WorleyParsons signs framework agreement with Shell for EPCM services

WorleyParsons announces today that it has been awarded a five-year Framework Agreement by Shell Global Solutions International, B.V., for the provision of engineering, procurement and construction management (EPCM) services for Shell downstream projects worldwide.

WorleyParsons drives a strong focus on improving operating efficiency for its clients through its EPCM services, including concept, front end engineering, detailed design, procurement, and project and construction management services.

The inclusion of the management and technical consulting services of Advisian helps WorleyParsons Group provide 360 degree solutions to its clients.

“We are looking forward to working with Shell and delivering success. We appreciate the continued confidence shown in WorleyParsons’ capabilities” said Andrew Wood, CEO of WorleyParsons.
