Agenda Items

2. Remuneration Report

The Directors' Report for the year ended 30 June 2017 (which is contained in the Company's Annual Report) contains a Remuneration Report, which sets out the policy for the remuneration of key management personnel (which includes the Directors and certain senior executives).

The Corporations Act requires that a resolution be put to a vote that the Remuneration Report be adopted. The vote is advisory only and does not bind the Company or its Directors. However, when considering the future remuneration arrangements of the Company, the Remuneration Committee and the Board will take into account feedback from its shareholders in relation to the Company's remuneration strategy, including the discussion and vote on this resolution.

The Company's remuneration strategy recognises the need to appropriately reward, incentivise and retain key employees. The Company aims to achieve this by setting competitive remuneration packages that include a mix of fixed remuneration and short and long term incentives.

As set out in the Annual Report, the 2017 financial year has been a successful year for the JB Hi-Fi Group, with the Group having successfully completed the acquisition of The Good Guys and management having delivered record revenue, EBIT and EPS. These achievements have been reflected in FY2017 executive remuneration.

- **Fixed remuneration and remuneration packages:** Fixed remuneration for Group executives (comprising base salary, motor vehicle allowances and superannuation) increased by between 3.0% (Richard Murray) and 14.3% (Nick Wells). Total remuneration packages increased by between 3.1% (Peter Green) and 14.3% (Nick Wells), the latter reflecting the fact that the Group Chief Financial Officer was promoted on a relatively low remuneration package and that the Board is now starting to bring his remuneration package into line with his peers. Richard Murray's total remuneration package increased by 10.9%, primarily as a result of increased long term incentives, all of which contain 3, 4 and 5 year performance conditions, with fixed remuneration and short term incentives increasing by 3.0%. Remuneration increases were set with reference to external benchmarking and changes of roles and responsibilities during FY2017. Remuneration packages for Richard Murray and Nick Wells remained significantly lower than the FY2014 remuneration packages for their predecessors.
- **Short term incentive:** The Company's short term incentive plan rewards performance against both financial and non-financial measures. For FY2017, all STI performance conditions were achieved, resulting in 100% of the available short term incentive ("STI") being payable to each Group executive. The Board notes that this is the first year in which 100% of available STIs will be paid to all Group executives since FY2009. 20% of the short term incentive earned by each Group executive for FY2017 is "deferred" and issued in shares which are subject to a restriction on sale/disposal for 1 year after issue (up from 10% in FY2016).
- **Long-term incentives:** All long-term incentives ("LTI") issued to Group executives in FY2017 are in the form of zero exercise price options and are subject to both service and performance based conditions. Some of the options issued to Group executives in previous years vested in FY2017.
- **Fees for Non-Executive Directors:** Fees for non-executive directors were increased from the levels set in FY2015 to take account of inflation.

In setting FY2018 Group executive remuneration packages, the Company has decided to make the following changes:

- **FY2018 remuneration packages:** The Group's executive remuneration packages will be more heavily geared towards "at risk" remuneration (long and short term incentives) and less toward fixed remuneration than their FY2017 remuneration packages.
- **Increased STI performance hurdles:** As a result of a number of one-off expenses in FY2017, relating to the transaction and implementation costs associated with The Good Guys acquisition and the impairment of fixed assets and goodwill of the New Zealand business, statutory EBIT in FY2017 was lower than underlying operating EBIT. As the Board uses statutory EBIT to measure performance, higher performance hurdles for the Group quantitative element of executive STI will apply for FY2018 being 23% - 34% statutory EBIT growth (compared to 0% - 10% for the FY2017 STI). These hurdles are equivalent to 0% - 10% growth from FY2017 underlying EBIT (adjusted to include a full 12 months of The Good Guys' earnings) and are consistent with STI hurdles in recent years.
- **Increased LTI performance hurdles:** For the same reasons, higher performance hurdles for LTI will apply being 9% - 15% compound annual statutory EPS growth (compared to 4% - 8% for the FY2017 LTI grant). These hurdles are equivalent to approximately 5% - 10% compound annual underlying EPS growth, an increase from the hurdles of 4% - 8% compound annual growth applying to the FY2017 LTI grant.
- **Revised vesting schedule for LTI:** LTI granted in FY2018 will vest a half each on the third and fourth anniversary of grant (compared to the FY2017 grant which vest a third each on the third, fourth and fifth anniversary of grant).
- **Fees for Non-Executive Directors:** The Board recognises the need to remain competitive in the market in order to continue to attract and retain talented directors and has therefore decided to increase non-executive director fees for the 2018 financial year.

