Australian Governance Masters Index Fund NTA estimate

As at the close of the Australian Securities Exchange on Tuesday, 21 February 2017, the Australian Governance Masters Index Fund Limited has an estimated, unaudited pre-tax NTA per share of \$1.95*, which accounts for the \$0.03 per share dividend announced on 20 February 2017.

The Australian Governance Masters Index Fund Limited is currently trading cum-dividend (ex-dividend date is 24 February 2017), so the dividend adjusted estimated, unaudited pre-tax NTA per share is \$1.98.

Yours Sincerely,

Hannah Chan
Company Secretary

Australian Governance Masters Index Fund Limited invests only in the best governed top Australian companies within the S&P/ASX 100 Index, as ranked by the Company's corporate governance analysis and third party research. The Company pursues an index style of investing with an active corporate governance bias and expects to hold securities of approximately 75 to 85 Australian entities within the S&P/ASX 100 at any time.

The Company believes that boards and management that show relatively high levels of corporate governance tend to outperform companies with relatively lower levels of corporate governance over the long term. The Company also seeks to promote adherence to corporate governance best practice recommendations in its investments by voting its proxies and participating in shareholder meetings.

The Company aims to achieve long-term capital appreciation, while reducing risk, preserving the capital of the Company and investing in a diversified portfolio of investments.
