that has been installed by the Chorus Group. RSPs are then able to install their own equipment in the local access network to deliver high speed broadband services, rather than having to utilise the Chorus Group's equipment. This is similar in principle to UCLL as the RSP does not need to replicate the local loop from the exchange to the end-consumer premises.

Enhanced copper

Enhanced copper includes copper based next generation regulated and commercial products that deliver higher speed capability and a better end-consumer experience, and can assist the transition to fibre. It includes Enhanced UBA, VDSL, Baseband IP voice input service and High Speed Network Service ("**HSNS**") Lite for business data on copper.

Enhanced UBA provides different classes of service enabling both time delay sensitive applications such as voice and best efforts applications such as internet access to be supported concurrently.

VDSL (or Very High Speed Digital Subscriber Line) is the fastest of the Chorus Group's copper broadband products. During the year ended 30 June 2016, a change in the frequencies used to transmit VDSL broadband saw average peak speeds on VDSL rise from 35Mbps to 50Mbps, and enabled the Chorus Group to increase its VDSL footprint by an estimated 175,000 customers. The combination of UFB, RBI and VDSL upgrades means that the Chorus Group now has high-speed broadband available via fibre or copper-based VDSL technology across 85% of its broadband capable lines.

The Baseband IP service enables RSPs to deliver a Voice over Internet Protocol ("**VoIP**") service over copper as either a standalone service, or in conjunction with broadband. At the date of this Information Memorandum, Baseband IP is available across about 10% of the Chorus Group's lines.

HSNS Lite is a high bitstream service with dedicated bandwidth on copper lines, designed for business and priority use.

Fibre

Fibre revenues are earned from Chorus' existing business fibre products (such as HSNS Premium) and new UFB residential and business fibre services. This category also captures

UFB backhaul and Direct Fibre Access Service, which provide point to point networking solutions and can be used to deliver backhaul connections to mobile sites.

HSNS Premium is a high speed bitstream service with dedicated bandwidth on fibre lines.

UFB backhaul services are offered to support RSPs with the aggregation and transportation of their customer access traffic from the exchange or cabinet back to their handover point in the fibre network.

The Direct Fibre Access Service is a dark fibre service suitable for the delivery of complex business grade applications requiring point-to-point fibre access. It enables access to, and interconnection with the fibre network.

Value added network services

The main revenue driver for this category is national data transport services, which provide network connectivity across backhaul links. The nature of these services means volumes and revenues in this category are relatively static.

Infrastructure

Infrastructure revenue relates to services that provide access to the Chorus Group's network assets. The Chorus Group provides commercial access to its exchanges, poles and other infrastructure. Co-location revenue derives from RSPs and other network operators installing their equipment in Chorus Group exchanges, as well as leased commercial space in exchange buildings.

Field services

This category includes work performed by the Chorus Group's service company technicians providing new services, chargeable cable location services, maintaining RSP networks and relocating or extending the Chorus Group's network on request. As the Chorus Group utilises service companies to perform field services work, there is a direct cost associated with all field services revenues.

Other

Other income largely consists of revenue generated from the provision of billing and network management services to Spark, dividends received from electricity trusts that supply the Chorus Group with electricity and any other minor income.

Liquidity and capital resources

The Chorus Group incurs significant amounts of capital expenditure to build and operate the new fibre network in its 24 UFB candidate areas and to operate and maintain the existing national fixed line copper network.

The Chorus Group's principal sources of liquidity are operating cash flows, external borrowing from established debt programmes (including the Programme) and bank facilities and Crown funding for the UFB build as UFB milestones are completed. See "- Crown funding" below.

At 30 June 2016, the aggregate amount of the Chorus Group's interest bearing debt was approximately NZ\$1,540 million. At the date of this Information Memorandum, none of the Chorus Group's debt has been secured against its assets.

At 30 June 2016 the Chorus Group had in place NZ\$925 million committed syndicated bank facilities on terms and conditions that Chorus believes to be market standard. On 6 May 2016, Chorus issued NZ\$400 million in principal amount of bonds in the New Zealand market. The net proceeds of this bond issue were used primarily to repay existing bank debt.

Crown funding

Ultrafast Broadband

Chorus receives funding from the Crown to finance construction costs associated with the development of the UFB network. Chorus receives funding at a rate of NZ\$1,118 for every premises passed (as certified by CFH), in return Chorus issues CFH equity securities, CFH debt securities and CFH warrants. During the year ended 30 June 2016, Chorus recognised funding for 121,253 premises passed where user acceptance testing was complete at 30 June 2016, bringing the total premises passed at 30 June 2016 to approximately 474,000.

The equity and debt securities issued by Chorus have an issue price of NZ\$1 and are issued on a 50:50 basis. For each premises passed, NZ\$559 of equity securities and NZ\$559 of debt securities are issued by Chorus for which Chorus receives NZ\$1,118 funding in return. CFH warrants are issued for nil value. Chorus expects the total committed funding available for Chorus over the period of UFB network construction to be NZ\$929 million.

CFH equity securities

CFH equity securities are a class of unique security that carry no right to vote at meetings of holders of Chorus ordinary shares, but entitle the holder to a preferential right to repayment on liquidation and additional rights that relate to Chorus' performance under its construction contract with CFH.

Dividends will become payable on a portion of the CFH equity securities from 2025 onwards, with the portion of CFH equity securities that attract dividends increasing over time. A greater portion of CFH equity securities attract dividends if the proportion of premises with a fibre connection within Chorus' coverage area at 30 June 2020 does not exceed 20%. The dividend rate will be equal to the New Zealand 180-day bank bill rate plus a margin of 6% per annum. CFH equity securities can be settled by issuing Chorus shares valued at a 5% discount to the 20-day volume weighted average price for Chorus shares traded in ordinary trading on the NZX Main Board. In limited circumstances CFH equity securities may be converted by the holder into voting preference shares or ordinary shares.

Chorus is not obliged to declare any dividend on CFH equity securities in respect of any period, but if it does not make a scheduled dividend on the CFH equity securities, it may not pay dividends on the Chorus shares until a subsequent dividend on the CFH securities is paid in full. The dividends payable on the CFH equity securities are non-cumulative, which means that if Chorus does not make a scheduled dividend payment, the unpaid dividend falls away and does not become a debt due to the holder of the CFH equity securities.

CFH debt securities

CFH debt securities are unsecured, non-interest bearing and carry no voting rights at meetings of holders of Chorus ordinary shares. Chorus is required to redeem the CFH debt securities in tranches from 2025 to 2036 (at the latest) by repaying the issue price to CFH. An accelerated repayment schedule applies if the proportion of premises with a fibre connection within Chorus' coverage area at 30 June 2020 does not exceed 20%.

The principal amount of CFH debt securities consists of a senior portion and a subordinated portion, the ratio of which changes over time as described below. The senior portion ranks equally with all other unsecured, unsubordinated creditors of Chorus.

The subordinated portion ranks below all other indebtedness of Chorus, and above ordinary shares of Chorus.

The value of the senior portion of a CFH debt security at any time will be the present value of the sum repayable on the CFH debt security (that is, the issue price) at that time, calculated using a discount rate of 8.5%. Prior to 30 June 2020, calculation of the senior portion will assume that the end-consumer fibre uptake threshold will not be met at 30 June 2020, and will

therefore be based on the repayments applicable under that scenario. The subordinated portion of a CFH debt security at any time will be the difference between the issue price and the senior portion at that time (that is, the remainder of the issue price after subtracting the senior portion).

CFH warrants

Chorus issues CFH warrants to CFH for nil consideration along with each tranche of CFH equity securities. The CFH Warrants are intended to allow CFH (or the holder if they are transferred) to participate in the upside if the ordinary shares of Chorus perform in excess of a total shareholder return of 16% per annum over the relevant period described below.

Each CFH warrant gives CFH the right, on a specified exercise date, to purchase at a set strike price an ordinary share to be issued by Chorus. A CFH warrant will therefore be 'in the money' to the extent that the price that CFH can realise for the Chorus share exceeds the price paid to exercise the CFH warrant. The strike price for a CFH warrant is based on a total shareholder return of 16% per annum on Chorus shares. Therefore, a holder of a CFH warrant is only likely to exercise the CFH warrant if total shareholder return on Chorus shares has exceeded 16% per annum to the exercise date of the CFH warrant.

Overview of the New Zealand telecommunications industry

Introduction

Chorus' demerger from Telecom (now Spark) in late 2011 followed fundamental changes in the regulation of the New Zealand telecommunications industry. Chorus, previously the fixed network unit of Telecom, became a standalone listed entity. Telecom's wholesale unit and retail business remained with Spark.

The Chorus Group is a participant in the New Zealand telecommunications and information technology industries. Broadly, the telecommunications industry can be defined as fixed and mobile calling, messaging and managed and unmanaged data services. These products are delivered across a variety of platforms. Owing to the changing nature of the underlying technologies involved, the telecommunications industry is developing significant overlaps with other previously distinct industries, such as IT services, entertainment, and information services (for example search, classifieds, online trading and display).

As described above, the Chorus Group provides open access wholesale services to approximately 100 RSPs. The Chorus Group is prohibited from selling services directly to end-consumers.

The diagram below illustrates the high level structure of the Chorus Group's nationwide network infrastructure at the date of this Information Memorandum, and how that network transfers information from a local premises (for example, an internet browser or email in a home) to local exchanges and cell towers.

The Chorus Group's cables typically connect to local rural or urban exchanges, of which it has approximately 600 nationwide at the date of this Information Memorandum. The methods of connection from a premises to a local exchange are discussed further below.

Local exchanges are the link between the Chorus Group's network and major exchanges, and regional and national backhaul services, provided by the wholesale unit of Spark ("**Spark Wholesale**"). Spark Wholesale also provides access to international markets via the Southern Cross undersea cable.

The Chorus Group's fibre also connects many cell towers owned by mobile service providers, with mobile phone calls in New Zealand typically connecting via the Chorus Group's network at some point.

The overall telecommunications network described above is frequently referred to as the Public Switched Telephone Network ("**PSTN**") and broadly includes the network infrastructure and equipment to deliver communications services both within New Zealand and to the outside world, allowing fixed and mobile phones and data devices such as computers to communicate with other devices.

The original New Zealand telecommunications network was based entirely on copper cables that carried the voice and data traffic and, whilst progressively being replaced by fibre, use of copper is still predominant as it is still heavily utilised in the local access part of the network.

In more recent times, the use of fibre optic cables has been increasing throughout the core network, regional backhaul and the access network. This technology allows data and information to be sent down a very thin strand of glass via light waves rather than electrical signals. Light transmission allows for higher data rates than conventional copper wire, coaxial cable and many forms of radio transmission and as a result more information can be transferred quicker from one point in the network to another when compared to the older network technologies.

