**Request for trading halt: Fletcher Building Limited ASX Code (FBU) NZX Code (FBU)**

We request a trading halt to be applied to our securities under ASX Listing Rule 17.1 and NZX Main Board/Debt Market Listing Rule 5.4.1(a) and set out below details of the request as per the rules of each of ASX and NZX.

We would like the trading halt to commence from the commencement of trading on 17 March 2017.

Reasons for trading halt: The Company is reviewing the financial performance of the Construction division and its impact on earnings guidance previously provided to the market. As that review is ongoing, the Company is not currently in a position to make an announcement to the market of the results of that review.

How long we want the trading halt to last: We request the trading halt until the commencement of trading on Monday 20 March 2017.

The event we expect to happen that will end the trading halt: Announcement regarding earnings guidance for the 2017 financial year prior to market opening on Monday 20 March 2017.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely
