Federal Court class action against Ashley Services Group Limited

Further to its announcement on 18th August 2015, **Ashley Services Group Limited (ASX: ASH)** received an originating application and statement of claim filed in the Federal Court of Australia on 30th November 2016 (**proceedings**).

The proceedings were originally threatened by IMF Bentham in its ASX release on 17th August 2015.

The proceedings are brought by certain ASH shareholders against ASH with respect to, among other matters, alleged misstatements in, or omissions from, ASH's prospectus dated 7th August 2014 in connection with ASH's acquisition of the Registered Training Organisation 'Integracom'.

Law firm William Roberts is representing IMF in these proceedings.

ASH denies all liability in respect of these allegations and advises that they will be vigorously defended.

ASH remains in voluntary suspension as advised in an ASX Market Release of 10th November 2016.