Connecting from a premises to a local exchange

Across the fixed local access network there are three main methods of connection of a premises to the local exchange:

1. **Directly connecting to the exchange through copper.** At the date of this Information Memorandum, the copper access network (often referred to as the local loop) remains the most common form of local fixed access network connection in New Zealand and utilises copper for the connection between a premises and a roadside cabinet or local exchange.
2. **Connecting to a cabinet by copper and then from the cabinet to the exchange on fibre.** The Chorus Group maintains a substantial fibre-to-the-node ("**FTTN**") network. FTTN refers to local access network architecture with fibre from the local exchange to the roadside cabinet and a copper connection from the roadside cabinet to the end-consumer premises. This is designed to boost broadband speeds by shortening the copper access or local loop distance between an end-consumer's premises and the point in the network where fibre was available to carry the traffic further. As a result of the FTTN network and the shorter copper local loop lengths, end-consumers are able to access higher speed broadband services and also can take advantage of newer DSL technologies like VDSL2.
3. **Directly connecting via fibre.** The objective of the first stage of the New Zealand Government's UFB programme is to deploy a fibre to the premises (FTTP) local access network infrastructure to 75% of New Zealanders. This network utilises fibre cables from the exchange to roadside cabinets as well as over the final connection between the roadside cabinets and the end-consumer premises. Typically the FTTP local access network architecture allows for the highest data speeds and capacity which enable high bandwidth end-consumer services such as Internet Protocol Television ("**IPTV**") (whereby television is delivered via the internet or another access network) and high definition video conferencing, which are less effectively delivered over existing copper access networks.

Competition

As expected since the start of the UFB and RBI rollouts, the Chorus Group has recently seen some line loss to other fibre and wireless networks. This is reflected in the reduction in the Chorus Group's total fixed line count from 1,794,000 to 1,727,000 during the year ended 30 June 2016.

The Government's other UFB partners – Northpower, Ultra-fast Fibre and Enable – had passed an estimated 340,000 homes and businesses by 30 June 2016. Chorus understands that they too are experiencing strong fibre uptake and have connected an estimated 85,000 end-consumers, up from approximately 35,000 at 30 June 2015.

The Chorus Group also competes with Vodafone's cable network in the Wellington area where the Chorus Group is building the UFB network and in Christchurch where the Chorus Group has its existing network. Vodafone has announced it intends to upgrade its cable network and offer 1Gbps services in 2016.

During the year ended 30 June 2016 the Chorus Group has seen some line loss to wireless networks, particularly in rural areas where its network has limited backhaul capacity at the date of this Information Memorandum. This has been expected given Vodafone's rural broadband contract with the New Zealand Government to provide wireless broadband coverage to 80% of rural households. Chorus expects wireless competition to grow now that Spark has launched fixed wireless broadband services in rural and urban areas. The technical constraints of fixed wireless networks means these services have datacap limits, while unlimited data plans are now typically promoted by retailers for fixed line services.

Recent industry developments

The New Zealand retail market has been through a period of significant consolidation, particularly amongst second tier providers. In February 2016 Vocus finalised its merger with M2 which had bought the Callplus group in April 2015. In July 2016 Sky TV shareholders approved a proposal to merge with Vodafone New Zealand and this is now subject to final Commerce Commission approval.

For the most part, retailers are now focused on growing their relative shares of the broadband market and this has spurred significant price-based competition with some providers offering high-speed plans at much reduced prices for the initial year of a two-year contract.

Another market dynamic in the year ended 30 June 2016 has been the shift in retail focus from the 30Mbps entry level fibre service to the 100Mbps service. At the date of this Information Memorandum, most retailers now promote the 100Mbps service as their default fibre product and have encouraged existing fibre end-consumers to upgrade their service with special offers. As a result, by 30 June 2016 the Chorus Group had 54% of mass market fibre end-consumers on plans of 100Mbps or higher, up from 32% at 30 June 2015.

The proliferation of easy to access online video content, particularly Netflix and YouTube, has continued to drive an upsurge in the amount of bandwidth consumed over the Chorus Group's network. In January 2012 the average household monthly bandwidth demand across the Chorus Group's network was 13 gigabytes ("**GB**"). By January 2015 it had increased to 50GB and by June 2016 it had doubled to 100GB.

UFB and RBI extensions

The New Zealand Government has announced it is seeking to extend the UFB network beyond the current planned footprint to at least another 5% of New Zealanders by the end of 2022 and extend investment in rural broadband by another NZ\$100 million. Updates on both initiatives are expected in the year ending 30 June 2017.

However, the details of the proposed new regulatory framework are still to be decided. This makes it difficult for the Chorus Group to assess what returns are likely on any new investment. The Chorus Group has expressed its interest and willingness to participate in these initiatives if a fair return can be earned on its investment and there is long-term value for shareholders.

Regulation of the Chorus Group

The Telco Act

The telecommunications sector in New Zealand is currently principally governed by the Telco Act, which provides for certain telecommunications services to be regulated by the Commerce Commission.

Most services the Chorus Group provides can be regulated under the Telco Act on price and non-price terms. Recent regulated pricing determinations are described under "*Regulatory Reviews and Litigation*" below.

Amongst other things, the Telco Act:

- provides the open access undertakings for the Chorus Group with respect to its copper and fibre networks and Rural Broadband Initiative products, as described below;
- includes "line of business" restrictions on the Chorus Group, prohibiting the Chorus Group from providing services to end-consumers, from selling services linking two or more end-consumer sites and from participating in services above Layer 2 (see "*The Chorus Group's customer base*" above);
- includes oversight of the transitional and long term commercial arrangements between Spark and the Chorus Group to ensure that these arrangements are on arm's length terms, unlikely to harm competition, and ensure the protection of confidential commercial and customer information;
- provides the framework and the legislative vehicle for implementing the UFB programme and the RBI; and

- implements the TSO, as described below.

The UFB Agreement includes a mechanism for the Chorus Group to seek compensation from CFH if regulatory determinations have an adverse impact before 2020. This compensation mechanism is limited to NZ\$350 million of economic compensation from adjusting arrangements under the existing contracts and will not involve CFH paying the Chorus Group any amounts above the agreed approximately NZ\$929 million investment.

As discussed below, the New Zealand Government has commenced a review of the Telco Act as to the appropriate regulatory framework to apply from 2020.

Chorus Open Access Deeds of Undertaking

Chorus is bound by three open access deeds of undertaking. The Copper Undertakings, Fibre Undertakings and RBI Undertakings represent a series of legally binding obligations focused around the provision of services on a non-discriminatory or equivalent basis.

1. **Copper Undertakings:** Under the Copper Undertakings, the Chorus Group is obliged to supply UCLL services using the legacy copper access network on an equivalence of inputs basis. The Chorus Group is obliged to supply UBA services in a bundle with local access and calling. If the Chorus Group supplies certain services (including UBA Backhaul services, wholesale services that are supplied using (or provide access to) the unbundled elements of the legacy access network, and UCLFS) it must do so on a "non-discriminatory" basis. That is, in the supply of the relevant service the Chorus Group must not treat access seekers, including itself, differently unless those differences are objectively justifiable and do not harm, or are unlikely to harm, competition.

The Copper Undertakings also include, amongst other things, provision for reporting breaches, certification of compliance, treatment of commercial information and customer confidential information, and internal audit processes. There is also a requirement on the Chorus Group to commit to a reasonable plan containing timeframes for the transition to end sharing arrangements.

2. **Fibre Undertakings:** Under the Fibre Undertakings, Chorus must achieve non-discrimination in relation to the supply of wholesale services that are provided using, or that provide access to, unbundled elements of the fibre network. The Chorus Group is obliged to ensure that it designs and builds the UFB network in a way that enables, and achieves, equivalence in relation to the supply of unbundled Layer 1 services from 1 January 2020.

The Fibre Undertakings also include, amongst other things, provision for reporting breaches, certification of compliance, treatment of commercial information and customer confidential information, and internal audit processes.

3. **RBI Undertakings:** The RBI Undertakings require the Chorus Group to achieve non-discrimination in relation to the supply of RBI services, which use the network constructed with Crown funding under the RBI contract. If the RBI service is a service required to be provided on an equivalence of inputs basis under the Copper Undertakings or Fibre Undertakings when it is delivered over a network regulated by either of those undertakings, then the RBI service must also be delivered on an equivalence of inputs basis. The RBI Undertakings also include, amongst other things, provision for reporting breaches.

Telecommunications Services Obligations and Levies

The Telecommunications Services Obligations ("**TSO**") are the regulatory mechanism by which universal service obligations for residential, local access and calling services are imposed and administered. Chorus is required to maintain lines and coverage obligations, and provide a voice input service. On 9 July 2013, the New Zealand Government issued a discussion document on the TSO as part of a scheduled review, and Chorus made submissions. The

timing for a formal update on the review from the New Zealand Government is unknown and there is no guarantee or certainty of the outcome.

The Telecommunications Development Levy (TDL) is an industry levy of NZ\$50 million per year, which was initially scheduled to reduce to NZ\$10 million each year from the year ended 30 June 2016. In May 2015, the New Zealand Government extended the TDL so that the levy will continue to be NZ\$50 million per year until the year ending 30 June 2019, reducing to NZ\$10 million each year thereafter, as part of its RBI extension policy described above.

The TDL can be used to pay for any TSO charges, non-urban telecommunications infrastructure, upgrades to emergency calling and other wide purposes so long as a consultation process is followed.

The amount payable by each liable person (including the Chorus Group) is determined by the Commerce Commission based on the proportion of revenue that each liable person receives from telecommunications services offered by means of a public telephone network. For the year ended 30 June 2015, the Commerce Commission determined that Chorus was liable for approximately NZ\$11.1 million of the TDL (2014: NZ\$11.5 million).

Chorus is also required to contribute towards the Commerce Commission's costs through a Telecommunications Regulatory Levy ("**TRL**"). For the year ended 30 June 2015, Chorus was determined to be liable for NZ\$1.3 million of the TRL (2014: NZ\$1.1 million).

UFB Agreement

Chorus has entered into contracts relating to the Chorus Group's participation in the first stage of the New Zealand Government's UFB programme (together, the "**UFB Agreement**") including:

- the Network Infrastructure Project Agreement ("**NIPA**") dated May 2011 with CFH. This agreement governs the contractual arrangement between Chorus and CFH relating, in general, to the design, build, delivery and operation of the UFB network, and applies to the 24 UFB candidate areas awarded to Chorus by CFH (approximately 70% of first stage of the New Zealand Government's UFB programme, which is expected to pass approximately 75% of New Zealand's population);
- the CFH Subscription Agreement dated May 2011 with CFH, which provides for the issue of CFH equity securities, CFH debt securities and CFH warrants as described under "*Description of the Chorus Group's Business – Crown funding*" above; and
- a Deed of Operational and Governance Undertakings ("**Deed of Operational and Governance Undertakings**") dated 11 November 2011 in favour of the Crown, which imposes certain operational and governance undertakings on Chorus as described below.

The NIPA will continue until the later of: (i) the completion by the Chorus Group of the design and build obligations imposed by the UFB Agreement; or (ii) 31 December 2019. The NIPA covers the following matters:

- the design, build and operation of a fibre fixed line network in the 24 UFB candidate areas awarded to Chorus by CFH;
- governance of the Chorus Group fibre network business (including CFH's role in the governance of the fibre network business);
- the delivery of specified Layer 1 and Layer 2 services and products on the UFB network at specified prices; and
- commitments to prioritising the fibre network (including obligations to promote fibre and support fibre uptake and restrictions on copper services and products).

