The Board of the Foundation is pleased to support the establishment and development over the next few years of the Ramsay Centre for Western Civilisation ('the Ramsay Centre'), to give effect to the wishes of our benefactor, the late Mr Paul Ramsay. When the Ramsay Centre is fully operational, our annual grants to the Centre will form an important part of our annual grants program.

The Board of the Foundation remains committed to seeking to preserve and maintain the Foundation's shareholding in Ramsay Health Care Limited (ABN 57 001 288 768), in accordance with Mr Ramsay's express wishes. The establishment and annual funding of the Ramsay Centre should not have any material impact on this commitment. In particular, the Board does not expect that it will need to sell shares in Ramsay Health Care Limited to fund the Ramsay Centre.
