Mr Arnett was appointed as a Director on 27 July 2007 and appointed Chairman on 9 March 2016.

Mr Arnett is a former consultant to, partner of and member of the Board of Directors and national head of the Natural Resources Business Unit of the law firm Norton Rose (formally Deacons). He has been involved in significant corporate and commercial legal work for the resource industry for over 20 years.

The 2017 Remuneration Report is set out on pages 10 - 15 of the 2017 Annual Report. The 2017 Remuneration Report sets out the Company's remuneration policy and reports on the remuneration arrangements in place for Directors and key executives of the Company for the 2016-2017 financial years.

The Board does not make any recommendations to Shareholders in relation to this resolution as it is intended to provide guidance to the Board.

Item 4 Special Business – Financial Assistance (Resolution 3.)

For further information, please refer to the Disclosure Statement set out in Annexure A and made in accordance with section 260B(4) of the Corporations Act, which forms part of this notice of general meeting.

As previously announced to the ASX, NRW, through its wholly owned subsidiary, NRW Mining Pty Ltd has acquired the entire issued share capital of Golding Group Pty Ltd ABN 97 129 247 025 (“Golding”). As a result of the acquisition (“Acquisition”), Golding and its subsidiaries have become wholly owned subsidiaries of the Company.

NRW obtained debt financing of \$48 million from its lead banker, to assist it to fund the Acquisition. It is a condition of this financing that Golding and each of its Subsidiaries must grant security over their respective assets and must provide cross guarantees and various other representations, warranties and undertakings in support of this financing.

As a condition of the Acquisition, the existing arrangements entered into by Golding and its subsidiaries in relation to performance guarantees were also transitioned to new arrangements. Golding and its subsidiaries are required to provide indemnities to Liberty Mutual Insurance Company (trading as Liberty International Underwriters) and CGU Insurance Limited in support of these new arrangements.

The entry into these financing arrangements constitutes the giving of ‘financial assistance’ by Golding and each Golding subsidiary in connection with NRW’s acquisition of all of the issued share capital of Golding. Such ‘financial assistance’ is permitted only in certain circumstances, one of which is where the financial assistance is approved by the Company’s shareholders. Obtaining this shareholder approval is also a condition of the Acquisition financing referred to above.

Accordingly, item 4 seeks shareholder approval for these arrangements following which (and assuming item 4 is passed) Golding and its subsidiaries will become parties to finance documents and provide various support for the financing arrangements, as set out in more detail in the Disclosure Statement in Annexure A.

Shareholder approval is commonly sought following an acquisition such as this in which the target company and its subsidiaries provide security and other support for the financing of the acquisition.

Item 5 Executive Incentive Scheme - Mr Julian Pemberton – CEO & Managing Director (Resolution 4.)

Resolution 4. seeks shareholder approval, in accordance with Listing Rule 10.14, to issue performance rights to Mr Julian Pemberton under the “NRW Holdings Limited Performance Rights Plan” (“Plan”).

The Board believes that an equity based long term incentive is an important component of Mr Pemberton’s remuneration as it ensures an appropriate proportion of his remuneration is aligned with generating long term returns for shareholders.

The proposed award is part of a restructured remuneration package which recognises the enlarged organisation following the successful acquisition of Golding. Mr Pemberton’s fixed remuneration will be increased to \$950,000. The short term component of Mr Pemberton’s overall remuneration will remain unchanged at 50%. The proposed grant is structured to re-establish a long term incentive scheme with objectives extending over a 3-year period to July 2020.

The following information is provided as background in support of the proposal. No long term awards were granted in 2015. A revised incentive plan was introduced in 2016, (which was also used in 2017) structured to meet the challenging business environment which NRW faced over the last three financial years. The scheme which included a combination of cash and share based awards required the achievement of business objectives over a relatively short term performance horizon of 12 months with some objectives deliverable over a 28-month period.

This proposed grant of Performance Rights will form the basis of the next three years of the long term component of Mr Pemberton's remuneration. The Board does not anticipate proposing further share based awards other than for performance periods beyond 2020. The Board considers this grant to be appropriate given the progress made in restructuring the balance sheet and the two acquisitions completed in the last 12 months which have contributed to a significant increase in shareholder returns over the same period.