Under the NIPA, the Chorus Group designs, builds, owns and operates the UFB network, which comprises both new infrastructure deployed under the NIPA and the Chorus Group's fibre infrastructure that existed at the time of Chorus' demerger.

The design and build of the UFB network comprises two components:

- communal infrastructure (which will deliver fibre past premises); and
- the connection of premises to the communal infrastructure as dictated by demand, with the Chorus Group meeting the cost of standard residential connections (including the network equipment in the end-consumer's home and in the exchange to enable service delivery).

There are potentially significant consequences (including financial) for Chorus under the NIPA if it breaches its UFB design, build, delivery or operation obligations, including:

- potentially significant default payments if Chorus fails to meet performance milestones or service levels;
- potentially significant damages claims or specific performance for other breaches;
- for prolonged or significant performance failure, CFH may be able to exercise management step-in rights, require payment of liquidated damages (up to NZ\$50,000 per day for up to 6 months) and/or terminate the NIPA. CFH and the Issuer have agreed, for the benefit of the Chorus Group's senior financiers, the obligation to pay these liquidated damages will be subordinated to senior indebtedness of the Issuer.

The NIPA allocates various decision-making rights over the term of the agreement between Chorus and CFH through the creation of certain governance committees and roles. In addition:

- CFH is entitled to nominate one person to be an independent director of Chorus. Chorus must consider this nominee in good faith, but the appointment and removal of any such nominee as a director of Chorus will be made in accordance with law and Chorus' ordinary process for director appointments and removals.
- Chorus must consult with CFH on the appointment of the senior executive responsible for fibre business, and gain CFH's consent for the replacement of certain key personnel.

Under the Deed of Operational and Governance Undertakings, no person may be appointed or hold office as a director of Chorus who is an associated person of a provider of telecommunications services in New Zealand. Further, under that deed, Chorus has committed to the New Zealand Government that:

- Chorus, its directors and its employees will comply with the ownership restrictions described under "*Ownership restrictions*" below;
- Chorus will ensure that the New Zealand Government's approval is obtained in accordance with those ownership restrictions; and
- Chorus will not take any step to remove or change the effect of the constitutional provisions giving effect to those ownership restrictions.

Ownership restrictions

Chorus' constitution includes ownership restrictions, under which the New Zealand Government's prior written approval is required for (a) any person to have a relevant interest in 10% or more of the shares in Chorus, or (b) any person other than a New Zealand national to have a relevant interest in more than 49.9% of shares in Chorus.

A special resolution to change any of these constitutional provisions must be approved by 100% of the votes cast on the resolution (not 75%, as is required in other cases).

Other legislation

The Chorus Group is subject to other legislative requirements such as the requirements of the Commerce Act 1986, Fair Trading Act 1986, as well as telecommunications codes.

The Chorus Group is also subject to the Telecommunications (Interception Capability and Security) Act 2013 ("**TICSA**"), which replaces the Telecommunications (Interception Capability) Act 2004. The TICSA has reduced the Chorus Group's obligations to provide lawful interception capability as the Chorus Group is no longer required to pre-invest in lawful interception solutions for wholesale network services and infrastructure level services.

However, the TICSA introduced new obligations on network operators to prevent, sufficiently mitigate or remove network security risks arising from public telecommunications networks. The Chorus Group, like other network operators, is obliged to engage with the New Zealand Government Communications Security Bureau where it might affect New Zealand's national security and this has the potential to drive significant compliance costs.

Regulatory reviews and litigation

Pricing of UCLL and SLU services

The terms, including price, for UCLL and SLU services are currently regulated by the Commerce Commission. On 3 December 2012, the Commerce Commission issued a final decision on its benchmarking review of the price Chorus can charge for UCLL. The final averaged UCLL price of NZ\$23.52 per month represented a 3.8% reduction from the then existing price. Those benchmarking prices applied from December 2012. The UCLL price is linked to a number of other Chorus services, meaning that the UCLFS and SLU prices, and some UBA prices, were impacted by the decision.

Chorus applied to the Commerce Commission to review the benchmarked UCLL price using a final pricing principle of Total Service Long Run Incremental Cost ("**TSLRIC**"). On 15 December 2015, the Commission released a final determination, which proposed a glide path for pricing over a five-year period, the price for the twelve month period from 16 December 2015 is NZ\$29.75 for UCLL and NZ\$15.52 for SLU. In the pending regulatory reviews (refer "Regulatory framework review" below) the New Zealand Government is consulting on whether UCLL should remain available after 2020.

The final prices applied from 16 December 2015. In a split decision, the Commerce Commission confirmed that it would not backdate the final UCLL (and UBA) prices, which prevented Chorus from recouping, from RSPs, the difference between the benchmarked and final prices over the period December 2012 to December 2015.

Pricing of UCLFS

To meet TSO requirements, the Chorus Group has made a technology neutral voice input service, baseband, available on a commercial basis. The pricing of a subset of this service, UCLFS (a voice input service offered over the copper access network), is set at the averaged UCLL price as determined by the Commerce Commission. Because the UCLFS price is linked to the UCLL price, the same UCLL monthly pricing applied to UCLFS from 16 December 2015. The UCLFS price flows contractually to the baseband price.

UBA

The terms, including price, for UBA are currently regulated by the Commerce Commission. The UBA price comprises the UCLL price plus an uplift for UBA. On 5 November 2013, the Commerce Commission issued an initial benchmarked decision on the UBA uplift pricing reducing the UBA uplift from NZ\$21.46 to NZ\$10.92 per month based on benchmarking of

pricing in two countries. The Commerce Commission's initial benchmarked UBA uplift of NZ\$10.92 applied from 1 December 2014.

Chorus applied to the Commerce Commission to review the UBA price, using a final pricing principle of TSLRIC. In December 2015, the Commerce Commission issued a final determination, with a glide path for the UBA uplift over a five year period, the price for the 12 month period from 16 December 2015 is NZ\$11.44.

UBA STD

At the date of this Information Memorandum, the Commerce Commission is considering possible changes to the general terms and service description (for example, regarding the technical characteristics) of the UBA STD. A final decision is expected in late 2016.

Consenting requirements

The Telecommunications (Property Access and Other Matters) Bill was introduced to Parliament on 29 June 2016. The Bill proposes to introduce streamlined consenting processes to make it easier for Chorus to install fibre where the consent of more than one party is required. The Bill received multi party support at its first reading. The timing and outcome of any consequential law changes is not known.

Regulatory framework review

As part of its regulatory review programme, in September 2015 the New Zealand Government commenced a review of the Telco Act. Further publicly released documents in April and July 2016 proposed that a building block regulatory framework be put in place for copper and fibre services. The proposed form of regulatory control is a revenue cap with some price capped services set by the regulator as well as information disclosure. It is also proposed that there is asymmetric downside risk on the revenue cap for Chorus and regulatory approval for capital expenditure.

The review is expected to establish the framework in which regulated service specifications, prices and non-price terms will be set for copper-based and fibre-based services from 2020 onwards and the New Zealand Government has indicated it anticipates passing legislation in 2017 to implement the new regulatory framework.

Litigation

The Chorus Group may have ongoing claims, investigations and inquiries, at any given time. At the date of this Information Memorandum there are none which are currently expected to have significant effect on the financial position or profitability of the Chorus Group.

Chorus cannot reasonably estimate the adverse effect, if any, on the Chorus Group if any of the outstanding claims or inquiries are ultimately resolved against Chorus' interest. There can be no assurance that such cases will not have a significant effect on Chorus' business, financial position, and results of operations or profitability.

Insurance

The Chorus Group has put in place insurance arrangements for damage to assets (and resultant business interruption) and liabilities relating to claims that might arise from the Chorus Group's activities. The Chorus Group does not have its own captive insurance company. The Chorus Group's insurance policies are placed with insurers of acceptable security and the levels of retained risk and coverage purchased the Chorus believes are appropriate to its business activities, subject to insurance being available on commercially reasonable terms.

Corporate Governance

Corporate governance framework

Chorus is incorporated in New Zealand and has its shares quoted on the New Zealand and Australian stock exchanges.

Chorus' governance practices and policies reflect, and are consistent with:

- the NZX Main Board Listing Rules and NZX Corporate Governance Best Practice Code; and
- the principles set out in the New Zealand Financial Market Authority's Corporate Governance Principles and Guidelines.

The Board regularly reviews and assesses Chorus' governance policies, processes and practices to identify opportunities for enhancement and to ensure they reflect Chorus' operations and culture.

Chorus has adopted a formal Charter which sets out how the Board will exercise and discharge its powers and responsibilities in relation to the business and affairs of Chorus.

Board Committees

At the date of this Information Memorandum, the Board has established three standing Board Committees to assist it in carrying out its responsibilities. The Board has delegated some of its responsibilities, powers and authorities to those Committees.

- **Audit and Risk Management Committee ("ARMC").** The ARMC assists the Board in ensuring oversight of all matters relating to risk management, financial management and controls and the financial accounting, audit and reporting of Chorus. At the date of this Information Memorandum, its members are Anne Urlwin (chairman), Patrick Strange and Jon Hartley.
- **Human Resources and Compensation Committee ("HRCC").** The HRCC assists the Board in overseeing people policies and strategies, including Chorus' remuneration frameworks, and reviewing candidates for, and the performance and remuneration of,

The Board may also establish other ad-hoc Board sub-committees or standing Board committees and delegate specific responsibilities, powers and authorities to those committees and to particular directors.

UFB Agreement

The UFB Agreement also contains provisions relevant to Chorus' governance as described under "*Description of the Chorus Group's Business - Regulation of the Chorus Group*" in this Information Memorandum.

TAXATION

The following is a general description of certain tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in the countries described below or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. This summary is based upon the law as in effect on the date of this Information Memorandum and is subject to any change in law that may take effect after such date.

New Zealand

Where used in this section, "interest" means interest as defined under New Zealand tax legislation for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note.

Non-Resident Withholding Tax

Although New Zealand law requires a deduction on account of non-resident withholding tax to be made from the payment of interest to any holder of a Note who is not a New Zealand Holder (as defined below), the Issuer and the Guarantors (as applicable) intend (for so long as it does not incur any increased cost or detriment from so doing) to reduce the applicable rate of non-resident withholding tax to zero per cent (in the case of holders of Notes who are not New Zealand Holders and are not associated with the Issuer or the Guarantors (as applicable)) by registering the Programme with the New Zealand Inland Revenue Department and paying, on its own account, a levy (known as Approved Issuer Levy) equal to two per cent of the relevant interest payment.

Resident Withholding Tax

The Issuer or the Guarantors (as applicable) are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, if:

- (a) the holder is a resident of New Zealand for income tax purposes or otherwise receives payments of principal or interest from the Issuer or a Guarantor subject to the New Zealand resident withholding tax rules, which at the date of this Information Memorandum includes a holder that is engaged in business in New Zealand through a fixed establishment in New Zealand (a "**New Zealand Holder**"); and
- (b) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption for New Zealand resident withholding tax purposes.

