RESOLUTION 1 – RE-ELECTION OF DIRECTOR – MR IAN MACLIVER

Background to resolution

Clause 17.4(a) of the Constitution and Listing Rule 14.4 provides that no Director (other than the Managing Director) may hold office for longer than three years or the third annual general meeting following their election, whichever is longer, without retiring and resubmitting themselves for re-election. As such, Mr Macliver retires from office as at this Annual General Meeting and, being eligible, submits himself for re-election as a Director.

About the Director

Mr Ian Macliver - B.Com, FCA, SF Fin, FAICD

Mr Macliver is Managing Director of Grange Consulting Group Pty Limited which provides specialist corporate advisory services to both listed and unlisted companies. He has many years experience as a senior executive and Director of resource companies, with particular responsibility for capital raising and corporate development initiatives.

Mr Macliver is the current Chairman of the Board, a position he has held since 2013. Mr Macliver became a Director of the Company in 2011. Further details about Mr Macliver are set out in the Company's 2016 Annual Report.

Board recommendation

The Board (other than Mr Macliver because of his interest in this resolution) unanimously recommends that Shareholders vote in favour of Resolution 1.

RESOLUTION 2 – ADOPTION OF REMUNERATION REPORT

Non-binding resolution to approve the Remuneration Report

Background to resolution

A considerable amount of time has been spent defining the Company's remuneration framework which has been overwhelmingly passed by vote at all recent AGMs. There has been no material change to the remuneration structures or incentive programmes during the current year. It is noted that all Directors and senior executives agreed to a 10% salary reduction during the 2016 financial year (**FY16**). Base salaries have remained frozen at the reduced salary level for financial year 2017 (**FY17**).

A summary of the framework is provided below. Full details of the remuneration outcomes can be found in the Remuneration Report contained in the Company's 2016 Annual Report.

Executive remuneration framework

The remuneration framework is structured to align the Company closely to current market practice, most significantly around long term incentive (**LTI**). As such, the components of total annual remuneration for senior executives in FY16 included fixed remuneration (comprised of base salary, superannuation and non-monetary benefits, including salary sacrifice), target short term incentives (**STI**) and target LTIs. The annual LTI grant serves to place a larger portion of an executive's remuneration at-risk and to focus the executives on long-term Shareholder value generation.

Fixed remuneration

The fixed remuneration levels of senior executives for the 2016 financial year remained comparable to market peers, furthermore, effective 1 March 2016 all Director fees and executive salaries were reduced by 10%, with remuneration levels frozen at the reduced level for the coming FY17 year. The salary reduction initiated during FY16 generally reduces base salary levels to that of five years ago.

Short-term incentive (STI)

Despite challenging commodity market conditions and a multiyear low nickel price environment, the Company maintained strong operational performance during FY16 with all guidance metrics achieved or exceeded, further reductions in unit costs achieved, a high level of safety and environmental performance, while maintaining a strong debt free balance sheet.

While strong operational performance was maintained, there was a significant year on year reduction in the quantum of STI payments to KMP. KMP achieved between 50% and 65% of their target STI opportunity, with no earnings or financial outcome linked (profit or cashflow) key performance indicators (**KPI**) being triggered, mainly due to the low nickel price. The Remuneration Committee ensures that challenging KPI targets are set, requiring above budget levels of performance to be achieved for all KPIs that relate to operational and financial KPI targets.

The Remuneration Report for FY16 includes considerable detail on the KPIs that were used to assess performance and the rationale for their choice.

Long-term incentive (LTI)

The Company's Performance Rights Plan was initially approved by Shareholders at the 2011 Annual General Meeting and overwhelmingly re-approved at the 2014 Annual General Meeting, with annual grants being made under the Performance Rights Plan since the 2012 financial year. The intention of the LTI scheme is for KMP to receive a grant of Performance Rights each year, ensuring that a LTI forms a key component of KMP total annual remuneration. This ensures that KMP are focussed on long-term Shareholder value generation, while also acting as a retention mechanism in the specialised industry in which we operate.

