About Infigen Energy

Infigen is a business actively participating in the Australian energy market. It is a developer, owner and operator of generation assets delivering energy solutions to Australian businesses and large retailers.

Infigen has 557 MW of installed generation capacity across New South Wales, South Australia and Western Australia with a further 113 MW under construction in New South Wales. It sells the electricity and Large-scale Generation Certificates through a combination of medium and long term contracts and through the spot market.

Infigen Energy trades on the Australian Securities Exchange under the code IFN.