Prior to any Interest Payment Date or Maturity Date any New Zealand Holder:

- (a) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent or Registrar (as applicable) that the New Zealand Holder is the holder of a Note; and
- (b) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent or Registrar (as applicable) of any circumstances, and provide the Issuer or the Guarantors (as applicable) or the relevant Paying Agent or Registrar (as applicable) with any information, that may enable the Issuer or the Guarantors (as applicable) to make the payment of Interest to the New Zealand Holder without deduction on account of a New Zealand resident withholding tax.

A New Zealand Holder must notify the Issuer and the Guarantors (as applicable), prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the Issuer's or the Guarantor's payment or withholding obligations in respect of any Note. By accepting payment of the full

face amount of a Note or any interest thereon on any Interest Payment Date or Maturity Date, a New Zealand Holder will be deemed to have indemnified the Issuer or the Guarantors (as applicable) for all purposes in respect of any liability which the Issuer or the Guarantors (as applicable) may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Draft legislation has been introduced that, if enacted in its current form, could impact on the treatment of the payment of interest to a recipient who is not tax resident in New Zealand but carries on business in New Zealand through a fixed establishment in New Zealand. Where that fixed establishment does not hold the Notes, payments of interest to the Noteholder would become subject to New Zealand non-resident withholding tax rather than resident withholding tax once the new rules apply to the Notes.

The Proposed Financial Transaction Tax (FTT)

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). However Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced in the form proposed by the European Commission, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (i) by transacting with a person established in a participating Member State or (ii) where the financial instrument which is subject to the dealings is issued in a participating Member State.

The FTT remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional Members States may decide to participate. Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement (the "**Programme Agreement**") dated 28 September 2016, agreed with the Issuer a basis upon which they or any of them may from time to time agree to subscribe the Notes. Any such agreement will extend to those matters stated under "*Forms of the Notes*" and "*Terms and Conditions of the Notes*". The Issuer will pay each relevant Dealer a commission as agreed between them in respect of the Notes subscribed by it. Where the Issuer agrees to sell to the Dealer(s), who agree to subscribe and pay for, or to procure subscribers to subscribe and pay for, the Notes at an issue price (the "**Issue Price**"), any subsequent offering of those Notes to investors may be at a price different from such Issue Price. The Issuer has agreed to be responsible for certain of the Arrangers' expenses incurred in connection with the establishment, and any future update, of the Programme and reimburse the Dealers certain of their activities in connection with the Programme. The commissions in respect of an issue of the Notes on a syndicated basis may be stated in the relevant Pricing Supplement.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Programme Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

In connection with the issue of any Tranche of the Notes, the Dealer(s) (if any) named as the stabilising manager(s) (the "**Stabilising Manager(s)**") (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Pricing Supplement may, to the extent permitted by applicable laws and rules, over allot the Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of the Notes is made and, if begun, may cease any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Series of the Notes and 60 days after the date of the allotment of the relevant Tranche of the Notes.

In connection with each Series of the Notes issued under the Programme, the Dealers or certain of their affiliates may subscribe or purchase Notes and be allocated Notes for asset management and/or proprietary purposes but not with a view to distribution. Further, the Dealers or their respective affiliates may purchase Notes for its or their own account and enter into transactions, including credit derivatives, such as asset swaps, repackaging and credit default swaps relating to such Notes and/or other securities of the Issuer, the Guarantor or their respective subsidiaries or affiliates at the same time as the offer and sale of each Series of the Notes or in secondary market transactions. Such transactions would be carried out as bilateral trades with selected counterparties and separately from any existing sale or resale of the Series of the Notes to which a particular Pricing Supplement relates (notwithstanding that such selected counterparties may also be purchasers of such Series of the Notes).

The Dealers and their affiliates are full service financial institutions engaged in various activities which may include securities trading, commercial and investment banking, financial advice, investment management, principal investment, hedging, financing and brokerage activities. Each of the Dealers may have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Issuer, the Original Guarantor or their respective subsidiaries, jointly controlled entities or associated companies from time to time. In the ordinary course of their various business activities, the Dealers and their affiliates may make or hold (on their own account, on behalf of clients or in their capacity of investment advisers) a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments and enter into other transactions, including credit derivatives (such as asset swaps, repackaging and credit default swaps) in relation thereto. Such transactions, investments and securities activities may involve securities and instruments of the Issuer, the Original Guarantor or their respective subsidiaries, jointly controlled entities or associated companies, including Notes issued under the Programme, may be entered into at

the same time or proximate to offers and sales of the Notes or at other times in the secondary market and be carried out with counterparties that are also purchasers, holders or sellers of the Notes.

If a jurisdiction requires that the offering be made by a licensed broker or dealer and a Dealer or any affiliate of that Dealer is a licensed broker or dealer in that jurisdiction, the offering shall be deemed to be made by that Dealer or such affiliate on behalf of the Issuer in such jurisdiction.

In connection with an issue of the Notes under the Programme, the Issuer may, pursuant to the subscription agreement relating to such issue, agree to pay, through the Dealers, a commission to certain private banks based on the principal amount of the Notes purchased by the clients of such private banks. If such commission is payable, it shall be specified in the Pricing Supplement relating to such issue of the Notes.

and (in any such case) that either releasing such Guaranteeing Subsidiary from its guarantee and covenants hereunder or permitting such Material Subsidiary to remain a non-Guaranteeing Subsidiary (as the case may be) will not in their opinion have a materially adverse effect on the Noteholders. Subject to Section 750 of the Companies Act 2006 (if applicable) and notwithstanding anything to the contrary in this Trust Deed, the Notes or the Paying Agency Agreement, the Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed, the Notes or the Paying Agency Agreement save in relation to its own gross negligence, wilful default or fraud.

12.1.1 *Normal remuneration:* The Issuer or, failing whom, the Guarantors, shall pay to the Trustee remuneration for its services as trustee as from the date of this Trust Deed, such remuneration to be at such rate as may from time to time be agreed between the Issuer and the Trustee. Such remuneration shall be payable in advance on the anniversary of the date hereof in each year and the first payment shall be made on the date hereof. Such remuneration shall accrue from day to day and be payable (in priority to payments to the Noteholders, Receipholders or Couponholders up to and including the date when, all the Notes having become due for redemption, the redemption moneys and interest thereon to the date of redemption have been paid to the Principal Paying Agent or the Trustee, *provided that* if upon due presentation (if required pursuant to the Conditions) of any Note or any cheque, payment of the moneys due in respect thereof is improperly withheld or refused, remuneration will commence again to accrue).

12.1.2 *Extra remuneration:* In the event of the occurrence of an Event of Default the Issuer agrees that the Trustee shall be entitled to be paid additional remuneration which shall be calculated at its normal hourly rates in force from time to time. In any other case, if the Trustee considers it expedient or necessary or being requested by the Issuer or a Guarantor to undertake duties which the Trustee and the Issuer or a Guarantor agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under this Trust Deed, the Issuer or, failing whom, the Guarantors, shall pay to the Trustee such additional remuneration as shall be agreed between them.

12.1.4 *Failure to agree:* In the event of the Trustee and the Issuer or the Guarantors failing to agree:

- (a) (in a case to which sub-clause 12.1.1 applies) upon the amount of the remuneration; or

such matters shall be determined by a person or investment bank (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Issuer or, failing such approval, nominated (on the application of the Trustee) by the President for the time being of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such person or investment bank being payable by the Issuer or, failing whom, the Guarantors) and the determination of any such person or investment bank shall be final and binding upon the Trustee, the Issuer and the Guarantors.

12.1.5 *Expenses:* The Issuer or, failing whom, the Guarantors shall also pay or discharge all costs, charges and expenses incurred by the Trustee in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner in relation to, this Trust Deed, including but not limited to legal and travelling expenses and any stamp, issue, registration, documentary and other taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on behalf of the Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, this Trust Deed.

12.1.6 *Indemnity:* The Issuer or, failing whom, the Guarantors shall indemnify the Trustee (a) in respect of all liabilities and expenses incurred by it or by any Appointee or other person appointed by it to whom any trust, power, authority or discretion may be delegated by it in the execution or purported execution of the trusts, powers, authorities or discretions vested in it by this Trust Deed and (b) against all liabilities, actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to this Trust Deed *provided that* it is expressly stated that Clause 11.5 (*Trustee Liability*) shall apply in relation to these provisions.

12.1.7 *Payment of amounts due:* All amounts due and payable pursuant to sub-clauses 12.1.5 (*Expenses*) and 12.1.6 (*Indemnity*) shall be payable by the Issuer on the date specified in a demand by the Trustee; the rate of interest applicable to such payments shall be equal to the Trustee's cost of borrowing and interest shall accrue:

- (a) in the case of payments made by the Trustee prior to the date of the demand, from the date on which the payment was made or such later date as specified in such demand;
- (b) in the case of payments made by the Trustee on or after the date of the demand, from the date specified in such demand, which date shall not be a date earlier than the date such payments are made.

All remuneration payable to the Trustee shall carry interest at the rate specified in this Clause 12.1.7 (*Payment of amounts due*) from the due date thereof;

- 12.1.8 *Apportionment of expenses:* The Trustee shall apportion the costs, charges, expenses and liabilities incurred by the Trustee in the preparation and execution of the trusts of this Trust Deed (including remuneration of the Trustee) between the several Series of Notes in such manner and in such amounts as it shall, in its absolute discretion, consider appropriate.

In that event, the Issuer or the relevant Guarantor, shall pay such additional amounts as would have been received by it had no such withholding or deduction been required.

12.2 Stamp duties

The Issuer or, failing whom, the Guarantors will pay all stamp duties, registration taxes, capital duties and other similar duties or taxes (if any) payable on (a) the constitution and issue of the Notes, (b) the initial delivery of the Notes, (c) any action taken by the Trustee (or any Noteholder, Receiptholder or Couponholder where permitted or required under this Trust Deed so to do) to enforce the provisions of the Notes or this Trust Deed and (d) the execution of this Trust Deed. If the Trustee (or any Noteholder, Receiptholder, or Couponholder where permitted under this Trust Deed so to do) shall take any proceedings against the Issuer or a Guarantor in any other jurisdiction and if for the purpose of any such proceedings this Trust Deed or any Notes is taken into any such jurisdiction and any stamp duties or other duties or taxes become payable thereon in any such jurisdiction, the Issuer will pay (or reimburse the person making payment of) such stamp duties or other duties or taxes (including penalties).

- 12.3.2 *Extent of Discharge:* An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer, the Guarantor or otherwise) by the Trustee or any Noteholder, Receiptholder or Couponholder in respect of any sum expressed to be due to it from the Issuer and/or a Guarantor will only discharge the Issuer and/or the relevant Guarantor to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or

recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so); and

12.3.3 *Indemnity*: If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed or the Notes, the Receipts or the Coupons, the Issuer or, failing whom, the Guarantors will indemnify it against any Liability sustained by it as a result. In any event, the Issuer will indemnify the recipient against the cost of making any such purchase.

