¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

Processes have been established to ensure that management provides relevant information to the Board to enable the Board to make informed decisions and effectively discharge its duties. The Board may also request additional information where necessary and may seek independent advice should it wish to do so.

3. BOARD STRUCTURE

The Constitution provides for a minimum of three Directors and a maximum of twelve Directors.

The Company undertakes appropriate checks before appointing a person as a Director or putting forward a person as a candidate for election as a Director. All material information in the possession of the Company, which is relevant to whether or not a person should be elected or re-elected a Director, is provided to shareholders prior to an election taking place.

At the date of this Statement, the Board comprises an independent non-executive Chairman, two independent non-executive Directors and the Managing Director. Although Mr Paul Clitheroe has received performance-based remuneration as a participant under the Company's Employee and Directors Share Plan approved by shareholders at the Company's 2020 Annual General Meeting, the Board has determined that such participation is not material and will not interfere with Mr Clitheroe's capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole.

The Directors' Report included in the 2022 Annual Report provides the details of the Directors in office during the year ended 30 June 2022, together with their experience, expertise and qualifications and the number of Board meetings each attended during the year.

As at the date of this Statement, the Directors are:

Independent Chairman:	Mr Paul Clitheroe AM
Managing Director:	Mr Ron Hodge
Lead Independent Non-Executive Director:	Mr Michael Shepherd AO

Consistent with the ASXCGC Corporate Governance Principles and Recommendations, a majority of the Board is independent. The Board believes that at this time in the development of the Company, the current allocation of responsibilities among the Directors is most practical and effective for the Company and in the best interests of shareholders.

The Board annually assesses the mix of skills, knowledge and experience which best suit the business conducted by the Company. The Board considers that the current Directors have an appropriate mix of skills for the Company, including core skills in financial services, governance, marketing, digital distribution and product development.

The Company Secretary is accountable directly to the Board, through the Chairman, on all matters to do with the proper functioning of the Board.

4. TERMS OF APPOINTMENT OF DIRECTORS

- term of appointment;
- expectations regarding the Director's involvement and time commitment envisaged;

The appointment and removal of any Managing Director is a matter for the Board as a whole.

5. DIRECTORS' INTERESTS AND INDEPENDENCE

The Board has in place processes to ensure that conflicts of interest are managed appropriately throughout the Group.

Directors are required to immediately notify the Company of interests or changes to interests as they arise. The Company Secretary maintains a register of Directors' interests. That register is updated as interests or changes in interests are notified and it is reviewed at the commencement of each regular Board meeting.

The Board assesses the independence of Directors and makes a determination in respect of each Director taking into account:

- 

The current Chairman of the Committee is Mr Michael Shepherd AO and the second Committee member is Mr Paul Clitheroe AM. The Board considers that a two-member Committee is appropriate given the size and complexity of the business. The current Committee members are not executives.

Details of the relevant qualifications and experience of the members of the Committee and number of meetings of the Committee held during the year ended 30 June 2022 are set out in the Directors' Report included in the 2022 Annual Report.

7. SECURITIES TRADING AND PREVENTION OF INSIDER TRADING POLICY AND STAFF TRADING AND INVESTMENT POLICY

The Company has adopted a policy regarding trading in its securities and the prevention of insider trading which applies to all Directors, employees and contractors and their associates. This policy can be downloaded from the Company's website at: www.investsmart.com.au/shareholder-centre/governance.

Those covered by the policy must not trade, arrange for someone else to trade, or communicate information to someone they know, or ought reasonably to know, may use the information to trade (or procure another person to trade) Company securities when they are in possession of price sensitive information relating to the Group which is not generally available to the market.

Directors and employees are generally only permitted to trade in Company securities in defined open periods and then, only if they are not in possession of price sensitive information relating to the Group which is not generally available to the market and if they have prior written approval to trade.

The Company has also adopted a separate policy dealing with staff trading and investment. That policy deals with the management of actual and perceived conflicts of interest arising where in the ordinary course of business Group Entities promote, analyse or report on securities.

8. CONTINUOUS DISCLOSURE

The Board is very conscious of its continuous disclosure obligations and has adopted a Continuous Disclosure Policy. A copy of this policy can be downloaded from the Company's website at: www.investsmart.com.au/shareholder-centre/governance.

All Directors and the Company Secretary are responsible for ensuring adherence to the Continuous Disclosure Policy. The Chairman or the Managing Director deal with media contact and any external communications.

Directors may obtain independent professional advice at the Company's expense on matters arising in the course of their Board and Committee duties, after obtaining the Chairman's approval (or in the case of the Chairman, with the prior approval of the Chairman of the Audit, Risk and Compliance Committee). The Board requires that all Directors be provided with a copy of such advice and be notified if the Chairman's approval is withheld.

