2013 Financial Year Guidance

Blackwood Corporation Limited (“**Blackwood**” ASX:BWD), provides the following guidance in relation to its consolidated financial results for the year ended 30 June 2013.

As previously announced on 27 June 2013, Blackwood advised that it had received \$12,000,000 (“settlement monies”) in completion of the Deed of Settlement and Release with Mr Nathan Tinkler and his associates and associated companies in regard to the Share Placement Agreement (“SPA”) entered into with Mulsanne Resources Pty Ltd (a company associated with the Tinkler Group), in which, amongst other things, the SPA was terminated with no shares being issued that has resulted in the settlement monies being classified as “Other Income” for the Group.

As a result, Blackwood expects to achieve a net profit after tax in the range of \$6 million to \$6.75 million for the financial year ended 30 June 2013. The Company’s result for the prior corresponding financial year was a loss of \$3.9m.

Further details will be provided when Blackwood’s results for the year ended 30 June 2013 have been finalised.

Blackwood will release its 30 June 2013 results by Monday 30 September 2013.