LTI grants for FY17 will be on the following basis:

- (a) The LTI dollar value of grants made to KMP is set at a fixed percentage of their base salary, ranging from 50% to 100% (100% is applicable solely to the Managing Director), depending on the KMP's position within the Company. This level of LTI remains in line with market practice and has not changed since the program's inception.
- (b) The Performance Rights will vest subject to a relative total shareholder return (**TSR**) hurdle, with the Company's TSR performance being assessed against a customised peer group of companies of a similar nature. No Performance Rights will vest unless the percentile ranking of the Company's TSR for the relevant performance period, as compared to the TSR results for the peer group companies, is at or above the 50th percentile.

The Company utilises relative TSR performance rankings, as measured against a customised resources company peer group, as this measure gives a better reflection of the Company's performance as compared to companies that encounter similar cyclical commodity price market conditions. This effectively normalises the fluctuation of commodity prices, as these are outside the ability of the KMP to control.

- (c) The FY17 grants are measured over a three year period which aligns with common market practice.

Executive service agreements

All senior executives are employed under executive service agreements that broadly align with current market practices and are in accordance with current laws. The executive service agreements include notice periods ranging from 6 months up to the standard maximum of 12 months. There were no material changes to these agreements during the financial year.

Non-Executive Director remuneration

During FY16 Non-Executive Directors fees were reduced by 10%, and this reduced level will remain during FY17.

Non-binding Resolution and consequence of voting against Resolution 2

Shareholder approval is being sought to adopt the Remuneration Report under section 250R(2) of the Corporations Act. Shareholders are advised that pursuant to section 250R(3) of the Corporations Act, this Resolution is advisory only and does not bind the Directors or the Company. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives an "against" vote of 25% or more of votes cast at the AGM, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the Company's remuneration policy, even if a 25% "against" vote is not received.

In addition, the Corporations Act sets out a "two strikes" re-election process. Under the "two strikes" re-election process, if the Company's Remuneration Report receives an "against" vote of 25% or more of all votes cast at two consecutive annual general meetings (that is, "two strikes"), a resolution (the "spill resolution") must be put to the second AGM, requiring Shareholders to vote on whether the Company must hold another General Meeting (known as the "spill meeting") to consider the appointment of all of the Directors who must stand for re-appointment (other than the Managing Director). If the spill resolution is approved at the second AGM by a simple majority of more than 50% of the eligible votes cast, the spill meeting must be held within 90 days of that second AGM (unless none of the Directors, other than the Managing Director, stand for re-appointment).

The Company's remuneration report did not receive an "against" vote of 25% or more at the Company's previous Annual General Meeting held on 23 November 2015. At the 2015 Annual General Meeting, 97% of votes cast on the resolution to adopt the Remuneration Report were cast in favour of adopting the report.

A reasonable opportunity will be given to Shareholders at the meeting to ask questions about, or make comments on, the Remuneration Report.

Board recommendation

The Non-Executive Directors recommend that Shareholders vote in favour of Resolution 2 to approve the Remuneration Report. The Executive Directors whose remuneration has been disclosed in the Remuneration Report are interested in the outcome of this Resolution and therefore do not consider it appropriate to make a recommendation to Shareholders.

The Chairman of the Meeting intends to vote all available proxies to the extent expressly authorised in favour of this Resolution.

RESOLUTION 3 – APPROVAL OF PLACEMENT SHARES

Background to resolution

On 6 April 2016, the Company issued 30,000,000 fully paid ordinary shares in the Company under a Share placement (**Placement**), (**Placement Shares**) announced to ASX on 31 March 2016 to institutional, sophisticated and professional investors at an issue price of A\$2.00 per Placement Share to raise a total of approximately A\$60 million.

Further, as also announced to ASX on 31 March 2016, the Company invited eligible Shareholders to invest up to a maximum of A\$15,000 per Shareholder under a Share Purchase Plan which closed on Wednesday, 27 April 2016 (**SPP**).

Listing Rule requirements

Listing Rule 7.1 imposes a limit on the number of equity securities (including ordinary shares) that a company can issue or agree to issue without shareholder approval. Generally, the Company can issue up to 15% of its issued equity securities in a 12 month period (subject to certain exceptions) without shareholder approval. The issue of the Placement Shares was within this 15% threshold.

Listing Rule 7.4 provides that an issue by a company of equity securities made without shareholder approval under Listing Rule 7.1 is treated as having been made with approval if the issue did not breach Listing Rule 7.1 when made and shareholders subsequently approve it.

