Navitas finalises Adult Migrant English Program contracts

Further to its announcement on 6 March 2017 regarding Adult Migrant English Program (AMEP) contract renewals, global education services provider Navitas Limited (ASX: NVT) has now executed the contracts with the Commonwealth government.

The AMEP provides up to 510 hours of English language tuition to eligible migrants and humanitarian entrants to help them learn foundation English language and settlement skills.

From 1 July 2017 Navitas will deliver AMEP General Services contracts in:

- Sydney South West
- Hunter
- Illawarra South Coast
- Capital Region
- North and North West Tasmania

In addition Navitas will deliver Skills for Education and Employment (SEE) programs in:

- Sydney East Metro
- Sydney Greater West
- Sydney North and West
- Sydney South West

The Skills for Education and Employment (SEE) program provides language, literacy and numeracy training to eligible job seekers, to help them to participate more effectively in training or in the labour force.

The above will result in an approximate two thirds reduction in the number of contracted areas and migrants serviced and will decrease the Careers and Industry Division's EBITDA by an estimated \$12m to \$14m in FY18 and beyond.