12.4 Indemnities separate

The indemnities in this Clause 12 constitute separate and independent obligations from the other obligations in this Trust Deed, will give rise to separate and independent causes of action, will apply irrespective of any indulgence granted by the Trustee and/or any Noteholder, Receiptholder or Couponholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed or the Notes, the Receipts or the Coupons or any other judgment or order. Any such Liability as referred to in sub-clause 12.3.3 (*Indemnity*) shall be deemed to constitute a Liability suffered by the Trustee, the Noteholders, the Receiptholders and the Couponholders and no proof or evidence of any actual Liability shall be required by the Issuer or the Guarantors or their liquidator or liquidators.

13. APPOINTMENT AND RETIREMENT

13.1 Appointment of Trustees

A trust corporation may be appointed sole trustee hereof but subject thereto there shall be at least two trustees hereof one at least of which shall be a trust corporation. Any appointment of a new trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Agents and the Noteholders. The Noteholders shall together have the power, exercisable by Extraordinary Resolution, to remove any trustee or trustees for the time being hereof. The removal of any trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such removal.

13.2 Co-trustees

Notwithstanding the provisions of Clause 13.1 (*Appointment of Trustees*), the Trustee may, upon giving prior notice to the Issuer and the Guarantors but without the consent of the Issuer, the Guarantors or the Noteholders, the Receiptholders or the Couponholders, appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:

13.2.1 if the Trustee considers such appointment to be in the interests of the Noteholders, the Receiptholders or the Couponholders; or

13.2.2 for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts are to be performed; or

13.3 Attorneys

The Issuer and each of the Guarantors each hereby irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Trust Deed) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by this Trust Deed) and such duties and obligations as shall be conferred on such person or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such proper remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of this Trust Deed be treated as costs, charges and expenses incurred by the Trustee.

13.4 Retirement of Trustees

Any Trustee for the time being of this Trust Deed may retire at any time upon giving not less than three calendar months' notice in writing to the Issuer and the Guarantors without assigning any reason therefor and without being responsible for any costs occasioned by such retirement. The retirement of any Trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such retirement. Each of the Issuer and each Guarantor hereby covenants that in the event of the only trustee hereof which is a trust corporation giving notice under this Clause it shall use its best endeavours to procure a new trustee, being a trust corporation, to be appointed and if the Issuer has not procured the appointment of a new trustee within 30 days of the expiry of the Trustee notice referred to in this Clause 13.4, the Trustee shall be entitled to procure forthwith a new trustee.

13.5 Competence of a majority of Trustees

Whenever there shall be more than two trustees hereof the majority of such trustees shall (provided such majority includes a trust corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by this Trust Deed in the Trustee generally.

13.6 Powers additional

The powers conferred by this Trust Deed upon the Trustee shall be in addition to any powers which may from time to time be vested in it by general law or as the holder of any of the Notes, the Receipts or the Coupons.

13.7 Merger

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or

consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Clause, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

15.4 Rights of the Trustee and Noteholders to take proceedings outside England

Clause 15.2 (*English courts*) is for the benefit of the Trustee and the Noteholders only. As a result, nothing in this Clause 15 (*Law and jurisdiction*) prevents the Trustee or any of the Noteholders from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, the Trustee or any of the Noteholders may take concurrent Proceedings in any number of jurisdictions.

Nothing in this paragraph shall affect the right of the Trustee or any of the Noteholders to serve process in any other manner permitted by law. This clause applies to Proceedings in England and to Proceedings elsewhere.

- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Initial Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 7 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Fixed Coupon Amount:* The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (e) *Step-up rate of interest:* If this Condition 7(e) is specified as applicable in the applicable Pricing Supplement, the Rate of Interest will be the Initial Rate of Interest specified in the applicable Pricing Supplement. Any Rate Adjustment shall apply in respect of the Interest Period commencing on the Interest Payment Date falling on or immediately following the date of the relevant Step-up Rating Change or Step-down Rating Change, as the case may be, until either a further Rate Adjustment becomes effective or the date of redemption, as the case may be.

For any Interest Period commencing on or after the first Interest Payment Date immediately following the date of a Step-up Rating Change, if any, the Rate of

Interest shall be increased by the Ratings Downgrade Step-up Margin specified in the applicable Pricing Supplement.

In the event that a Step-down Rating Change occurs after the date of a Step-up Rating Change (or on the same date but subsequent thereto), then for any Interest Period commencing on the first Interest Payment Date following the date of such Step-down Rating Change, the Rate of Interest shall be the Initial Rate of Interest.

The Issuer shall use all reasonable efforts to maintain credit ratings for Notes issued, or to be issued, by it from both Rating Agencies (as defined below). In the event that either Rating Agency fails to or ceases to assign a rating to Notes issued, or to be issued, by the Issuer, the Issuer shall use all reasonable efforts to obtain a rating of Notes issued, or to be issued, by it from a Substitute Rating Agency (as defined below), and references in this Condition 7(e) to Moody's or S&P Global (each as defined below), as the case may be, or the ratings thereof, shall be to such Substitute Rating Agency or, as the case may be, the equivalent ratings thereof. In the event that such a rating is not obtained from a Substitute Rating Agency, then, for the purposes of the foregoing adjustments to the Rate of Interest, the ratings assigned by the remaining Rating Agency shall be deemed also to be the ratings assigned by the other Rating Agency.

In the event that both Rating Agencies fail to or cease to assign a rating to Notes issued, or to be issued, by the Issuer and the Issuer fails to obtain a rating of Notes issued, or to be issued, by it from a Substitute Rating Agency, a Step-up Rating Change will be deemed to have occurred on the date of such failure but not otherwise. If a rating of Notes issued, or to be issued, by the Issuer is subsequently assigned by one or more Rating Agencies or a Substitute Rating Agency, then if such rating (or ratings if more than one) is at least *Baa3*, in the case of Moody's, or at least *BBB-*, in the case of S&P Global, or the equivalent ratings in the case of a Substitute Rating Agency, a Step-down Rating Change will be deemed to have occurred on the date of such assignment.

The Rate of Interest will only be subject to adjustment due to a Step-up Rating Change or a deemed Step-up Rating Change as provided above upon the first occurrence on or after the Interest Commencement Date of a Step-up Rating Change and may occur only once. An adjustment to the Rate of Interest following the occurrence of a Step-down Rating Change or a deemed Step-down Rating Change as provided above may only occur once and, in any event, only after the occurrence of the Step-up Rating Change.

The Issuer shall cause each Rating Change (if any) and the applicable Rate of Interest to be notified to the Principal Paying Agent, the Trustee, any stock exchange on which the relevant Notes are for the time being listed and the Noteholders (in accordance with Condition 20) as soon as practicable after such Rating Change.

For the avoidance of doubt, any further increases in the credit rating of Notes issued, or to be issued, by the Issuer above *Baa3*, in the case of Moody's, or above *BBB-*, in the case of S&P Global, shall not constitute a Step-down Rating Change;

"Step-up Rating Change" means, subject as provided above in relation to a deemed Step-up Rating Change, the first public announcement by either or both Rating Agencies of a decrease in the rating of Notes issued, or to be issued, by the Issuer to below *Baa3*, in the case of Moody's, or below *BBB-*, in the case of S&P Global. For the avoidance of doubt, any further decrease in the credit rating of Notes issued, or to be issued, by the Issuer below *Baa3*, in the case of Moody's, or below *BBB-*, in the case of S&P Global, shall not constitute a Step-up Rating Change;

- (f) *Minimum Volume/Coupon Step-up:* If this Condition 7(f) is specified as applicable in the applicable Pricing Supplement the Rate of Interest applicable to the Notes shall be subject to adjustment in accordance with the applicable Pricing Supplement.

8. **Floating Rate Note Provisions**

- (a) *Application:* This Condition 8 (*Floating Rate Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Initial Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 8 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

(d) *ISDA Determination:* If ISDA Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap

transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Pricing Supplement;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Pricing Supplement; and
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Pricing Supplement.
- (e) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (f) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (g) *Calculation of other amounts:* If the relevant Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Pricing Supplement.
- (h) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified

Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

- (i) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Guarantors, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

9. **Zero Coupon Note Provisions**

- (a) *Application:* This Condition 9 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Late payment on Zero Coupon Notes:* If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

10. **Dual Currency Note Provisions**

- (a) *Application:* This Condition 10 (*Dual Currency Note Provisions*) is applicable to the Notes only if the Dual Currency Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) *Rate of Interest:* If the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the relevant Pricing Supplement.

11. **Redemption and Purchase**

- (a) *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 12 (*Payments*).
- (b) *Redemption for tax reasons:* The Notes may be redeemed at the option of the Issuer in whole, but not in part:

- (i) at any time (if the Floating Rate Note Provisions are not specified in the relevant Pricing Supplement as being applicable); or
- (i) on any Interest Payment Date (if the Floating Rate Note Provisions are not specified in the relevant Pricing Supplement as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if, immediately before giving such notice, the Issuer satisfies the Trustee that:

- (A) (1) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of New Zealand or any political subdivision or any authority thereof or therein having power to tax (including, without limitation, any increase in the rate of Approved Issuer Levy payable pursuant to the Stamp and Cheque Duties Act 1971 (NZ)), or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and (2) such obligation cannot be avoided by the Issuer taking reasonable measures available to it (but not including paying the increased amount of Approved Issuer Levy); or
- (B) (1) a Guarantor has or (if a demand was made under the Guarantee of the Notes) would become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of New Zealand or any political subdivision or any authority thereof or therein having power to tax (including, without limitation, any increase in the rate of Approved Issuer Levy payable pursuant to the Stamp and Cheque Duties Act 1971 (NZ)), or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes and (2) such obligation cannot be avoided by the Guarantor taking reasonable measures available to it (but not including paying the increased amount of Approved Issuer Levy),

provided, however, that no such notice of redemption shall be given earlier than:

- (1) where the Notes may be redeemed at any time, 90 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obliged to pay such additional amounts if a payment in respect of the Notes were then due or (as the case may be) a demand under the Guarantee of the Notes were then made; or
- (2) where the Notes may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer or the relevant Guarantor would be obliged to pay such additional amounts if a payment in respect of the

Notes were then due or (as the case may be) a demand under the Guarantee of the Notes were then made.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver or procure that there is delivered to the Trustee a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred. The Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above, in which event it shall be conclusive and binding on the Noteholders. Upon the expiry of any such notice as is referred to in this Condition 11(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 11.

