COMPLETION OF OCEANIA MEAT PROCESSORS ACQUISITION

Ridley Corporation Limited ("**Ridley**") (**ASX: RIC**) is pleased to announce the completion of the acquisition of Oceania Meat Processors NZ LP ("**OMP**").

Ridley announced the acquisition of OMP, a premium producer of mechanically deboned meat frozen block products and other raw materials for the global pet food industry, on 18 December 2023.

Ridley would like to acknowledge the support received from the customers, suppliers, employees and the former Directors of OMP in transitioning the ownership of the business.