Performance Rights proposed to be awarded to Mr Pemberton are in 3 Tranches of 2,137,500 each. The value of the award is based on 180% of Mr Pemberton's fixed remuneration. The quantum of Rights to be awarded is based on 80 cents per share being the 60 day VWAP up to and including the day the FY17 results were released. The duration of the three Tranches are for one, two and three years respectively.

The Board has set a series of challenging performance hurdles for each of the three tranches based on increasing shareholder value measured by Total shareholder returns. The specific share price targets which form the key metric in the performance hurdle are not disclosed due to confidentiality however the Board can confirm that the hurdles set would require TSR to double, (based on the 80 cent award share price).

If the performance targets are not met for any tranche the performance period will be extended by one year, however the quantum of Rights awarded will be reduced by 25%.

The notional cost of the Performance Rights cannot be accurately determined as the valuation methodology is dependent on a number of factors some of which are subject to the timing of the award. However, the Board has estimated the potential share based payment cost at between \$500,000 to \$800,000 per tranche.

The following information is provided to add some context to this cost. Total shareholder returns would have to increase by at least \$400 million to achieve the maximum number of rights in this proposed award. This increase is based on the \$261 million market capitalisation of NRW using a share price based on the VWAP for the 60-day period up to and including the day the FY17 results were announced, (being 80 cents) multiplied by the number of shares on issue in the same period, (being 321.8 million shares).

Other key provisions of the Performance Rights Plan

If Mr Pemberton's employment with NRW ceases for reasons other than death or permanent disability, any unvested Performance Rights will lapse and expire unless the Board of NRW considers it appropriate in the circumstances to consider the vesting of any unvested shares. Where a KMP has died or becomes permanently disabled, the Board may determine that the Performance Rights will not lapse and will be tested against the Vesting Conditions on the applicable vesting dates.

Upon change of control occurring in respect of NRW, the number of Performance Rights that can vest will be reduced to reflect the period of time elapsed. For example, if a takeover of NRW becomes unconditional two years after a grant of Performance Rights was made and that award was eligible for vesting at the third anniversary of it being granted, then two-thirds of the Performance Rights that were eligible to vest under that grant would be assessed against the Vesting Conditions up to the date of the takeover becoming effective.

Details of other remuneration already being received by Mr Pemberton is set out in the Directors' and Executives Officers' Remuneration report in the 2017 Annual Report.

- At present, Mr Pemberton is the only Director entitled to participate in the Plan.
- Shares acquired on vesting of Performance Rights may be delivered to participants through the issue of share or on-market acquisitions, at the discretion of the Board.
- Performance Rights will not carry any voting rights and may not participate in any entitlements issues (such as pro rata rights issues or a share purchase plan).
- Performance rights will not be eligible for any dividends.

- All shares issued on vesting of performance rights will be quoted on the ASX. Performance Rights will not be quoted on the ASX.
- Variations to the terms of the Performance Rights following their issue is subject to the Listing Rules.
- No security interests (such as charges or mortgages) can be held against Performance Rights.

Information for the purposes of Listing Rule 10.15 regarding Resolution 4

The following information is disclosed in relation to Resolution 4. for the purpose of Listing Rule 10.15:

- *Mr Pemberton is the Company's CEO & Managing Director;*
- *The maximum number of Performance Rights that can be granted to Mr Pemberton (or his nominee) if Shareholders approve Resolution 4 is 6,412,500 and each Performance Right entitles Mr Pemberton on vesting to receive one FPO Share (subject to any permitted adjustment under the rules of the NRW Holdings Limited Performance Rights Plan);*

With the exception of Mr Julian Pemberton, the Board unanimously recommends that Shareholders vote in favour of this resolution. Mr Pemberton does not make any recommendation to Shareholders in relation to this resolution, as he is eligible to participate in the Plan.

Item 6. One off Issue of Performance Rights to Mr Julian Pemberton. (Resolution 5.)

