This document is issued by Equity Trustees Limited (EQT). EQT is the responsible entity of Credit Suisse PL100 – Emerging Markets Infrastructure Development Trust ARSN 127 064 699 (PL100 - EMID) and the issuer of units in PL100 - EMID. Units in PL100 - EMID are sophisticated financial products and applications for units must be made through a financial adviser. The information in this document is of a general nature only and it is not intended that it be relied on for the purpose of making an investment decision. It does not take into account your objectives, financial situation or needs. EQT recommends that you obtain personal advice from a financial adviser before investing, and that you consider how appropriate PL100 - EMID is to your objectives, financial situation and needs. It is important for you to consider the Product Disclosure Statement (PDS) relating to PL100 - EMID in full before deciding whether to acquire, or to continue to hold, units in PL100 - EMID. You can obtain a copy of the PDS by contacting Macquarie Equities Limited on 1800 808 001, or from www.credit-suisse.com/structuredretailproducts or www.eqt.com.au/insto. You can also contact EQT on 03 8623 5000 or by email to equity@eqt.com.au. Investments in PL100 – EMID are not deposits with or other liabilities of EQT or any company in the Credit Suisse group and are subject to investment risk, including possible delays in repayment and loss of income or capital invested. Neither EQT, its employees, officers and agents nor any company in the Credit Suisse group guarantees any particular rate of return on, or the performance of, PL100 – EMID, nor do any of them guarantee the repayment of capital from PL100 – EMID. An investment in PL100 – EMID is subject to investment risk, including possible delays in repayment and loss of income and principal invested (subject to the limited capital protection provided to PL100 – EMID by Credit Suisse International as described in the PDS). Past performance is not necessarily indicative of future performance. Returns are volatile and vary from year to year.