As a result of provisions in the Corporations Act known generally as the "two strikes rule", shareholders should note that the result of the vote on this Item may affect next year's Annual General Meeting. If 25% or more of the votes cast are "against" the adoption of the Remuneration Report at the 2017 and 2018 Annual General Meetings, the Corporations Act requires a resolution whether to spill the Board to be put to the 2018 AGM. The Directors therefore encourage shareholders to apply the same level of diligence as for the binding resolutions below in casting their vote on this Item 2.

The Board recommends that shareholders vote in favour of this non-binding resolution.

The Corporations Act prohibits any votes being cast on Item 2 by or on behalf of a person who is disclosed in the Remuneration Report as a member of the key management personnel of the Company (which includes the Directors and the Chairman) or a closely related party of that member. However, such a person may cast a vote on Item 2 if they do so as a proxy for a person who is permitted to vote and either:

- (i) the proxy is appointed by writing that specifies the way in which the proxy is to vote on the resolution; or
- (ii) the proxy is the Chairman and the appointment of the Chairman does not specify the way in which the Chairman is to vote on the resolution but expressly authorises the Chairman to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of the key management personnel of the Company.

3. Election and Re-election of Directors

Mr Mark Powell has been appointed as a Director by the Board, and has also been a member of the Company's Audit & Risk Management Committee, with effect from 13 March 2017. In accordance with the Company's Constitution, Mr Powell holds office until the conclusion of the Annual General Meeting unless elected at the Meeting. Mr Powell therefore offers himself for election as a Director.

Ms Laughton and Ms Tang retire by rotation in accordance with the Company's Constitution and offer themselves for re-election as Directors.

A profile of each candidate seeking election or re-election as a Director, and any other information that the Company believes to be relevant to the decision on whether or not to elect or re-elect such person, is set out below.

(a) Mr Mark Powell

Non-Executive Director

BSc (Hons), MSc, MBA (Distinction), BApp. Theol, MA (Hons)

Mark was appointed to the Board on 13 March 2017 and is a member of the Audit & Risk Management Committee. Mark has over 25 years' executive experience in retail, logistics and wholesale distribution in the UK, Spain, North America, Australia and New Zealand. This includes being UK Logistics Operations Director for Tesco Plc, running Wal-Mart Canada's logistics operations and CEO of Warehouse Stationery in NZ. Mark also spent five years as Group CEO for The Warehouse Group, New Zealand's largest listed retail group which includes Noel Leeming, NZ's largest technology and appliances retailer. Most recently he was an advisor to the board of The Good Guys for 18 months prior to its acquisition by JB Hi-Fi. He is also currently 'CEO-in-residence' at Massey Business School and involved on a voluntary basis with several not-for-profit organisations.

As recommended by the ASX Corporate Governance Principles and Recommendations, the Company has conducted checks as to Mark's character, experience, education, criminal record and bankruptcy history, and no material adverse information has been revealed by these checks.

(b) Ms Beth Laughton

Non-Executive Director

B.Ec, FAICD, FCA

After qualifying as a Chartered Accountant, Beth spent over 25 years in corporate finance, providing mergers and acquisition advice and arranging equity funding for companies in a range of industries including specialty retail. For 12 years her primary focus was on information technology, telecommunications and entertainment. She is also a member of the Board of GPT Funds Management Limited and Chair of its Audit, Compliance & Risk Management Committee. Beth was previously a member of the Defence SA Advisory Board and its Audit & Risk Management Committee, a non-executive director of Port Adelaide Maritime Corporation, a non-executive director and Chair of the Audit Committee of both Sydney Ferries and CRC Care Pty Ltd, and a non-executive director and member of the Audit Committee of the ASX listed Australand Property Group companies. Beth was appointed to the JB Hi-Fi Board in May 2011, became Chair of the Audit & Risk Management Committee in June 2012 and is also a member of the Company's Remuneration Committee.

The Board notes that GPT Funds Management Limited is the responsible entity for the GPT Wholesale Shopping Centre Fund and that this Fund has ownership interests in a number of shopping centres in which the Company currently leases stores. The Board is of the opinion that Beth is an independent director on the basis that individual leasing arrangements at both the Company and GPT are generally determined at a managerial level rather than Board level. In addition, the Company's internal protocols provide that Beth would be excluded from any discussion and decision making where any conflict of interest arises between Beth's role as a director of the Company and her role as a director of GPT Funds Management Limited.

