However the volatility in value of investments has been reflected in the current unit price.

Apart from the above, no significant events have occurred since the end of the reporting period which would impact on the financial position of the Trust disclosed in the balance sheet as at 31 December 2011 or on the results and cash flows of the Trust for the period ended on that date.

8 Contingent assets and liabilities and commitments

Independent Auditor's Review Report to the Unitholders of Credit Suisse PL100 - Emerging Markets Infrastructure Development Trust

We have reviewed the accompanying half-year financial report of Credit Suisse PL100 - Emerging Markets Infrastructure Development Trust ("the Trust"), which comprises the balance sheet as at 31 December 2011, and the statement of comprehensive income, the cash flow statement and the statement of changes in equity for the half-year ended on that date, selected explanatory notes and, the directors' declaration of the Trust as set out on pages 5 to 14.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards, as they apply on a non-going concern basis as disclosed in note 1 to the financial statements, and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Trust's financial position as at 31 December 2011 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Trust, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Responsible Entity of Credit Suisse PL100 - Emerging Markets Infrastructure Development Trust, would be in the same terms if given to the directors as at the time of this auditor's review report.

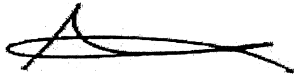

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Credit Suisse PL100 - Emerging Markets Infrastructure Development Trust is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Trust's financial position as at 31 December 2011 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