In recognition of the successful acquisition of Golding and the restructuring of the business achieved over the last 12 months the Board has proposed an additional one off award of 1,250,000 Performance Rights.

The Golding transaction has contributed to an increase of \$190 million in shareholder value measured from the pre announcement date in mid-August to the company's current market capitalisation at the end of September. The Board considers that Mr Pemberton has been instrumental in identifying and implementing areas of the business restructure and identifying, negotiating and completing the Golding and Hughes Drilling transaction. The proposed one-off issue of Performance Rights also forms part of the Company's overall retention strategy, an important tool to ensure the Company retains the value created through the completion of the transaction.

The Performance Rights will be awarded in two separate equal tranches of 625,000 Rights and will vest based on delivery of key integration objectives and the Golding business meeting agreed financial performance targets, as assessed by the NRW Board. Assuming those objectives are met, Tranche 1 will vest in August 2018 and Tranche 2 will vest in August 2019.

As the Performance Rights are to be issued under the “NRW Holdings Limited Performance Rights Plan” (**Plan**) approved by Shareholders in 2015, the Performance Rights will remain subject to the terms of that Plan (a number of the more material components of which are summarised in the discussion regarding Resolution 4 – for example, the treatment of Performance Rights on a change of control, the cessation of employment by Mr Pemberton for a variety of reasons (including death or permanent disability). For further details regarding the terms of the Plan refer to the 2015 Notice of Annual General Meeting.

Information for the purposes of Listing Rule 10.15 regarding Resolution 5

- *The Performance Rights are being granted to Mr Pemberton as part of his remuneration and therefore at nil cost and no price is payable for any Shares allocated on the Performance Rights vesting;*
- *Since the NRW Holdings Limited Performance Rights Plan was approved in 2015, the only person referred to in ASX Listing Rule 10.14 who has received Performance Rights is Mr Pemberton who received 2,833,000 Rights which vest on 30 November 2017 and 975,620 Rights which were approved at last year's Annual General Meeting and vest in November 2018.
As Shareholders will be aware, Resolution 4 also seeking approval for an issue of Performance Rights under the Plan;*
- *A voting exclusion for Resolution 5 is set out in the Notice of Meeting;*
- *There is no loan proposed in relation to the grant of Performance Rights to Mr Pemberton;*
- *If shareholders approve Resolution 5, the Performance Rights will be granted to Mr Pemberton as soon as practicable after the Annual General Meeting and in any event within 12 months of the Annual General Meeting. As disclosed above, the Performance Rights will vest in two separate tranches, as detailed above.*

Item 7. Ratification of Share Issue. (Resolution 6.)

ASX Listing Rules 7.1 and 7.4

ASX Listing Rule 7.1 provides, subject to certain exceptions, without shareholder approval, a listed company must not issue equity securities where the number of equity securities proposed to be issued represents more than 15% of the company's shares then on issue.

ASX Listing Rule 7.4 provides that an issue of securities made without the approval under ASX Listing Rule 7.1 is treated as having been made with approval if the issue of securities did not breach ASX Listing Rule 7.1 (that is, the issue was within the Company's 15% capacity) and Shareholders subsequently approve it.

Annexure A – Disclosure Statement

This Disclosure Statement has been prepared in connection with a proposed resolution of the Company to approve the giving of financial assistance by each company listed in schedule 1 (each a “**Subsidiary**”) within the meaning of section 260A of the *Corporations Act 2001* (Cth) (“**Corporations Act**”) (“**Financial Assistance Resolution**”).

This Disclosure Statement and the other attachments (if any) to the Notice of Annual General Meeting (“**Notice**”) which it accompanies are important documents. Please read them carefully.

1 Background to the requirement for the Financial Assistance Resolution

1.1 Restrictions on companies giving financial assistance

Pursuant to section 260A(1) of the Corporations Act a company may financially assist a person to acquire shares (or units of shares) in the company or a holding company of the company only if:

- (a) giving the assistance does not materially prejudice:
 - (i) the interests of the company or its shareholders; or
 - (ii) the company’s ability to pay its creditors; or
- (b) the assistance is approved by shareholders under section 260B of the Corporations Act; or
- (c) the assistance is exempted under section 260C of the Corporations Act.

