(2) **CONDITIONAL ISSUE AND ALLOTMENT OF 7,100,000 NEW SHARES AT AN ISSUE PRICE OF A\$0.12 PER SHARE PAYABLE IN CASH TO A DIRECTOR**

ASX Listing Rule ("LR") 10.11, with certain defined exceptions, prohibits a listed entity to issue or to agree to issue securities to a related party (which includes a director of the listed entity) without the approval of holders of the listed entity's ordinary securities. The agreement to issue the aforesaid 10,000,000 placement shares was not conditional upon approval of shareholders. As a portion of the 2017 Performance Shares were to be issued to Lau Eng Foo (Andy), a director of the Company, shareholders' approval for its issue is required under LR10.11. A notice for a meeting to seek shareholders' approval under LR10.11 must include information set out in LR10.13. As these required information were not given in the notice of annual general meeting, the proposed resolution in relation to the grant of the 2017 Performance Shares to be tabled at the Company's annual general meeting was withdrawn.

The Directors of Asaplus Resources Limited (the "**Company**") hereby announce that, subject to approvals under LR7.1 and LR10.11 being received from shareholders, the Company has agreed to:

(a) grant 2,900,000 new shares as performance bonus ("**2017 Performance Shares**") to key personnel and employees on the terms set out in the Earlier Announcement; and

(b) issue and allot 7,100,000 new shares ("**Placement Shares**") at an issue price of A\$0.12 per share payable in cash to Mr Lau Eng Foo (Andy), a director, to be completed no later than one month from the date shareholders' approvals for it is received.

collectively, the "**Proposed Transactions**".

The A\$0.12 placement price is derived at after taking into account that it is equal to the last traded price and is higher than the current open market offer price of A\$0.06 per share. Save for this, the rationale for the Proposed Transactions are set out in the Earlier Announcement.
