- 3 Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)

Exercise price: nil  
Expiry date: 1/9/2019

Each performance right entitles the holder to acquire one fully paid ordinary share in Tatts. The rights are subject to a performance condition which is measured over a three year performance period (1 August 2016 to 30 July 2019). The performance rights will only vest if the Company's volume weighted average share price for the 10 trading days prior to 30 July 2019 is at or above the share price performance condition.

The share price performance condition is determined by grossing up the Company's share price at the commencement of the three year performance period by the rolling compound annual growth rate (CAGR) returns of the ASX All Ordinaries Index over 15 years, for each year of the three year performance period.

All of the rights will lapse if the performance condition is not satisfied.