The requirements for shareholder approval under section 260B of the Corporations Act are described in section 1.2 below.

1.2 Shareholder approval of financial assistance

Under section 260B(1) of the Corporations Act, for a company to financially assist a person to acquire shares (or units of shares) in itself or its holding company, the financial assistance must be approved by:

- (a) a special resolution passed at a general meeting of the company, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (b) a resolution agreed to, at a general meeting, by all ordinary shareholders.

If the company giving the financial assistance will be a subsidiary of a listed domestic corporation immediately after the acquisition, the financial assistance must also be approved by a special resolution passed at a general meeting of that corporation under section 260B(2) of the Corporations Act. For this reason, the Company is required to approve of the financial assistance by special resolution.

1.3 Shareholders approval

The purpose of this Disclosure Statement is to explain in further detail the proposed Financial Assistance Resolution set out in the Notice which must be passed under section 260B(2) of the Corporations Act to enable each Subsidiary to provide the financial assistance in connection with the Acquisition (as further described in section 2 below).

2 The Acquisition

2.1 Acquisition of Target

NRW Mining Pty Ltd (ABN 86 117 524 277) (“**Bidco**”) (a subsidiary of the Company) acquired the entire issued share capital of Golding Group Pty Ltd (ABN 97 129 247 025) (“**Target**”) (“**Acquisition**”) pursuant to the Share Sale Agreement dated 11 August 2017 between the persons listed in Schedule 1 to that agreement, Bidco, the Target and the Company. The Acquisition was funded through the assistance of a facility agreement dated 11 August 2017 between, among others, Bidco (as Borrower) and Commonwealth Bank of Australia trading as Bankwest (ABN 48 123 123 124) (“**Lender**”) (“**Facility Agreement**”).

Immediately following the Acquisition, the Company became the listed Australian holding company of the Target and its subsidiaries (together with the Target, each a “**Subsidiary**” listed in schedule 1).

2.2 The Financing

In connection with the Acquisition and other associated transactions, it is proposed that each Subsidiary will enter into one or more finance documents as described in schedule 2 (“**Documents**”), including without limitation:

- (a) an accession deed with respect to the Facility Agreement, under which the Subsidiaries will provide guarantees and indemnities;
- (b) an accession deed with respect to the security trust deed dated 15 December 2016 between, among others, the Company and AMAL Security Services Pty Limited (ABN 48 609 790 758) (“**Security Trustee**”);
- (c) a general security agreement granted by the Subsidiaries in favour of the Security Trustee (“**Security**”);
- (d) an accession deed with respect to the facility agreement (multi-option facility) dated 16 December 2016 between, among others, Bidco, the Company and the Lender, as amended from time to time (“**Multi-Option Facility Agreement**”) under which the Subsidiaries will become borrowers and will provide guarantees and indemnities;
- (e) an accession deed with respect to the deed of indemnity dated 24 July 2017 between, among others, the Company, Bidco and Liberty Mutual Insurance Company trading as Liberty International Underwriters and others, under which the Subsidiaries will become indemnifiers (“**Liberty Deed of Indemnity**”); and
- (f) an accession deed with respect to the deed of indemnity dated 25 February 2015 between, among others, the Company, Bidco and CGU Insurance Limited and others, under which the Subsidiaries will become indemnifiers (“**CGU Deed of Indemnity**” and together with the Liberty Deed of Indemnity, the “**Bonding Deeds of Indemnity**”).

The facilities provided under the Facility Agreement, the Multi-Option Facility Agreement and the Bonding Deeds of Indemnity may be drawn, among other purposes, to fund the Acquisition and any costs in connection with the Acquisition, and/or to refinance or replace the facilities made available to the Target under its existing financing arrangements (“**Existing Facility**”) (“**Financing**”). The Acquisition and the Financing together is referred to as the “**Transaction**”.

