Please find attached a copy of an announcement to be issued today by Monadelphous Group Limited regarding the award of new construction and maintenance work in the resources and energy sectors with a combined value of approximately \$150 million.

Yours sincerely,

Philip Trueman
Company Secretary

ASX RELEASE

5 August 2019

MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced it has secured new construction and maintenance work in the resources and energy sectors with a combined value of approximately \$150 million.

The Company has been awarded a contract with Origin for the construction of the Talinga Orana Gas Gathering Station, located near Chinchilla, QLD. The contract, which includes fabrication, preassembly and site construction of two gas compression trains and supporting utilities and infrastructure, is expected to be completed by March 2020.

The Company has also secured an order under an existing panel contract with BHP Mitsubishi Alliance to perform major shutdown works at the Hay Point Coal Terminal in Mackay, Queensland, following successful completion of a similar shutdown earlier in the year.

In Western Australia, the Company has been awarded a new three-year contract for the supply of shutdown and mechanical services at South32’s Worsley Alumina Refinery in Collie.

In addition, Monadelphous has also secured two new contracts with Rio Tinto:

- A three-year contract to provide rope access and tank inspection services at its Yarwun alumina refinery near Gladstone, Queensland; and
- A contract for the refurbishment of the high-grade iron ore screenhouse at Tom Price mine, Western Australia.

Monadelphous Managing Director, Rob Velletri, said “We are pleased to have been awarded new contracts with a number of our existing customers, highlighting the strength of our relationships and our leading reputation for quality delivery.”