Resolution 3 seeks Shareholder approval under Listing Rule 7.4 to approve the prior issue of 30,000,000 Placement Shares made without approval under Listing Rule 7.1.

Resolution 3 has been proposed to provide the Company with the maximum flexibility to issue further securities (if necessary) under Listing Rule 7.1 without needing to seek further Shareholder approval. The requirement to obtain Shareholder approval for a future issue, at the time of issue, could limit the Company's ability to take advantage of opportunities that may arise.

The effect of approval of Resolution 3 will be that the issue of the Placement Shares will not be counted towards reducing the number of securities which the Company can issue in the future without Shareholder approval under the 15% limit imposed by Listing Rule 7.1. The result is that the 15% limit under Listing Rule 7.1 will be "refreshed" to the extent of the approval so that the Company has a renewed ability to issue securities up to the 15% limit. The Shares issued under the SPP fell within an exception to Listing Rule 7.1 and will not reduce the 15% limit.

If Resolution 3 is not approved by Shareholders, it may limit the ability of the Company to issue securities without Shareholder approval until the Company's 15% capacity is replenished on 6 April 2017, in accordance with Listing Rule 7.1.

Information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, the Company provides the following information:

- (a) a total of 30,000,000 Placement Shares were issued by the Company on 6 April 2016;
- (b) the Placement Shares were issued for an issue price of A\$2.00 per Placement Share;
- (c) the Placement Shares issued are fully paid ordinary shares in the Company and rank equally with all other fully paid ordinary shares on issue;

- (d) the allottees of the Placement Shares were eligible institutional, sophisticated or professional investors determined through the conduct of the bookbuild for the Placement. None of the allottees of the Placement Shares were Directors, associates of Directors or related parties of the Company;
- (e) the funds raised from the issue of the Placement Shares were, or will ultimately be, used to (among other things) strengthen its balance sheet and provide greater balance sheet flexibility to fund certain growth initiatives. This includes:
 - (i) payment of the remaining amounts due for the acquisition of the Cosmos Nickel Complex; and
 - (ii) repayment of A\$25 million drawn down from the Company's corporate debt facility; and
- (f) a voting exclusion statement is included in this Notice of Meeting.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

RESOLUTION 4 – RE-APPROVAL OF THE WESTERN AREAS LTD PERFORMANCE RIGHTS PLAN

Background to resolution

The Company's Performance Rights Plan was overwhelmingly approved by Shareholders at the 2011 and 2014 AGMs. Listing Rule 7.2, Exception 9 requires that an employee incentive scheme plan be re-approved every three years in order to continue to rely on that exception. Further, Listing Rule 7.2, Exception 9 is only available if there has been no change to the number or terms of the securities to be issued, the mechanism for pricing or payment or any other material terms of the incentive scheme plan. The Company has adopted certain amendments to the Performance Rights Plan (described below), and while it considers those changes to be largely procedural in nature and not material to Shareholders, in the interests of good governance, the Company has nevertheless decided to seek re-approval of the Performance Rights Plan a year earlier than it would have done in the ordinary course.

A summary of the revised Performance Rights Plan Rules is included in the Schedule to this Explanatory Statement.

Listing Rule approval

Shareholder approval is being sought to approve the grant of Performance Rights under the Performance Rights Plan so that the Company will satisfy Listing Rule 7.2, Exception 9 (as an exception to Listing Rule 7.1).

Listing Rule 7.1 provides that without the approval of Shareholders, an entity must not issue or agree to issue equity securities which amount to more than 15% of its issued share capital in any rolling 12 month period. However, Listing Rule 7.2 sets out a number of exceptions to Listing Rule 7.1. These exceptions include Listing Rule 7.2, Exception 9, which relates to an issue under an employee incentive scheme if, within three years before the date of issue, Shareholders have approved the issue of securities under the scheme.

Resolution 4 seeks Shareholder approval, for the purposes of Listing Rule 7.2, Exception 9(b), and for all other purposes, of the Company's Performance Rights Plan, the grant of Performance Rights under that Plan and the issue of Shares on vesting of such Performance Rights.

