**About Alterra Limited**

Alterra is developer of the Carpenters avocado project located between Manjimup and Pemberton in Western Australia's south-west.

The Carpenters Project currently consists of circa 100ha of Hass avocados represented by an initial Stage 1 (5ha) planting in 2020, followed by Stage 2 planting (2021) (7ha) and Stage 3 planting (85ha) (2023).

Alterra is also a 15% shareholder in Carbon Conscious Investments Limited, which manages large scale projects registered with the Clean Energy regulator that generate Australian Carbon Credit Units.

Alterra continues to assess additional horticultural opportunities to add value for shareholders.

### **Forward Looking Statements**

This announcement contains forward-looking statements that involve risk and uncertainties. Indications of, and guidelines or outlook on, financial position and returns, performance, targets, timelines, estimates and assumptions in respect of production, prices, operating and other costs, capital expenditures and development timelines are forward looking statements. These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions and estimates regarding future events and actions that, while considered reasonable as at the date of this announcement are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, the directors and management. We cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur and readers are cautioned not to place undue reliance on these forward-looking statements. These forward-looking statements are subject to various risk factors that could cause actual events or results to differ materially from the events or results estimated, expressed or anticipated in these statements.