- (c) *Redemption at the option of the Issuer:* If the Call Option is specified in the relevant Pricing Supplement as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Pricing Supplement, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer's giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).
- (d) *Partial redemption:* If the Notes are to be redeemed in part only on any date in accordance with Condition 11(c) (*Redemption at the option of the Issuer*), in the case of Bearer Notes the Notes to be redeemed shall be selected by the drawing of lots in such place as the Principal Paying Agent approves and in such manner as the Principal Paying Agent considers appropriate, subject to compliance with applicable law, the rules of each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation and the notice to Noteholders referred to in Condition 11(c) (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed, and, in the case of Registered Notes, each shall be redeemed in part in the proportion which the aggregate principal amount of the outstanding Notes to be redeemed on the relevant Optional Redemption Date (Call) bears to the aggregate principal amount of outstanding Notes on such date. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Pricing Supplement, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.
- (e) *Redemption at the option of Noteholders:* If the Put Option is specified in the relevant Pricing Supplement as being applicable, the Issuer shall, at the option of the holder of any Note redeem such Note on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 11(e), the holder of a Note must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put), deposit a duly completed Put Option Notice in the form obtainable from the Paying Agent and, in the case of a Put Option Notice relating to Definitive Notes, such Definitive Notes with any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver

a duly completed Put Option Receipt to the depositing Noteholder. No Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 11(e), may be withdrawn; **provided, however, that** if, prior to the relevant Optional Redemption Date (Put), any such Note becomes immediately due and payable or, upon due presentation of such Definitive Note, the payment of such redemption moneys is improperly withheld or refused, the relevant Paying Agent shall mail notification thereof to the depositing Noteholder at such address as may have been given by such Noteholder in the relevant Put Option Notice and shall hold such Note at its Specified Office for collection by the depositing Noteholder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note is held by a Paying Agent in accordance with this Condition 11(e), the depositor of such Note and not such Paying Agent shall be deemed to be the holder of such Note for all purposes.

- (f) *No other redemption:* The Issuer shall not be entitled to redeem the Notes otherwise than as provided in paragraphs (a) to (e) above.
- (g) *Early redemption of Zero Coupon Notes:* Unless otherwise specified in the relevant Pricing Supplement, the Redemption Amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Pricing Supplement for the purposes of this Condition 11(g) or, if none is so specified, a Day Count Fraction of 30E/360.

- (h) *Purchase:* The Issuer, a Guarantor or any of their respective Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price, **provided that** (in the case of Bearer Notes) all unmatured Coupons are purchased therewith.
- (i) *Cancellation:* All Notes so redeemed or purchased by the Issuer, a Guarantor or any of their respective Subsidiaries and any unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or sold.

12. **Payments**

(A) *Payments Generally*

- (a) *Payments in New York City:* Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in the currency in which the payment is due when due, (ii) payment of the full

amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.

- (b) *Payments subject to fiscal laws:* Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 13 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 13 (*Taxation*)) any law implementing an intergovernmental approach thereto.
- (c) *Payments on business days:* If the due date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (d) *Partial payments:* If a Paying Agent makes a partial payment in respect of any Note or Coupon presented to it for payment, such Paying Agent will endorse thereon or, in the case of Registered Notes, record upon the Register a statement indicating the amount and date of such payment.

(B) *Payments in respect of Bearer Notes*

- (a) *Principal:* Payments of principal shall be made only against presentation and (**provided that** payment is made in full) surrender of Bearer Notes at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency.
- (b) *Interest:* Payments of interest shall, subject to paragraph (f) below, be made only against presentation and (**provided that** payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in paragraph (a) above.
- (c) *Deductions for unmatured Coupons:* If the relevant Pricing Supplement specifies that the Fixed Rate Note Provisions are applicable and a Bearer Note is presented without all unmatured Coupons relating thereto:
 - (i) if the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; **provided, however, that** if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of such missing Coupons which the

gross amount actually available for payment bears to the amount of principal due for payment; and

- (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; **provided, however, that** where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
 - (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; **provided, however, that**, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (**provided that** payment is made in full) surrender of the relevant missing Coupons.

- (d) *Unmatured Coupons void*: If the relevant Pricing Supplement specifies that this Condition 12(B)(d) is applicable or that the Floating Rate Note Provisions are applicable, on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 11(b) (*Redemption for tax reasons*), Condition 11(e) (*Redemption at the option of Noteholders*), Condition 11(c) (*Redemption at the option of the Issuer*) or Condition 14 (*Events of Default and Enforcement*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.
- (e) *Payments on business days*: If the due date for payment of any amount in respect of any Bearer Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (f) *Payments other than in respect of matured Coupons*: Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Bearer Notes at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by paragraph (c) above).
- (g) *Partial payments*: If a Paying Agent makes a partial payment in respect of any Bearer Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.

- (h) *Exchange of Talons:* On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Bearer Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Principal Paying Agent for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 15 (*Prescription*)). Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.

(C) *Payments in respect of Registered Notes*

- (a) *Principal:* Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the Specified Office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the "**Register**") at the close of business on the fifteenth day (being for the purpose of this paragraph (a) a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the "**Record Date**"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the nominal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Wellington respectively) and (in the case of a payment in euro) any bank which processes payments in euro.
- (b) *Interest:* Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the Record Date at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which

become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Note.

13. **Taxation**

- (a) *Gross up:* All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer or a Guarantor shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of New Zealand or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer or (as the case may be) the relevant Guarantor shall pay such additional amounts as will result in receipt by the Noteholders and the Couponholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or Coupon:
- (i) held by or on behalf of a holder in respect of which the liability to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon arises by reason of its having some connection with the jurisdiction by which such taxes, duties, assessments or charges have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note or Coupon; or
 - (ii) presented for payment in New Zealand if such withholding or deduction would not have been required if the Note or Coupon was presented for payment outside New Zealand; or
 - (iii) where such withholding or deduction is for or on account of New Zealand resident withholding tax; or
 - (iv) held by or on behalf of a holder which is associated with the Issuer or the relevant Guarantor for the purposes of the Approved Issuer Levy or non-resident withholding tax rules in the Income Tax Act 2007 of New Zealand or which holds the Note or Coupon or derives the interest jointly with a New Zealand resident; or
 - (v) where the relevant Note or Coupon is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of such Note or Coupon would have been entitled to such additional amounts on presenting such Note or Coupon for payment on the last day of such period of 30 days.
- (b) *Resident Withholding Tax:* The Issuer or the Guarantors (as applicable) are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, if:

- (i) the holder is a resident of New Zealand for income tax purposes or otherwise receives payments of principal or interest from the Issuer or a Guarantor subject to the New Zealand resident withholding tax rules (a "**New Zealand Holder**"); and
- (ii) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption for New Zealand resident withholding tax purposes.

Prior to any Interest Payment Date or Maturity Date any New Zealand Holder:

- (i) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent that the New Zealand Holder is the holder of a Note; and
- (ii) must notify the Issuer or the Guarantors (as applicable) or a Paying Agent of any circumstances, and provide the Issuer or the Guarantors (as applicable) or the relevant Paying Agent with any information, that may enable the Issuer or the Guarantors (as applicable) to make the payment of interest to the New Zealand Holder without deduction on account of a New Zealand resident withholding tax.

A New Zealand Holder must notify the Issuer and the Guarantors (as applicable), prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the Issuer's or a Guarantor's payment or withholding obligations in respect of any Note. By accepting payment of the full face amount of a Note or any interest thereon on any Interest Payment Date or Maturity Date, a New Zealand Holder will be deemed to have indemnified the Issuer or the Guarantors (as applicable) for all purposes in respect of any liability which the Issuer or the Guarantors (as applicable) may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

- (c) *Taxing jurisdiction:* If the Issuer or the Guarantor becomes subject at any time to any taxing jurisdiction other than New Zealand, references in these Conditions to New Zealand shall be construed as references to New Zealand and/or such other jurisdiction.

14. **Events of Default and Enforcement**

If any of the following events occurs, then the Trustee at its discretion may and, if so requested in writing by holders of at least one quarter of the aggregate principal amount of the outstanding Notes or if so directed by an Extraordinary Resolution, shall (subject to the Trustee in each case, being indemnified and/or secured and/or prefunded to its satisfaction having certified in writing that the happening of any of the events described in paragraphs (c), (d), (f) and (in the case of any event having an analogous effect to any of the foregoing) (g) below, is in its opinion materially prejudicial to the interests of the Noteholders) give written notice to the Issuer declaring the Notes to be immediately due and payable, whereupon they shall become immediately due and payable at their Early Termination Amount together with accrued interest (if any) without further action or formality:

- (a) default is made in the payment of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 14 days; or

- (b) the Issuer or any Guarantor fails to perform or observe any of its other obligations under these Conditions or the Trust Deed and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by the Trustee on the Issuer or the relevant Guarantor (as the case may be) of notice requiring the same to be remedied; or
- (c) any Borrowed Moneys Indebtedness of the Issuer or any Guarantor exceeding NZ\$10,000,000 (in aggregate) or its equivalent in any other currency is not repaid on its original maturity date (or within any applicable grace periods), or becomes due and payable by reason of default before its original maturity date, other than where contested in good faith by appropriate proceedings; or
- (d) the Issuer or any Guarantor is unable to pay its debts as they fall due, commences negotiations with any one or more of its creditors with a view to the readjustment or rescheduling of its indebtedness generally, or makes a general assignment for the benefit of or an arrangement or composition with or for the benefit of its creditors; or

- (f) an encumbrancer takes possession or a receiver is appointed of the whole or any material part of the Assets or undertaking of the Issuer or any Guarantor, or a distress or execution in an amount exceeding NZ\$10,000,000 (or its equivalent in any other currency) is levied or enforced upon or sued out against all or any material part of the Assets or undertaking of the Issuer or any Guarantor, except where the same is discharged or stayed within 30 days of commencement or is contested by the Issuer or such Guarantor in good faith by appropriate proceedings; or
- (g) any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in the foregoing paragraphs.

by the holders of at least one-quarter in principal amount of the outstanding Notes, and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantors unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

Claims for interest (whether in respect of Bearer Notes or Registered Notes) shall become void unless the relevant Notes, Receipts, or Coupons are presented for payment within, in the case of Bearer Notes, five years or, in the case of Registered Notes ten years, of the appropriate Relevant Date.

16. **Replacement of Notes and Coupons**

If any Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Replacement Agent (in the case of Bearer Notes, Receipts, Talons or Coupons) or the Registrar (in the case of Registered Notes) (and, in each case, if the Notes are then admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent or Transfer Agent in any particular place, the Paying Agent or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system), subject to all applicable laws and competent authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Talons or Coupons must be surrendered before replacements will be issued.

17. **Trustee and Agents**

Under the Trust Deed, the Trustee is entitled to be indemnified and relieved from responsibility in certain circumstances and to be paid its costs and expenses in priority to the claims of the Noteholders. In addition, the Trustee is entitled to enter into business transactions with the Issuer, a Guarantor and any entity relating to the Issuer or a Guarantor without accounting for any profit.

In the exercise of its powers and discretions under these Conditions and the Trust Deed, the Trustee will have regard to the interests of the Noteholders as a class and will not be responsible for any consequence for individual Holders of Notes as a result of such Holders being connected in any way with a particular territory or taxing jurisdiction.

In acting under the Paying Agency Agreement and in connection with the Notes and the Coupons, the Agents act solely as agents of the Issuer and the Guarantors and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Paying Agents, Transfer Agents and Registrars and their initial Specified Offices are listed below. The initial Calculation Agent (if differing from the Calculation Agent appointed pursuant to clause 13 of the Paying Agency Agreement) is specified in the relevant Pricing Supplement. The Issuer and the Guarantors (acting together) reserve the right (with the prior approval of the Trustee) at any time to vary or terminate the appointment of any Agent and to appoint a successor principal paying agent, other paying agent, registrar or calculation agent and additional or successor paying agents or registrars; **provided, however, that:**

- (a) the Issuer and the Guarantors shall at all times maintain a principal paying agent and a registrar;
- (b) if a Calculation Agent is specified in the relevant Pricing Supplement, the Issuer and the Guarantors shall at all times maintain a Calculation Agent; and
- (c) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) in any particular place, the Issuer and the Guarantors shall maintain a Paying Agent and/or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Agents or in their Specified Offices shall promptly be given to the Noteholders.