If Resolution 4 is approved, all Performance Rights granted by the Company under the Performance Rights Plan (including the Shares issued on vesting of such Performance Rights) will be excluded from the 15% limit imposed by Listing Rule 7.1 for a period of three years from the date of the approval. In the absence of such approval, the grant of Performance Rights (and the issue Shares upon vesting of such Performance Rights) can still occur for the purposes of Chapter 7 of the Listing Rules, but those Performance Rights and Shares will be counted as part of the 15% limit which would otherwise apply during the relevant 12 month period.

Listing Rule requirements

Pursuant to Listing Rule 7.2, Exception 9, the Company must provide the following information with respect to the Performance Rights Plan:

- (a) a summary of the terms of the Performance Rights Plan;
- (b) the number of securities issued under the Performance Rights Plan since the date of its last approval; and
- (c) a voting exclusion statement.

Plan details

There have been no material changes to the style, design or allocation calculation methodology since the Performance Rights Plan was last approved by Shareholders at the 2014 AGM. The majority of the changes relate to the deferred conversion of Performance Right into Shares upon vesting, an amended method of exercise for a vested Performance Right (to contemplate automatic and manual exercise) and the alignment of the operation of the plan with the latest taxation laws.

Under the Performance Rights Plan, KMP are granted Performance Rights which represent a right to be issued or transferred shares at a future point, subject to the satisfaction of performance hurdles (outlined below). An exercise price may be payable, depending on the terms of the invitation to participate in the Performance Rights Plan (or the exercise price may be nil), and eligibility to participate in the Performance Rights Plan is at the Board's discretion.

Most significantly, the Performance Rights Plan enables the Company to make annual grants to KMP so that LTIs form a key component of their total annual remuneration.

3,287,850 Performance Rights have been granted under the Performance Rights Plan since the Performance Rights Plan was last approved by Shareholders at the Company's 2014 AGM on 20 November 2014. 1,918,078 remain unvested as at the date of this Notice of Meeting.

The LTI quantum to be granted will be determined with reference to market practice and will be subject to approval by Shareholders.

The LTI dollar value that KMP will be entitled to receive is set at a fixed percentage of their annual fixed remuneration and ranges from 50% to 100% (100% is applicable solely to the Managing Director) of fixed remuneration, depending on the participant's level of seniority. This level of LTI is broadly in line with current market practice.

The Board believes that the grants made under the Performance Rights Plan have served their purpose of acting as a key retention tool and focusing management on future Shareholder value generation.

The grants made under the Performance Rights Plan will remain subject to the satisfaction of challenging performance hurdles. The Remuneration Committee believe that relative TSR continues to be an appropriate performance measure of the Company's performance, and is commonly used by companies listed on the ASX.

TSR is a forward-looking performance measure that drives continued and sustainable growth, measuring the return received by Shareholders from holding Shares in the Company over the three year performance period. No reward will be provided to KMP unless the Company's TSR performance positions it at the 50th percentile or greater against peers. No retesting will be permitted.

The Company utilises relative TSR performance rankings, as measured against a customised resources company peer group, as this measure gives a better reflection of the Company's performance as compared to companies that encounter similar cyclical commodity price market conditions. This effectively normalises the fluctuation of commodity prices, as these are outside the ability of the KMP to control.

It is proposed that any Performance Rights will be granted to participants in accordance with the rules of the Performance Rights Plan. A copy of the Performance Rights Plan will be made available for inspection at the Company's registered office before the Meeting and at the Meeting. A summary of the principal terms of the Performance Rights Plan Rules is set out in the Schedule to this Explanatory Statement

A voting exclusion statement for Resolution 4 is included in the Notice of Meeting.

Potential dilution

If the Performance Rights are vested and Shares are issued on exercise, this will have a diluting effect on the percentage interest of existing Shareholders' holdings. If the Performance Rights granted under the Performance Rights Plan are exercised and the prevailing Share price is higher than the exercise price, the value of Shares may also be impacted.

Sections 200B and 200E of the Corporations Act

The Corporations Act provides that the Company may only give a person a benefit in connection with their ceasing to hold a "managerial or executive office" if it is approved by Shareholders or an exemption applies (for example, where the benefit together with other benefits does not exceed the payment limits set out in the Corporations Act, including where the aggregate benefits do not exceed one year's average base salary). This restriction applies to all KMP.