(c) Ms Wai Tang
Non-Executive Director
BAppSC, MBA, GAICD

Wai was appointed to the Board on 14 September 2015 and is a member of the Company's Audit & Risk Management Committee and Remuneration Committee. Wai has extensive retail industry experience and knowledge gained through senior executive and board roles. Her former senior executive roles included Operations Director for Just Group and Chief Executive Officer of the Just Group sleepwear business, Peter Alexander. Prior to joining the Just Group, Wai was General Manager of Business Development for Pacific Brands. Wai was co-founder of the Happy Lab retail confectionery concept. Wai is also a non-executive director and member of the Audit Committee and the Risk & Compliance Committee of Vicinity Limited, and a non-executive director of Kikki K, the Melbourne Festival and Visit Victoria. Wai's former directorships include Speciality Fashion Group and the Melbourne Fashion Festival.

The Board notes that Vicinity Limited has ownership interests in a number of shopping centres in which the Company currently leases stores. The Board is of the opinion that Wai is an independent director on the basis that individual leasing arrangements at both the Company and Vicinity Limited are generally determined at a managerial level rather than Board or Board Committee level. In addition, the Company's internal protocols provide that Wai would be excluded from any discussion and decision making where any conflict of interest arises between Wai's role as a director of the Company and her role as a director of Vicinity Limited.

The Board has considered the skills, experience, knowledge and independence of each candidate and recommends (with each director abstaining in respect of their own election) that shareholders vote in favour of these resolutions.

4. Approval of grant of Options to Executive Director – 2017

The Board believes that a significant portion of the Executive Director's and senior management's remuneration should be linked to sustained growth in long term shareholder wealth. In that regard, the Company operates an equity based incentive plan as part of its long term remuneration strategy.

Under ASX Listing Rule 10.14, shareholder approval is required in order for a director to be issued securities under an employee incentive scheme. Accordingly, shareholder approval is sought for the grant to the Executive Director, Mr Richard Murray, of 61,347 zero exercise price options ("Zepos"). As detailed in the Explanatory Notes for Item 2 and in Appendix 1, each of the Zepos is subject to both performance hurdles and a service based vesting condition.

Subject to the approval for the grant of these Zepos by shareholder resolution, the grant of Zepos to Mr Murray will not be included in any 15% calculation for the purposes of ASX Listing Rule 7.1 (by virtue of the application of Listing Rule 7.2 Exception 14).

The Zepos to be granted to Mr Murray will be granted pursuant to and subject to the JB Hi-Fi Executive Option Plan (JB Plan). The key terms of the Zepos to be granted to Mr Murray are summarised in the Table set out in Appendix 1.

The Board (with Mr Murray abstaining), recommend that shareholders vote in favour of this Item 4.

In accordance with the ASX Listing Rules, the Company will disregard any votes cast on Item 4 by or on behalf of Mr Murray and any of his associates. In addition, the Corporations Act provides that a member of the Company's key management personnel (including the Directors and the Chairman) who are disclosed in the Remuneration Report, and their closely related parties, are not permitted to cast a vote as a proxy on Item 4.

However, these restrictions will not apply where:

- a vote is cast by a person as a proxy for a person who is permitted to vote, in accordance with a direction on the proxy form; or
- the appointment does not specify the way in which the proxy is to vote on the resolution and (i) the proxy is the Chairman voting in accordance with a direction on the proxy form to vote as the proxy decides; and (ii) the appointment expressly authorises the Chairman to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of members of the key management personnel of the Company.

5. Increase in Non-Executive Directors' Fees

Pursuant to article 9.9 of the Company's Constitution and ASX Listing Rule 10.17, the approval of shareholders is sought to increase the total amount or value of the remuneration which may be provided in each financial year by the Company to its Non-Executive Directors for their services as Non-Executive Directors to \$1,500,000.

This is an increase of \$250,000 over the present maximum aggregate amount of \$1,250,000 per annum, which was approved by Shareholders at the Company's Annual General Meeting on 12 October 2011.

No fees are paid to the Executive Director for his services as a Director. The remuneration for services as an Executive Director is not included in the maximum aggregate amount for the purpose of this Resolution.

The Company does not intend to use the increased maximum amount immediately and the Non-Executive Director fees paid for FY2018 are expected to total approximately \$1,100,000. However, the proposed increase in the maximum total amount or value of remuneration:

- provides scope to appoint additional Non-Executive Directors to the Board; and
- accommodates potential increases in future fees payable to each Non-Executive Director if appropriate based on a review of fees paid by comparable companies at that time and, where appropriate, recommendations by external remuneration consultants.