18. **Meetings of Noteholders; Modification and Waiver**

- (a) *Meetings of Noteholders:* The Trust Deed contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer and the Guarantors (acting together) or by the Trustee, and shall be convened by the Trustee subject to its being indemnified and/or secured and/or pre-funded to its satisfaction upon the request in writing of Noteholders holding not less than one-twentieth of the aggregate principal amount of the outstanding Notes. The quorum at any Meeting convened to vote on an Extraordinary Resolution will be two or more Voters holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, two or more Voters being or representing Noteholders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which two or more Persons holding or representing not less than two-thirds or, at any adjourned meeting, one-third of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

The Trust Deed provides that (i) a written resolution signed by or on behalf of all holders of Notes who for the time being are entitled to receive notice of a Meeting (a “**Written Resolution**”) or (ii) where Notes are held by or on behalf of a clearing system or clearing systems, approval of a resolution proposed by the Issuer, a

Guarantor or the Trustee given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of all holders of Notes who for the time being are entitled to receive notice of a Meeting (an "**Electronic Consent**") shall, in each case for all purposes, be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held.

A Written Resolution and/or Electronic Consent will be binding on all Noteholders whether or not they participated in such Written Resolution and/or Electronic Consent, as the case may be.

- (b) *Modification and waiver:* The Trustee may, without the consent of the Noteholders, Receiptholders or Couponholders, concur with the Issuer and the Guarantors in making any modification of these Conditions, the Paying Agency Agreement, the Notes or the Trust Deed (other than in respect of Reserved Matters or any provision of the Trust Deed referred to in such specification) which is, in the opinion of the Trustee, proper to make if, in the opinion of the Trustee, such modification will not be materially prejudicial to the interests of Noteholders and to any modification of these Conditions, the Paying Agency Agreement, the Notes or the Trust Deed which is of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the Noteholders, Receiptholders or Couponholders on such terms and conditions (if any) as shall seem expedient to it, authorise or waive any proposed breach or breach of any of the covenants or provisions contained in the Receipts, Coupons or Notes or the Trust Deed (other than a proposed breach or breach relating to the subject of a Reserved Matter) or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of the Trust Deed if, in the opinion of the Trustee, the interests of the Noteholders will not be materially prejudiced thereby.

If the Trustee so requires, the Issuer shall cause such authorisation, waiver or determination to be notified to the Noteholders as soon as practicable thereafter.

- (c) *Substitution:* The Trust Deed contains provisions under which the Trustee may, without the consent of the Noteholders, the Receiptholders or the Couponholders, agree to the substitution in place of the Issuer of a Guarantor or any other Subsidiary as principal debtor under the Trust Deed and in relation to the Notes, Receipts or Coupons of any Series **provided that** certain conditions specified in the Trust Deed are fulfilled.

No Noteholder or Couponholder shall, in connection with any substitution, be entitled to claim any indemnification or payment in respect of any tax consequence thereof for such Noteholder or Couponholder, except to the extent provided for in Condition 13 (*Taxation*) (or any undertaking given in addition to or substitution for it pursuant to the provisions of the Trust Deed).

19. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms

and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue other series of notes having the benefit of the Trust Deed.

20. **Notices**

All notices regarding the Bearer Notes will be valid if published in a leading English language daily newspaper of general circulation in London. It is expected that any such newspaper publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any Stock Exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers or where published in such newspapers. If publication as provided above is not practicable, a notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding Registered Notes will be deemed to be validly given if sent by first class mail (or its equivalent) or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are admitted to trading on a Stock Exchange and the rules of that Stock Exchange (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any Definitive Notes are issued, there may, so long as the notes are represented in their entirety by any Global Note held on behalf of Euroclear or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or such mailing the delivery of the relevant notice to Euroclear or Clearstream, Luxembourg for communication by them to the Noteholders and, in addition, for so long as any Notes are listed on a Stock Exchange or admitted to trading by any other relevant authority and the rules of that Stock Exchange, or as the case may be, other relevant authority so require, such notice or notices will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the Noteholders on the day on which the said notice was given to Euroclear or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent (in the case of the Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the relevant Principal Paying Agent or the Registrar through Euroclear or Clearstream, Luxembourg as the case may be, in such manner as the relevant Principal Paying Agent, the Registrar and Euroclear or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

21. **Currency Indemnity**

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Principal Paying Agent or Registrar (as applicable), against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

22. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Pricing Supplement), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. **Governing Law and Jurisdiction**

- (a) *Governing law:* The Notes and the Trust Deed and all non-contractual obligations arising out of or in connection with the Notes and the Trust Deed are governed by English law.
- (b) *English courts:* Each of the Issuer and the Guarantors has in the Trust Deed agreed for the benefit of the Trustee and the Noteholders that the courts of England shall have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes (including any non-contractual obligation arising out of or in connection with the Notes).
- (c) *Appropriate forum:* Each of the Issuer and the Guarantors agrees that the courts referred to in Condition 23(b) (*English courts*) are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue that any other courts are more appropriate or convenient.

- (d) *Rights of Noteholders to take proceedings outside England:* Nothing in this Condition 23 (*Governing Law and jurisdiction*) or the Trust Deed prevents the Trustee or any Noteholder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, the Trustee or any Noteholders may take concurrent Proceedings in any number of jurisdictions.

24. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999.

1.3 References to Conditions

Any reference herein to the "**Conditions**" is to the Conditions as defined in the Trust Deed, as supplemented, amended and/or replaced by the Pricing Supplement, and any reference to a numbered "**Condition**" is to the correspondingly numbered provision thereof. 2. PROMISE TO PAY

2.1 Pay to bearer

The Issuer, for value received, promises to pay to the bearer of this Temporary Global Note, in respect of each Note represented by this Temporary Global Note, the Redemption Amount on the Maturity Date or on such earlier date or dates as the same may become payable in accordance with the Conditions, and to pay interest on each such Note on the dates and in the manner specified in the Conditions, together with any additional amounts payable in accordance with the Conditions, all subject to and in accordance with the Conditions; *provided, however, that* such interest shall be payable only:

- 1.1.1 *Trust Deed*: are subject to, and have the benefit of, an amended and restated trust deed dated 28 September 2016 (as amended or supplemented from time to time, the "**Trust Deed**") made between the Issuer, Chorus New Zealand Limited (the "**Guarantor**") and The Law Debenture Trust Corporation p.l.c as trustee (the "**Trustee**", which expression includes all persons for the time being appointed trustee or trustees under the Trust Deed); and
- 1.1.2 *Agency Agreement*: are the subject of an amended and restated agency agreement dated 28 September 2016 (as amended or supplemented from time to time, the "**Agency Agreement**") made between the Issuer, the Guarantor, Citibank, N.A., London Branch as principal paying agent (the "**Principal Paying Agent**", which expression includes any successor principal paying agent appointed from time to time in connection with the Notes), the other agents named therein (together with the Principal Paying Agent, the "**Agents**", which expression includes any successor or additional agents appointed from time to time in connection with the Notes) and the Trustee.

1.2 Construction

All references in this Permanent Global Note to an agreement, instrument or other document (including the Agency Agreement and the Trust Deed) shall be construed as a reference to that agreement, instrument or other document as the same may be amended, supplemented, replaced or novated from time to time *provided that*, in the case of any amendment, supplement, replacement or novation made after the date hereof, it is made in accordance with the Conditions. Headings and sub-headings are for ease of reference only and shall not affect the construction of this Permanent Global Note.

1.3 References to Conditions

Any reference herein to the "**Conditions**" is to the Terms and Conditions of the Notes set out in Schedule 2 (*Terms and Conditions of the Notes*) hereto, as supplemented, amended and/or replaced by the Pricing Supplement, and any reference to a numbered "**Condition**" is to the correspondingly numbered provision thereof. Words and expressions defined in the Conditions shall have the same meanings when used in this Permanent Global Note.

2. PROMISE TO PAY

2.1 Pay to bearer

The Issuer, for value received, promises to pay to the bearer of this Permanent Global Note, in respect of each Note represented by this Permanent Global Note, the Redemption Amount on the Maturity Date or on such earlier date or dates as the same may become payable in accordance with the Conditions (or to pay such other amounts of principal on such dates as may be specified in the Pricing Supplement), and to pay interest on each such Note on the dates and in the manner specified in the Conditions, together with any additional amounts payable in accordance with the Conditions, all subject to and in accordance with the Conditions.

2.2 NGN Principal Amount

If the Pricing Supplement specify that the New Global Note form is applicable, this Permanent Global Note shall be a "**New Global Note**" or "**NGN**" and the principal amount of Notes represented by this Permanent Global Note shall be the aggregate amount from time to time entered in the records of both ICSDs. The records of the ICSDs (which expression in this Permanent Global Note means the records that each ICSD holds for its customers which reflect the amount of such customers' interests in the Notes (but excluding any interest in any Notes of one ICSD shown in the records of another ICSD)) shall be conclusive evidence of the principal amount of Notes represented by this Permanent Global Note and, for these purposes, a statement issued by an ICSD (which statement shall be made available to the bearer upon request) stating the principal amount of Notes represented by this Permanent Global Note at any time shall be conclusive evidence of the records of the ICSD at that time.

2.3 **CGN Principal Amount**

If the Pricing Supplement specifies that the New Global Note form is not applicable, this Permanent Global Note shall be a "**Classic Global Note**" or "**CGN**" and the principal amount of Notes represented by this Permanent Global Note shall be the amount stated in the Pricing Supplement or, if lower, the principal amount most recently entered by or on behalf of the Issuer in the relevant column in Schedule 1 (*Payments, Exchange and Cancellation of Notes*).

Unless the terms of any Block Voting Instruction or Form of Proxy state otherwise, a Voter shall not be obliged to exercise all the votes to which he is entitled or to cast all the votes which he exercises in the same way.

In the case of any Meeting of holders of more than one Series of Notes where not all such Series are in the same currency, the principal amount of such Notes shall for all purposes in this Part I (whether *inter alia* in respect of the Meeting or any poll resulting therefrom), be the equivalent in U.S. dollars translated at the spot rate of a bank nominated by the Trustee for the sale of the relevant currency or currencies for U.S. dollars on the seventh dealing day prior to such Meeting, or in the case of a written request pursuant to paragraph 6, the date of such request. 17. **Validity of Votes by Proxies**

17.1 Any vote by a Proxy in accordance with the relevant Block Voting Instruction in relation to either Bearer or Registered Notes or Form of Proxy in relation to Registered Notes shall be valid even if such Block Voting Instruction or Form of

Proxy or any instruction pursuant to which it was given has been amended or revoked, *provided that* neither the Issuer, the Guarantors, the Trustee nor the Chairman has been notified in writing of such amendment or revocation by the time which is 24 hours before the time fixed for the relevant Meeting; or

- 17.2 Unless revoked, any appointment of a Proxy under a Block Voting Instruction or Form of Proxy, in relation to a Meeting shall remain in force in relation to any resumption of such Meeting following an adjournment; *provided, however, that* no such appointment of a Proxy in relation to a Meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such Meeting when it is resumed. Any person appointed to vote at such a Meeting must be re-appointed under a Block Voting Instruction (or, in relation to Registered Notes, Form of Proxy to vote at the Meeting when it is resumed.