The term "benefit" in this context is broad, and may include the accelerated vesting of Performance Rights. As outlined in the summary of the terms of the Performance Rights Plan in the Schedule to this Notice, the Board has the discretion to determine that some or all of the Performance Rights vest early:

- (a) in certain specified circumstances, upon the cessation of employment of relevant KMP; or
- (b) if there is a change of control of the Company.

Shareholder approval is also sought so that the accelerated vesting of Performance Rights and the issue or transfer of Shares on their vesting in the above circumstances (**Benefits**) does not count towards such maximum termination benefits payable without Shareholder approval.

Shareholder approval of Resolution 4 will allow the Company, where appropriate, to exercise its discretion under the Performance Rights Plans in an equitable manner for all employees equally. If Resolution 4 is not approved, employees who are KMP may not be able to receive Benefits that are available to all other employees unless subsequent Shareholder approval is obtained. Further, equity linked Benefits such as the Performance Rights granted under the Performance Rights Plan align the interests of senior executives and Shareholders, and the Directors believe granting approval of Resolution 4 is better for Shareholders than, for example, the Company increasing cash awards in future in lieu of share Benefits. Shareholder approval is also expected to assist the Company to retain, motivate and attract key employees.

Details of the Performance Rights that may vest in FY18 for current KMP are set out in the 2016 Remuneration Report. For Performance Rights, the value of the Benefits will depend on the number of Performance Rights that may vest and the market value of Shares at the time of vesting.

The precise value of the Benefits cannot be ascertained at the present time. Apart from the future Share price being unknown, the following are matters which will or are likely to affect the value of the Benefits:

- (a) the number of unvested Performance Rights held by the relevant KMP prior to the cessation of their employment;
- (b) reasons for cessation of employment; and
- (c) the exercise of the Directors' discretion at the relevant time.

It should be noted that, notwithstanding an approval by Shareholders of Resolution 4, any future grant of Performance Rights to a Director will remain subject to Shareholder approval under Listing Rule 10.14.

Board Recommendation

The Non-Executive Directors recommend that Shareholders vote in favour of Resolution 4 to approve the Performance Rights Plan. The Executive Directors are interested in the outcome of this Resolution and therefore do not consider it appropriate to make a recommendation to Shareholders.

RESOLUTIONS 5 & 6 – GRANT OF PERFORMANCE RIGHTS TO MR DANIEL LOUGHER AND MR DAVID SOUTHAM

Background to Resolutions

At the Company's 2014 Annual General Meeting, Shareholders overwhelmingly reapproved the Western Areas Performance Rights Plan for KMP of the Company. For the purposes of making FY17 grants, Resolutions 5 and 6 seek Shareholder approval for the issue of 375,540 Performance Rights to Mr Lougher and 211,280 Performance Rights to Mr Southam in accordance with the Performance Rights Plan.

Listing Rules

Listing Rule 10.11 provides a general restriction against issuing equity securities (including Performance Rights) to “related parties” (which include directors) without shareholder approval.

Listing Rule 10.14 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under either Listing Rule 7.1 or 10.11.

Under Resolutions 5 and 6, the Company seeks approval, for the purposes of Listing Rule 10.14, from Shareholders for the grant of Performance Rights to Mr Lougher and Mr Southam which constitute the issue of equity securities to directors under an employee incentive scheme.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of “financial benefits” to “related parties” by a public company.

For the purposes of Chapter 2E of the Corporations Act, Mr Lougher and Mr Southam, being Directors, are "related parties" of the Company and the grant of Performance Rights pursuant to the Performance Rights Plan will constitute the giving of "financial benefits".

The Board (other than Mr Lougher because of his interest in Resolutions 5, and Mr Southam because of his interest in Resolutions 6) considers that the grant of Performance Rights to Mr Lougher and Mr Southam is an appropriate and reasonable component of their remuneration, and that the financial benefit represented by the grant of the Performance Rights falls within the "reasonable remuneration" exception in section 211 of the Corporations Act. For this reason, the Company is not seeking Shareholder approval of Resolutions 5 and 6 for the purposes of Chapter 2E of the Corporations Act.

Sections 200B and 200E of the Corporations Act

The Corporations Act provides that the Company may only give a person a benefit in connection with their ceasing to hold a "managerial or executive office" if it is approved by Shareholders or an exemption applies (for example, where the benefit together with other benefits does not exceed the payment limits set out in the Corporations Act, including where the aggregate benefits do not exceed one year's average base salary).

