**ASX Announcement**  
**MNF Group Limited (ASX: MNF)**

**10 November 2021**

## **MNF Group Limited to be renamed Symbio Holdings Limited**

### **Reflects Company's refreshed strategy to build a world-class software company**

Shareholders of MNF Group Limited (ASX: MNF) yesterday approved a change of the Company's name to Symbio Holdings Limited ("Symbio"), reflecting its refreshed strategy to build a world-class software company.

The name change, which was approved at yesterday's Annual General Meeting, will come into effect by the end of November and the ASX code will change to SYM.

Commenting on the name change CEO Mr Rene Sugo said: "We are excited to move forward as Symbio, which is an established global brand within the industry and increasingly recognised as a leader in software enabled communications. Our clear path for global expansion, significant momentum in our Singapore operations, and our unified Symbio brand, positively positions us to execute our strategy and growth objectives for 2022 and beyond."

The change of Company name to Symbio will avoid confusion from the market and customers, given the Company no longer operates the MyNetFone business.

MNF will update the market once the name change has been processed by various regulatory authorities.

This announcement has been authorised for release by the Board of Directors.