Given the interests of the Non-Executive Directors in this item, the Board as a whole makes no recommendation in relation to this Item 5.

The Chairman intends to vote any proxies held by him in respect of this item, in favour of this Item 5 (unless the appointer directs him otherwise).

Exclusion from Voting on Item 5

In accordance with the Listing Rules, the Company will disregard any votes cast on Item 5 by or on behalf of a Director of the Company or any of their associates. In addition, the Corporations Act provides that a member of the Company's key management personnel (including the Directors and the Chairman) who are disclosed in the Remuneration Report, and their closely related parties, are not permitted to cast a vote as a proxy for a person on Item 5.

However, these restrictions will not apply where:

- a vote is cast by a person as a proxy for a person who is permitted to vote, in accordance with a direction on the proxy form; or
- the appointment does not specify the way in which the proxy is to vote on the resolution and (i) the proxy is the Chairman voting in accordance with a direction on the proxy form to vote as the proxy decides; and (ii) the appointment expressly authorises the Chairman to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of members of the key management personnel of the Company.

6. Approval of financial assistance in connection with the acquisition of The Good Guys

This section of the Explanatory Memorandum relating to proposed Item 6 ("Financial Assistance") (the **Resolution**) contained in the accompanying Notice is given to shareholders of the Company for the purpose of section 260B(4) of the Corporations Act.

6.1 Background

Under a Master Sale & Purchase Deed dated 13 September 2016 (**Master Sale & Purchase Deed**) and certain other related sale agreements, JB Hi-Fi (B) Pty Ltd (the "Purchaser"), a wholly owned subsidiary of the Company, acquired (among other things) all of the issued shares in:

- The Good Guys Discount Warehouses (Australia) Pty Ltd ("The Good Guys"); and
 - The Muir Finance Company Proprietary Limited ("MFC"),
- (the **Acquisition**).

The companies listed in the below table are subsidiaries of The Good Guys and MFC:

Company	ACN
The Muir Electrical Service Co Pty Ltd	ACN 000 155 706
Muir Group Employee Share Plan Pty Ltd	ACN 063 903 391
The Muir Electrical Company Proprietary Limited	ACN 004 453 945
M.E.W. (Australia) Pty Ltd	ACN 152 719 036

The Good Guys (in its own capacity and as trustee of The Good Guys Discount Warehouses (Australia) Trust and various individual store trusts (as set out in part 3 of Schedule 2 of the Master Sale & Purchase Deed)), The Good Guys' subsidiaries, MFC, MFC's subsidiaries and The Muir Electrical Company Proprietary Ltd as trustee of The Muir Investment Unit Trust are collectively the "**Acquired Subsidiaries**" and each is an "**Acquired Subsidiary**".

6.2 Banking Facilities

In order to assist in funding the purchase price of the Acquisition, the Company entered into an Eighth Amendment Deed dated 13 September 2016 to amend and restate the Syndicated Facility Agreement originally dated 21 October 2005 between, among others, the Company, JB Hi-Fi Group Pty Ltd (ACN 093 114 286), the Purchaser and National Australia Bank Limited (ABN 12 004 044 937) as facility agent for certain financial institutions (**Amended Facility Agreement**).

One of the terms of the Amended Facility Agreement requires the Company to procure that each of the Acquired Subsidiaries accede to the Syndicated Facility Agreement as a guarantor by executing a guarantor accession deed (**Accession Deed**). In addition to executing the Accession Deed, the Company and the Acquired Subsidiaries may also enter into various documents in connection with the refinancing, replacement, renewal or variation of all or any part of the facilities referred to in the Amended Facility Agreement from time to time, whether by debt, equity, hybrid instrument or otherwise (including subsequent refinancings, replacements, renewals or variations thereafter) (**Refinanced Debt Facilities**).

If the resolution is passed and the Acquired Subsidiaries accede as additional guarantors, each Acquired Subsidiary will guarantee the obligations of the Company and each other guarantor under the Finance Documents and also provide certain undertakings, representations and warranties consistent with a facility of this nature, including:

- (i) an undertaking not to grant or permit a security interest over any of its assets;
- (ii) undertakings not to acquire or dispose of assets; and
- (iii) undertakings not to incur financial obligations,

in each case subject to agreed exceptions. The execution by each of the Acquired Subsidiaries of an Accession Deed as required under the Amended Facility Agreement, and the subsequent entry by the Acquired Subsidiaries into any of the transactions listed or contemplated above (together, the **Financial Assistance**) will have the effect of the Acquired Subsidiaries financially assisting the Acquisition for the purposes of Part 2J.3 of the Corporations Act.