The term "benefit" in this context is broad, and may include the accelerated vesting of Performance Rights. As outlined in the summary of the terms of the Performance Rights Plan in the Schedule to this Notice, the Board has the discretion to determine that some or all of the Performance Rights vest early:

- (a) in certain specified circumstances, upon the cessation of employment of Mr Lougher and Mr Southam; or
- (b) if there is a change of control of the Company.

Upon termination of employment, unvested Performance Rights will be treated in accordance with the rules of the Performance Rights Plan (**Performance Rights Plan Rules** or **Plan Rules**). Where a participant ceases employment or office as a “Bad Leaver” (eg. resignation, serious misconduct, etc.), all unvested Performance Rights will automatically be forfeited by the participant and lapse (unless the Board determines otherwise in its sole and absolute discretion). Where a participant ceases employment or office as a "Good Leaver" (eg. where the participant ceases employment and is not classified as a Bad Leaver, for example upon death, disability, etc.), the Board may determine in its sole and absolute discretion to allow some or all of the unvested Performance Rights held by that participant to vest and be automatically exercised.

If the Board were to exercise its discretion to vest some or all of the Performance Rights early in the circumstances referred to above, this may amount to the giving of a termination benefit requiring Shareholder approval in accordance with the Corporations Act. Shareholder approval is also being sought for any such benefit which Mr Lougher or Mr Southam may receive due to accelerated vesting of Performance Rights.

Details of Mr Lougher's and Mr Southam's remuneration, including other termination benefits, are set out in the Company's 2016 Remuneration Report.

For Performance Rights, the value of the benefit given upon accelerated vesting will depend on a number of factors, and accordingly cannot be calculated at the present time. Apart from the future price of Shares being unknown, the following are matters which will or are likely to affect the value of the benefit:

- (a) the number of unvested Performance Rights held by Mr Lougher or Mr Southam prior to the cessation or employment or occurrence of a change of control;
- (b) the reasons for cessation of employment; and
- (c) the exercise of the Directors' discretion at the relevant time.

Listing Rules information requirements

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the information below. Neither the Directors nor the Company are aware of any other information that would be reasonably required by Shareholders to make a decision in relation to the proposed grant of Performance Rights contemplated by Resolution 5 and 6.

- (a) *Identity of the related parties to whom Resolutions 5 and 6 apply.*

The Performance Rights will be granted to Daniel Lougher (the Managing Director and Chief Executive Officer) and David Southam (Executive Director).

- (b) *Nature of securities to be issued pursuant to Resolution 5 and 6*

It is proposed that the Company grants Performance Rights to each of Mr Lougher and Mr Southam pursuant to the Performance Rights Plan.

- (c) *Maximum number of securities to be issued pursuant to Resolutions 5 and 6*

Resolution 5

Resolution 5 seeks approval from Shareholders to allow the Company to grant a maximum of 375,540 Performance Rights to Mr Daniel Lougher. In circumstances where these Performance Rights all vest and are all exercised, a maximum of 375,540 Shares may be issued to Mr Lougher.

Resolution 6

Resolution 6 seeks approval from Shareholders to allow the Company to grant a maximum of 211,280 Performance Rights to Mr David Southam. In circumstances where these Performance Rights all vest and are all exercised, a maximum of 211,280 Shares may be issued to Mr Southam.

- (d) *Key terms of issue of the Performance Rights*

Performance period

The Performance Rights the subject of Resolutions 5 and 6 will vest subject to the below vesting conditions and performance hurdles assessed over a three year period.

Vesting conditions and performance hurdles

The FY17 Performance Rights will only vest subject to satisfaction of both a continuous service condition until 30 June 2019 and a performance condition assessed against a three year relative TSR hurdle for the period 1 July 2016 to 30 June 2019.