18. Powers

A Meeting shall have power (exercisable only by Extraordinary Resolution), without prejudice to any other powers conferred on it or any other person:

- 18.1 to approve any Reserved Matter;
- 18.2 to approve any proposal by the Issuer and the Guarantors (acting together) for any modification, abrogation, variation or compromise of any provisions of this Trust Deed or the Conditions or any arrangement in respect of the obligations of the Issuer under or in respect of the Notes;
- 18.3 to approve any proposal by the Guarantors for any modification of any provision of the Guarantee of the Notes or any arrangement in respect of the obligations of the Guarantors thereunder;
- 18.4 (other than as permitted under Clause 8.3 of this Trust Deed) to approve the substitution of any person for the Issuer (or any previous substitute) as principal obligor under the Notes or the substitution of any person for a Guarantor as guarantor under the Guarantee of the Notes;
- 18.5 to waive any breach or authorise any proposed breach by the Issuer or a Guarantor of its obligations under or in respect of this Trust Deed or the Notes or any act or omission which might otherwise constitute an Event of Default under the Notes;
- 18.6 to remove any Trustee;
- 18.7 to approve the appointment of a new Trustee;
- 18.8 to authorise the Trustee (subject to its being indemnified and/or secured and/or prefunded to its satisfaction) or any other person to execute all documents and do all things necessary to give effect to any Extraordinary Resolution;
- 18.9 to discharge or exonerate the Trustee from any liability in respect of any act or omission for which it may become responsible under this Trust Deed or the Notes;
- 18.10 to give any other authorisation or approval which under this Trust Deed or the Notes is required to be given by Extraordinary Resolution; and

18.11 to appoint any persons as a committee to represent the interests of the Noteholders and to confer upon such committee any powers which the Noteholders could themselves exercise by Extraordinary Resolution.

19. **Electronic communication**

Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders.

For so long as the Notes are in the form of a Global Note held on behalf of, or a Global Registered Note registered in the name of any nominee for, one or more relevant clearing system, then, in respect of any resolution proposed by the Issuer, the Guarantors or the Trustee:

19.1 **Electronic Consent**

Where the terms of the resolution proposed by the Issuer, the Guarantors or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (i) and/or (ii) below, each of the Issuer, the Guarantor and the Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Principal Paying Agent or another specified agent and/or the Trustee in accordance with their operating rules and procedures by or on behalf of all holders of Notes who for the time being are entitled to receive notice of a Meeting (the "**Required Proportion**") ("**Electronic Consent**") by close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders and, in relation to Bearer Notes, Couponholders, even if the relevant consent or instruction proves to be defective. None of the Issuer, the Guarantors or the Trustee shall be liable or responsible to anyone for such reliance.

19.1.1 When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days' notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the "**Relevant Date**") by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).

(a) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the "**Proposer**") so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be

agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (i) above. For the purpose of such further notice, references to “Relevant Date” shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer, the Guarantors or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 6 above, unless that meeting is or shall be cancelled or dissolved; and

19.2 **Written Resolution**

Where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Issuer, the Guarantors and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Issuer, the Guarantors and/or the Trustee, as the case may be, (a) by accountholders in the clearing system(s) with entitlements to such Global Note or Global Certificate and/or, (b) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder as the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the Issuer, the Guarantors and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, Euroclear, Clearstream, Luxembourg or any other relevant clearing system and, in the case of (b) above, the relevant clearing system and the accountholder identified by the relevant clearing system for the purposes of (b) above. Any resolution passed in such manner shall be binding on all Noteholders and, in relation to Bearer Notes, Couponholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. None of the Issuer, the Guarantors nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

A Written Resolution or Electronic Consent shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Noteholders and holders of Coupons, Talons and Receipts, whether or not they participated in such Written Resolution and/or Electronic Consent.

20. **Extraordinary Resolution binds all holders**

An Extraordinary Resolution shall be binding upon all Noteholders and, in relation to Bearer Notes, Receiptholders, Couponholders, whether or not present at such Meeting or otherwise participating in the passing thereof, and each of the Noteholders shall be

bound to give effect to it accordingly. Notice of the result of every vote on an Extraordinary Resolution shall be given to the Noteholders and, in relation to Bearer Notes, to the Paying Agents and, in relation to Registered Notes, the Registrar (with a copy to the Issuer, the Guarantors and the Trustee) within 14 days of the conclusion of the Meeting (or, if passed by Written Resolution or Electronic Consent, from the effective passing thereof) but failure to do so shall not invalidate the Extraordinary Resolution.

21. **Minutes**

Minutes of all resolutions and proceedings at each Meeting shall be made. The Chairman shall sign the minutes, which shall be *prima facie* evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such Meeting in respect of the proceedings of which minutes have been summarised and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

22. **Written Resolution**

A Written Resolution shall take effect as if it were an Extraordinary Resolution.

23. **Further regulations**

Subject to all other provisions contained in this Trust Deed, the Trustee may without the consent of the Issuer, the Guarantors or the Noteholders prescribe such further regulations regarding the holding of Meetings of Noteholders and attendance and voting at them as the Trustee may in its sole discretion determine.

24. **Several Series**

The following provisions shall apply where outstanding Notes belong to more than one Series:

- 24.1 Business which in the opinion of the Trustee affects the Notes of only one Series shall be transacted at a separate Meeting of the holders of the Notes of that Series.
- 24.2 Business which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to an actual or potential conflict of interest between the holder of Notes or one such Series and the holders of Notes of any other such Series shall be transacted either at separate Meetings of the holders of the Notes of each such Series or at a single Meeting of the holders of the Notes of all such Series, as the Trustee shall in its absolute discretion determine.
- 24.3 Business which in the opinion of the Trustee affects the Notes of more than one Series and gives rise to an actual or potential conflict of interest between the holders of Notes of one such Series and the holders of Notes of any other such Series shall be transacted at separate Meetings of the holders of the Notes of each such Series.
- 24.4 The preceding paragraphs of this Part I shall be applied as if references to the Notes and Noteholders were to the Notes of the relevant Series and to the holders of such Notes.

24.5 In this paragraph, "**business**" includes (without limitation) the passing or rejection of any resolution.

WHEREAS:

- (A) This Supplemental Deed is supplemental to the amended and restated trust deed dated 28 September 2016 made between Chorus Limited (the "**Issuer**"), Chorus New Zealand Limited (the "**Original Guarantor**") and the Trustee (such trust deed, as from time to time modified or supplemented in accordance with its terms, being referred to herein as the "**Trust Deed**").
- (B) The New Guarantor is a Subsidiary of the Issuer.
- (C) At the request of the Issuer, the New Guarantor wishes to execute this Supplemental Deed (being a deed supplemental to the Trust Deed) in order to become a Guaranteeing Subsidiary as defined in the Trust Deed and pursuant to provisions therein contained.

NOW THEREFORE THIS SUPPLEMENTAL DEED WITNESSES as follows:

1. **Definitions and Interpretations**

Unless otherwise defined in this Supplemental Deed, or the context otherwise requires, the definitions and provisions contained in Clause 1 (*Definitions and Interpretation*) of the Trust Deed shall apply to and be incorporated in this Supplemental Deed.

2. **Acknowledgement By Subsidiary**

The Subsidiary hereby appoints the Trustee (and the Trustee hereby accepts appointment) on the same terms as set out in the Trust Deed and the Subsidiary acknowledges that Notes have been and will henceforth be taken up by the Noteholders on the condition and in part consideration that the Subsidiary will give or has given to the Trustee the guarantee hereinafter contained by way of security for the obligations constituted by the Trust Deed or intended so to be.

3. **Guarantee**

The Subsidiary hereby unconditionally and irrevocably guarantees to the Trustee the due and punctual payment of all sums expressed to be payable by the Issuer under or pursuant to the Trust Deed and the Schedules or in respect of the Notes, the Receipts or the Coupons, as and when the same shall become due and payable, whether at maturity, upon early redemption, upon acceleration or otherwise in accordance with the terms of the Trust Deed and the Notes, Receipts and Coupons.

In case of the failure of the Issuer to pay any such sum as and when the same shall become due and payable, the New Guarantor hereby agrees to cause such payment to be made as and when the same becomes due and payable, whether at maturity, upon early redemption, upon acceleration or otherwise, as if such payment were made by the Issuer.

4. **Incorporation of Terms**

It is declared that there shall be deemed to be incorporated in this Supplemental Deed all the covenants, undertakings, powers, obligations and other provisions of the Trust Deed and the Schedules thereto relating to or affecting the Guarantors in the same manner and to the same extent as if the same had been *mutatis mutandis* set out in full in this Supplemental Deed and made applicable to the New Guarantor, and the New Guarantor accordingly covenants, jointly and severally with each other Guarantor, in favour of the Trustee to duly perform and observe and be bound by the said covenants, undertakings, powers, obligations and other provisions imposed on or relating to or affecting it by or under this Supplemental Deed or the Trust Deed or by any Conditions.

5. **Governing Law**

This Supplemental Deed and any non-contractual obligations arising out of or in connection with it is governed by, and shall be construed in accordance with, the laws of England.

6. **Jurisdiction**

6.1 The courts of England shall have exclusive jurisdiction to settle any dispute ("**Dispute**") arising out of or in connection with this Supplemental Deed (including a dispute relating to the existence, validity or termination of this Supplemental Deed or any non-contractual obligation arising out of or in connection with them) or the consequences of their nullity.

6.2 The Subsidiary agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to [*name of process agent*] at [*address of registered office of process agent*] or, if different, its registered office for the time being. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer and the Guarantors, the Issuer and the Guarantors (acting together) shall, on the written demand of the Trustee addressed to the Issuer and the Guarantors and delivered to the Issuer and the Guarantors appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days,

the Trustee shall be entitled to appoint such a person by written notice addressed to the Issuer and the Guarantors and delivered to the Issuer and the Guarantors. Nothing in this paragraph shall affect the right of the Trustee or any of the Noteholders to serve process in any other manner permitted by law. This clause applies to Proceedings in England and to Proceedings elsewhere.

- 6.3 The New Guarantor agrees that the courts referred to in Clause 15.2 (*English courts*) of the Trust Deed are the most appropriate and convenient courts to settle any Dispute and, accordingly, that they will not argue that any other courts are more appropriate or convenient.
- 6.4 Clause 6.3 above is for the benefit of the Trustee and the Noteholders only. As a result, nothing in this Clause 6.4 prevents the Trustee or any of the Noteholders from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, the Trustee or any of the Noteholders may take concurrent Proceedings in any number of jurisdictions.
- 6.5 In case any provision in or obligation under this Supplemental Deed shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.
