Dear Ben,

Voluntary Suspension

Further to our request for a trading halt made on 14 December 2016, I advise that Azure Minerals Limited (ASX: AZS) is not in a position to make an announcement in regards to the back-in right over the Alacran Project, therefore it requests the securities of the Company be voluntarily suspended until the earlier of commencement of normal trading on Monday 19th December 2016, or when the announcement concerning the back-in right is released to the market.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Yours Sincerely,
