NeuRizer Ltd (ASX: NRZ) – Continuation of Suspension from Quotation

The securities of NeuRizer Ltd ('NRZ') were suspended by ASX on 1 October 2024 for non-lodgement of the relevant periodic report by the due date.

ASX has determined that NRZ's financial condition is not adequate to warrant the continued quotation of its securities and it is therefore in breach of Listing Rule 12.2. In making this determination, ASX has had regard to the extent of NRZ's negative working capital position and the circumstances underlying its significant working capital deficit. Accordingly, NRZ's securities will now continue to be suspended from quotation under Listing Rule 17.3.

The suspension will continue until ASX is satisfied that NRZ is in compliance with the Listing Rules, including Listing Rule 12.2, and that it is otherwise appropriate for NRZ's securities to be reinstated to quotation.