The relative TSR performance for the FY17 Performance rights will be assessed against the performance of a custom peer group of companies as follows:

Altona Mining Ltd	Independence Group NL	Panoramic Resources Ltd
Alumina Ltd	Medusa Mining Ltd	Pilbara Minerals Ltd
Avanco Resources Limited	Mincor Resources NL	Poseidon Nickel Ltd
Beadell Resources Ltd	Mt Gibson Iron	Rex Minerals Ltd
Bouganville Copper Ltd	Northern Star Resources Ltd	Sandfire Resources Ltd
Cudeco Ltd	OM Holdings Ltd	Syrah Resources Ltd
Gindalbie Metals Ltd	Oz Minerals Ltd	Talisman Mining Ltd
Hillgrove Resources Ltd	Paladin Energy Ltd	Zimplats Holdings Ltd

The Performance Rights will become performance-qualified as follows:

Relative TSR performance	Outcome
Less than 50 th percentile	Nil
At the 50 th percentile	50% of the relevant tranches grant will become performance-qualified
Between the 50 th and 75 th percentile	For each percentile over the 50 th , an additional 2% of the relevant tranches grant will become performance-qualified
At or above the 75 th percentile	100% vesting of the relevant tranche

Shareholders should note that both the three year TSR performance hurdle and the three year service condition must be satisfied in order for the Performance Rights to vest. As such, Mr Lougher and Mr Southam will not receive any of the potential value from their FY16 LTI grant of Performance Rights until the conclusion of the three-year performance period (eg. at the end of the 2019 financial year).

The Company utilises relative TSR performance rankings, as measured against a customised resources company peer group, as this measure gives a better reflection of the Company's performance as compared to companies that encounter similar cyclical commodity price market conditions. This effectively normalises the fluctuation of commodity prices, as these are outside the ability of the KMP to control.

There will be no retesting of performance. Any Performance Rights that fail to become exercisable due to a failure to satisfy the vesting conditions and performance hurdles will lapse and be forfeited.

The Shares to be issued upon vesting of the Performance Rights will be fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares, and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

A summary of the Performance Rights Plan is outlined in the Schedule to this Notice of Meeting.

(e) Issue price and date of issue

No cash consideration is payable by Mr Lougher and Mr Southam at the time of grant of the Performance Rights, or upon the allocation of Shares to which each may become entitled to on the vesting and exercise of the Performance Rights.

It is expected that the Performance Rights will be granted to Mr Lougher and Mr Southam as soon as practicable after Shareholder approval is received and in any event no later than 12 months from the date of the AGM, without obtaining further Shareholder approval.

(f) Previous issues under the Performance Rights Plan

The following grants have been made under the Performance Rights Plan to persons referred to in Listing Rule 10.14 since it was last approved by Shareholders at the Company's 2014 AGM:

Participant name	Number of Performance Rights	Remaining Unvested Performance Rights
Mr D Lougher	504,890	504,890
Mr D Southam	284,055	284,055

All Performance Rights granted since the Performance Rights Plan was last approved were issued for nil consideration.

(g) Eligible participants under the Performance Rights Plan

Executive Directors are entitled to participate in the Performance Rights Plan. Those persons who are presently entitled to participate in the Performance Rights Plan, and whose grants of Performance Rights are subject to Shareholder approval under Resolutions 5 and 6 are Mr Lougher and Mr Southam.

(h) Loans in relation to the acquisition of Performance Rights

No loans will be made by the Company in connection with the acquisition of the Performance Rights.

A voting exclusion statement for Resolutions 5 and 6 is included in the Notice of Meeting.

Board recommendation

The Board (other than Mr Lougher in respect of Resolution 5, and Mr Southam in respect of Resolution 6, because of their interest in Resolutions 5 and 6) has considered the corporate governance issues relevant to executive compensation arrangements, including the ASX Corporate Governance Council's "Principles of Good Corporate Governance and Best Practice Recommendations" and has formed the view that the grant of the Performance Rights to the Directors on the terms and conditions set out in this Explanatory Statement is reasonable, that the value and quantum of the Performance Rights are not excessive nor unusual for a company of Western Areas' size in light of recent market practice of remuneration for officers in similar positions and Mr Lougher and Mr Southam's importance (both now and in the future) to the ongoing business operations of the Company.

The Board (other than Mr Lougher because of his interest in Resolution 5) unanimously recommends that Shareholders vote in favour of Resolution 5 to approve the grant of Performance Rights under the Performance Rights Plan to Mr Lougher.

The Board (other than Mr Southam because of his interest in Resolution 6) unanimously recommends that Shareholders vote in favour of Resolution 6 to approve the grant of Performance Rights under the Performance Rights Plan to Mr Southam.
