The company anticipates releasing its full year result in August 2007.

This will take the full year dividend to 4.3 cents per share fully franked.

After listing the company with the ASX on 19<sup>th</sup> October 2006 Money3 has focused on growing its core business profitability while establishing a substantial stake in the lower value car loan market.

In the 12 months from 31<sup>st</sup> March 2006 total Income has increased by 22% while Gross Profit has increased by 20% after allowing for the increase in deferred revenue.