3 Effect of the proposed financial assistance

The provision of guarantees and indemnities under the Facility Agreement, the Multi-Option Facility Agreement and the Bonding Deeds of Indemnity, the grant of security and the execution of one or more of the Documents, may involve the provision of financial assistance by each Subsidiary in connection with the Acquisition including without limitation:

- (a) (*joint and several liability*): each Subsidiary will assume a joint and several liability with the Borrower and other guarantors;
- (b) (*guarantee and indemnities*): a lender or a surety (as the case may be) may be entitled to claim by way of guarantee and indemnities provided by each Subsidiary, in whole or in part, any amounts owed under the Facility Agreement, the Multi-Option Facility Agreement and the Bonding Deeds of Indemnity or other finance documents;
- (c) (*enforcement of security*): the Security Trustee may be entitled to enforce the security granted by each Subsidiary and apply the proceeds of enforcement towards repayment of the amounts owed under the Facility Agreement, the Multi-Option Facility Agreement or other finance documents;
- (d) (*representation and warranties and undertakings*): each Subsidiary will provide certain representations, warranties and undertakings, and have certain restrictions imposed on the ability to:
 - (i) grant further security over its assets or dispose of assets;
 - (ii) make distributions to its shareholders; and
 - (iii) borrow money in the future or to incur further financial indebtedness;

- (e) (*event of default*): each Subsidiary will be subject to certain events of default under the Facility Agreement, the Multi-Option Facility Agreement and the Bonding Deeds of Indemnity or other finance documents;
- (f) (*other support*): each Subsidiary may be required to make available directly or indirectly their cash flows (whether through dividends, capital distributions, intercompany loans or otherwise) or other resources in order to enable Bidco (as Borrower) and other guarantors to comply with their payment and other obligations under the Facility Agreement, the Multi-Option Facility Agreement and the Bonding Deeds of Indemnity or other finance documents.

4 Reasons for giving financial assistance

The main reasons for the giving of the financial assistance described above in connection with the Acquisition are:

- (a) it is a condition of the Financing that each Subsidiary accede and provide the Security. If it does not in the time specified in the Facility Agreement, the Multi-Option Facility Agreement or other finance documents, this will be an event of default and its holding company will be forced to refinance on worse terms which may include not being able to provide each Subsidiary with finance; and
- (b) it is a reasonable and necessary part of obtaining finance on the most favourable terms. Obtaining a facility of this nature without that requirement would have been difficult, and would have resulted in funding being obtained on more restrictive and expensive terms.

5 Financial Assistance Resolution

To summarise, it is proposed that the giving by each Subsidiary of the financial assistance in connection with the Acquisition be approved by the shareholders of the Company passing the Financial Assistance Resolution pursuant to section 260B(2) of the Corporations Act. The Financial Assistance Resolution is set out in the Notice accompanying this Disclosure Statement.

Shareholders of the Company may vote either for or against the Financial Assistance Resolution. The Financial Assistance Resolution will be passed if a special resolution is passed.

6 Prior notice to Australian Securities & Investments Commission

As required by section 260B(5) of the Corporations Act, copies of the Notice and this Disclosure Statement as sent to the shareholders were lodged with the Australian Securities & Investments Commission before their dispatch to the shareholders.

7 Disclosure

The directors of the Company consider that the Notice and this Disclosure Statement contains all information known to the Company that would be material to the shareholders in deciding how to vote on the proposed resolution other than information which it would be unreasonable to require the Company to include because it has been previously disclosed to the shareholders of the Company.

8 Solvency

As at the date of the Notice and this Disclosure Statement, the directors are of the opinion that there are reasonable grounds to expect that if the Company gives the financial assistance, the Company will continue to be able to pay all its debts as they become due, and remain solvent.

Directors' recommendation

Based on information available at this time, the directors of the Company believe that the Transaction is not materially prejudicial to the interests of the Company or its shareholders, or the ability of the Company to pay its creditors.

However, the directors consider it prudent and consistent with good business practice to seek shareholders' approval. The Lender has also requested the Company to do so.

The directors of the Company have unanimously approved the Disclosure Statement and recommend shareholders' approval as set out in the Notice.