6.3 Why Shareholder approval is required

Under section 260A(1) of the Corporations Act, a company may financially assist a person to acquire shares in it or its holding company only in certain limited circumstances, including where the assistance is approved by shareholders under section 260B of the Corporations Act.

Under section 260B(1) of the Corporations Act, shareholder approval must be given by the shareholders of each of the Acquired Subsidiaries at a general meeting by either:

- (i) a special resolution, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (ii) a resolution agreed to, at a general meeting by all ordinary shareholders.

In addition, because each Acquired Subsidiary became a subsidiary of a listed Australian holding corporation immediately after the Acquisition, the Financial Assistance must be approved by a special resolution passed at a general meeting of the Company under section 260B(2) of the Corporation Act. The giving of Financial Assistance has been, or will be approved by a unanimous resolution of the shareholders of each Acquired Subsidiary. Accordingly, it is proposed that the Financial Assistance now be approved by special resolution of the shareholders of the Company.

6.4 Effect of the Financial Assistance

The major effect of the Financial Assistance on each Acquired Subsidiary is that it will guarantee all amounts payable under the Amended Facility Agreement and may guarantee amounts payable under the Refinanced Debt Facilities. The operations of the Acquired Subsidiaries will also become restricted by the representations and undertakings given in the Amended Facility Agreement (and/or potentially under the Refinance Debt Facilities), which are similar to those which the Company and other companies in the JB Hi-Fi group of companies are already subject to.

6.5 Reasons for giving the Financial Assistance

The principal advantage to the Company (and, indirectly, to each of the Acquired Subsidiaries) of the Financial Assistance is to ensure that the Company's existing subsidiaries continue to have the benefit of the facilities provided under the Amended Facility Agreement (which, include facilities for working capital and general corporate purposes). This is expected to provide greater flexibility for the JB Hi-Fi Group. If the resolutions to approve the Financial Assistance are not passed and the Acquired Subsidiaries do not accede as additional guarantors, a default event will occur under the Amended Facility Agreement. One outcome of this would be to give the Financiers the right to cancel the Company's ability to draw down funds under the Amended Facility Agreement and declare any funds drawn down previously as immediately due and payable. If this were to happen, the Company may have to negotiate alternative financing and would expect to incur additional costs and transaction fees.

6.6 Disadvantages of giving the financial assistance

If the Financial Assistance is provided by the Acquired Subsidiaries it is unlikely to have an adverse effect on the Company.

However, it should be noted that there are potential disadvantages and risks associated with each Acquired Subsidiary providing the Financial Assistance. In providing the Financial Assistance, each of the Acquired Subsidiaries becomes liable to pay the Financiers any amounts outstanding under the Amended Facility Agreement (and/or potentially under the Refinanced Debt Facilities), in the event that the Company defaults in its payment obligations.

Nevertheless, in such a case, each of the Acquired Subsidiaries will maintain their right of contribution against the other guarantors and their right of subrogation against the Company and, accordingly, the giving of Financial Assistance should not materially prejudice any Acquired Subsidiary, its shareholders or any Acquired Subsidiary's ability to pay its creditors.

6.7 Directors' recommendation

The Directors unanimously recommend that the shareholders of the Company vote in favour of the resolution contained in Item 6 of the Agenda in this Notice of Annual General Meeting.

6.8 Notice to ASIC

A copy of this Notice of Annual General Meeting was lodged with the ASIC before being sent to the shareholders of the Company, as required by section 260B(5) of the Corporations Act.

6.9 Disclosure

The Directors consider that these Explanatory Notes contain all information known to the Company that would be material to the decision of the Company's shareholders on how to vote on the Financial Assistance resolution, other than information that would be unreasonable to require the Company to set out because the Company has previously disclosed that information to shareholders.

