NOTICE OF CLOSURE

The Responsible Entity has determined to close the Betashares Martin Currie suite of funds, including the Betashares Martin Currie Real Income Fund (managed fund) (**Fund**). This decision reflects limited client demand for the Betashares Martin Currie suite of funds.

The Responsible Entity has applied to the ASX for the trading status of the Fund to be revoked. The ASX has approved this application.

The last day units in the Fund will trade on the ASX will be 4 February 2025 (**Last Trading Day**). Upon the close of trading on the Last Trading Day, units in the Fund will be suspended from trading and removed from trading status. The Fund will then be closed and wound up in accordance with the Fund's Constitution and the Corporations Act.

Investors may sell their units before close of trading on the Last Trading Day via their broker or investing platform in the normal manner.

Alternatively, investors may continue to hold their units in the Fund and participate in the Fund's winding up, in which case they will receive a final distribution payment that represents a final distribution of income (if any) as well as their proportionate share of the net proceeds from realising the assets of the Fund. This payment will be made to each investor's nominated bank account for distributions.

Given the timing of the Fund closure, the Fund will not make a distribution for the distribution period ending December 2024. Any distributable income will be included as a component of the final distribution amount payable to each unitholder in the Fund as at the Record Date (outlined in the indicative timetable below).