10. PERFORMANCE ASSESSMENT

The performance assessment of individual Directors, Committees and the Board is included in the Board Charter. The process is aimed at ensuring individual Directors, Committees and the Board as a whole work efficiently and effectively. As part of that process:

- the Board as a whole discusses and analyses its own performance during the year including suggestions for change or improvement;
- the Chairman meets with each non-executive Director separately to discuss individual performance, including development areas;
- a nominated Director leads the review of the Chairman.

Due to the size of the Board, a formal performance evaluation of Directors was not undertaken in the reporting period.

Each senior executive in the Group is engaged under a written contract which includes:

- the term of appointment;
- a description the position and associated duties and responsibilities;
- reporting;
- remuneration, including superannuation;
- the requirement to comply with corporate policies, including the Code of Conduct, Securities Trading and Prevention of Insider Trading Policy, Staff Trading and Investment Policy, Continuous Disclosure Policy, Continuing Professional Development Policy, Human Resources Policies and Procedures and Risk Management and Compliance Policies; and
- circumstances of termination and entitlements on termination.

Those contracts also set out the manner in which the performance of the respective senior executive is evaluated. Performance evaluation of senior executives was undertaken in the reporting period.

11. DIVERSITY

The Company has a Diversity Policy which is regularly reviewed and updated as necessary. It can be downloaded from the Company's website at: www.investsmart.com.au/shareholder-centre/governance.

The Board has not set measurable objectives for achieving diversity, however the Company has policies and procedures in place that are targeted at building and

fostering a diverse and inclusive workplace. The Board believes these policies and procedures best suit the Company given its size and stage of development. The Company employs less than 100 staff and is not a “relevant employer” under the *Workplace Gender Equality Act 2012* (Cth).

The Company currently has one female Board member and no females within the Key Management Personnel identified in the 2022 Annual Report. As at 30 June 2022, 38% of the employees in the Group are women (compared to 29% at 30 June 2021) and 36% of the Company’s management team is comprised of women (compared to 33% at 30 June 2021). The Company will seek to maintain or increase this level of female employees in the future and to continue to reflect diversity within its staff, the Board and Key Management Personnel.

12. DIRECTORS’ INDUCTION AND CONTINUING EDUCATION

The Company does not have a formal program for periodically reviewing whether there is a need for Directors to undertake professional development to maintain the skills and knowledge needed to perform their role as Directors effectively. The Board does not believe such a program should be implemented given the size and stage of development of the Company.

However, all Directors receive an induction after joining the Board and have access to continuing education to update and enhance their skills and knowledge to enable them to continue to carry out their duties.

13. MANAGEMENT OF RISK AND INTERNAL CONTROL FRAMEWORK

The Board is the ultimate sponsor of risk oversight within the Group but does so in a manner which reflects the transparent nature of the Group’s systems. The Company pays significant attention to risk as a consequence of its activities, which involve dealing in financial assets.

The Audit, Risk and Compliance Committee fulfils an essential role in the management of risk and the establishment, review and monitoring of internal controls. In addition, through the reporting of the Managing Director, the Board also monitors various measurements of absolute and relative risk. Reviews of the Company’s risk management framework were undertaken throughout the reporting period.

Due to the relatively small size of the Group and the limited nature of its business operations, the Company does not have an Internal Audit function. This matter is reviewed periodically by the Audit Risk and Compliance Committee and that Committee makes relevant recommendations to the Board to improve the effectiveness of the Company’s risk management and internal control processes.

The Company has access to a series of internal and external controls through the Managing Director, which govern the Company’s material business risks. These controls include, but are not restricted to:

- external providers of accounting and related services to the Company and Group Entities; and
- regular reporting by the Managing Director to the Board.

The Company’s exposure to economic, environmental and social sustainability risks and management of those risks is disclosed in the 2022 Annual Report – Directors’

Report and the Environmental, Social and Governance Policy (refer Company's website at: www.investsmart.com.au/shareholder-centre/governance).

The Board received a statement in writing from the Managing Director and the Chief Finance Officer that the declaration provided in accordance with section 295A of the Corporations Act is founded on a sound system of risk management and internal control and the system is operating effectively in all material respects in relating to financial reporting risks.

14. ENGAGING SHAREHOLDERS

The Board is committed to ensuring that shareholders are at all times provided with information sufficient to allow effective monitoring of the Company's performance, including:

- the Annual Report which is distributed to shareholders (at their election);
- the Half Yearly Report;
- periodic reports and special reports when matters of material interest arise;
- the Annual General Meeting and other meetings called to obtain shareholder approval of any action as required; and
- continuous disclosure.

The Chairman and the Managing Director are primarily responsible for promoting effective communication with shareholders and encouraging their participation at general meetings. The Board reviews the activities aimed at achieving these outcomes. The Company Secretary and the share registry are also available to assist shareholders. Shareholders have the option to receive communications from, and send communications to, the Company and the share registry electronically.

Current and archived announcements by the Company are available on the Company's website at: www.investsmart.com.au/shareholder-centre/announcements and at: www.asx.com.au.

The Company provides a review of operations and financial performance in the 2022 Annual Report, which includes the Company's financial report.