<p>Issue date</p>	<p>Subject to shareholder approval, the effective grant date will be 29 August 2017 (being the day after the valuation referred to above) and will therefore occur no later than 12 months from the date of the 2017 Annual General Meeting.</p>						
<p>Price payable on grant or exercise</p>	<p>No amount will be payable in respect of the grant, or on the exercise, of the Zepos.</p>						
<p>Vesting</p>	<ul style="list-style-type: none"> • One half of the Zepos (the "First Tranche") will generally be eligible to vest and become exercisable on the day after release of the Company's FY2020 financial results, provided that Mr Murray remains employed by the Company at this time (effectively 3 years after grant). • One half of the Zepos (the "Second Tranche") will generally be eligible to vest and become exercisable on the day after release of the Company's FY2021 financial results, provided that Mr Murray remains employed by the Company at this time (effectively 4 years after grant). <p>Vesting of the Zepos is subject to the performance hurdles being satisfied (details below).</p>						
<p>Performance hurdles</p>	<p>The vesting of the Zepos is subject to performance hurdles related to earnings per share ("EPS"). The Board considers EPS growth to be an appropriate performance measure as it drives longer term shareholder return and is a performance metric within management's control to deliver.</p> <p>The following vesting schedule will apply:</p> <table border="1" data-bbox="467 1283 1315 1430"> <thead> <tr> <th>Compound annual statutory EPS growth achieved</th> <th>Portion of grant vesting</th> </tr> </thead> <tbody> <tr> <td>9%</td> <td>50%</td> </tr> <tr> <td>15%</td> <td>100%</td> </tr> </tbody> </table> <p>Where compound annual statutory EPS growth is between 9% and 15%, the remaining 50% will vest on a linear basis.</p> <p>These hurdles are equivalent to approximately 5% - 10% compound annual underlying EPS growth, an increase from the hurdles of 4% - 8% compound annual growth applying to the FY2017 LTI grant. The Board believes that these increased hurdles are appropriately challenging in light of both underlying consensus forecasts and the earnings outlook for the Group.</p> <p>The base statutory EPS figure is 154.3 cents, being the EPS figure for the financial year ending 30 June 2017.</p> <p>The First Tranche will be tested against the EPS hurdle in August 2020 following the release of the Company's FY2020 financial results.</p> <p>The Second Tranche will be tested against the EPS hurdle in August 2021 following the release of the Company's FY2021 financial results.</p>	Compound annual statutory EPS growth achieved	Portion of grant vesting	9%	50%	15%	100%
Compound annual statutory EPS growth achieved	Portion of grant vesting						
9%	50%						
15%	100%						

Performance Hurdles (contd)	<p>For the First Tranche, if the EPS hurdle is not achieved based on FY2020 performance, the First Tranche may be aggregated with the Second Tranche and be retested in the following financial year on a cumulative EPS growth target. The Second Tranche is not eligible for any retesting.</p> <p>The following table demonstrates how the EPS growth target is tested (and, if applicable, compounded for a retest) based on Zepos granted in August 2017 and expiring in August 2022 and judged against an EPS hurdle of (i) 9% and (ii) 15%.</p> <table border="1" data-bbox="464 478 1317 898"> <thead> <tr> <th>Year</th> <th>Aug 2017</th> <th>Aug 2018</th> <th>Aug 2019</th> <th>Aug 2020</th> <th>Aug 2021</th> <th>Aug 2022</th> </tr> </thead> <tbody> <tr> <td>Zepos tested</td> <td>Grant</td> <td>n/a</td> <td>n/a</td> <td>Test for First Tranche required - based on FY2020 results</td> <td>Test for Second Tranche and retest for First Tranche as necessary - based on FY2021 results</td> <td>No retest. - Zepos expire in Aug 2022</td> </tr> <tr> <td>9% EPS growth</td> <td>Base EPS = 154.3</td> <td>n/a</td> <td>n/a</td> <td>Required EPS = 199.8</td> <td>Required EPS = 217.8</td> <td>n/a</td> </tr> <tr> <td>15% EPS growth</td> <td>Base EPS = 154.3</td> <td>n/a</td> <td>n/a</td> <td>Required EPS = 234.7</td> <td>Required EPS = 269.9</td> <td>n/a</td> </tr> </tbody> </table>	Year	Aug 2017	Aug 2018	Aug 2019	Aug 2020	Aug 2021	Aug 2022	Zepos tested	Grant	n/a	n/a	Test for First Tranche required - based on FY2020 results	Test for Second Tranche and retest for First Tranche as necessary - based on FY2021 results	No retest. - Zepos expire in Aug 2022	9% EPS growth	Base EPS = 154.3	n/a	n/a	Required EPS = 199.8	Required EPS = 217.8	n/a	15% EPS growth	Base EPS = 154.3	n/a	n/a	Required EPS = 234.7	Required EPS = 269.9	n/a
